President's Welcome

Welcome to Brisbane and to the most amazing facility at Nissan Arena for our Carnival. This is the 23rd Carnival and we have really come of age!

In its history, impact on players, teams and local communities is one of significance - Shalom College was awarded an Australia Day Community Award for its hosting of QISSN and QISSRL. It also signals the outstanding contribution of the QISSN and QISSRL events, in community engagement, and the many dollars it brings to the regional and city communities. Again, we have expanded to grow into one of the largest independent secondary school netball Carnivals in Australia. It was a terrific Carnival in Mackay 2022 hosted by St Patrick's College, with very hospitable community involvement, and now we are even larger, having the wonderful Nissan Arena in which to play!

In 2000, sixteen schools participated in that inaugural event and no one at the time had any idea that CQU QISSN would grow to what it is today – 82 Teams – 68 schools – 64 girls and 18 boys.

On behalf of CQU QUEENSLAND INDEPENDENT SECONDARY SCHOOLS NETBALL and St James College, I welcome the players and all supporting them, to the 23rd Carnival held in Brisbane, hosted by St James College at Nissan Arena, with a major sponsor being Central Queensland University. Our appreciation must go to the QISSN Committee and all the St James College staff and community, who have worked tirelessly to ensure that the CQU QISSN carnival is a premier sporting event. It is the highlight of the sporting year for many of the 68 Colleges involved. We are embedding our mark as a premiere secondary school netball competition in Queensland. This is an extraordinary achievement! This has happened as we see Netball competition grow in Australia, and Queensland have two strong teams in the Suncorp Super Netball Series

– Queensland Firebirds and Sunshine Coast Lightning. These teams are supporters of CQU QISSN and players who have played at CQU QISSN have become professional players in these teams, encapsulating professional netball pathways.

As Principal of St James College in the Edmund Rice tradition EREA, (previously Christian Brothers College) I must express my thanks to all of our community for their outstanding support, generosity of spirit, and their incredible enthusiasm to be involved and make it happen! We pay tribute to the legacy of the Christian Brothers who started the now CQU QISSRL Confraternity Carnival, from which the now CQU QISSN Carnival grew. It is exciting that St Laurence's College, also an EREA College is hosting the CQU QISSRL Confraternity carnival – Congratulations to Mr Chris Leadbetter for this huge undertaking! We hope you enjoy the wonderful energy of our diverse community in the Opening Ceremony!

I would particularly acknowledge the wonderful work of Host School Convenor, Antonia Lu, and the College committee of organisers, Meaghan Hurley, James Anderson, Kristina Johnson, David Cantwell, Yolanda Cano, Josateki Tora, Eliza Hoelscher, Atem Atem, Isikeli Kubunameca, Karen Lindsey, Andrew Ebrington, Alex Blann, Claire Grlj, Andrew McCarthy-Woods, Christine Carswell, Corrie Shand, Sam Stocks along with our Coaches, Managers of the Boys and Girls Teams, Staff, Students, Parents. Carnivals like this one could not occur without the support of groups who rally behind sport and are prepared to invest financially in your opportunities. It has been terrific to have one of our past students and former QISSN player, Lakarri Faerber, proud Gooreng Gooreng, and Wakkka Wakkka woman, to make our art feature design for the Carnival. We are very grateful to all of our CQU QISSN sponsors – Central Queensland University, Struddy's Apparel, Academy Photography, Medals and Ribbons Australia, Brisbane

Principal's Welcome

Catholic Education, Toowoomba Catholic Education, Catholic Education Rockhampton, Townsville Catholic Education, Catholic School Parents Queensland, Netball Qld and our generous local school sponsors, Edmund Rice Education Australia, Struddy's Apparel, Technology One, SB Quality Cleaning, Higgins, Catholic School Parents Queensland, Ashburner Francis, Woolworths, Independent Education Union of Australia, McInnes Wilson Lawyers, Macksey Rush Architects, Suncorp Stadium.

All of our major CQU QISSN sponsors make a considerable contribution to assist our schools in reducing the costs for players to play. Please give them your support and gratitude where possible. They are listed throughout the booklet and on our screens. I sincerely thank Evie Teasdale for her dedication, commitment, efficiency and enthusiasm in her role as Executive Officer of QISSN. I would also acknowledge the tremendous work of Umpire Director Christopher Robinson in making all flow well. Our executive committee have spent many hours in ensuring smooth operation of the QISSN Carnival – I wish to also thank Dan McMahon, Julie Atkins and Debbie Newton for their tireless commitment.

I would also warmly thank Peter Elmore, President of QISSRL for his dedicated commitment, and to acknowledge the benefits of QISSN and QISSRL working together, to gain the best outcomes for our young participants and families.

Both Carnivals have been generously supported by Central Queensland University with naming rights through their sponsorship, so we are called CQU QISSN. We are very grateful for their incredible spirit of support for our students and Carnival, and strongly encourage you to look at options with CQU with their campuses throughout Queensland.

Our appreciation flows to all our sponsors who have been so generous in providing support to us. This has helped tremendously in ensuring the carnival is affordable to all teams wanting to participate. We are all very thrilled to have Vicki Wilson OAM and Tracey Bruce again as selectors, along with Netball Queensland, showing significant encouragement and assisting with the Firebirds support and role modelling in career paths. Best wishes to all players, coaches, team managers, umpires and supporters for a wonderful competition week of netball and friendship. Warm wishes in the spirit of the 2023 Brisbane CQU QISSN and CQU QISSRL Carnivals. Next year both CQU QISSN and QISSRL Carnivals will be held jointly in Townsville. We are pleased to announce that CQU QISSN will be hosted by St Margaret Mary's College, Townsville in 2024 celebrating 24 years of CQU QISSN.

As Dan McMahon, Principal of Shalom College, emphasised in previous years "Whatever part you will play in your team, don't leave anything in reserve. Also, be grateful. So many people have worked hard to give you this opportunity - your parents, your coaches, your bus drivers and so many others. Say thank you sometime this week. We hope that you make wonderful memories of this week."

Enjoy the best carnival ever and good luck!!

Ann Rebgetz

Host School: St James's College, 201 Boundary Road, Spring Hill QLD 4000

The QUniversity QISSN (Queensland Independent Secondary Schools Netball) Championships in 2023 enters its twenty fourth year as a netball carnival held annually in the first week of the mid-year holidays. The inaugural QISSN Carnival was hosted by Shalom College, Bundaberg in 2000 with a modest 16 teams. Due to the ever-increasing popularity of our carnival, in late 2016 the QISSN Executive made the decision to further develop and expand the carnival from 48 to 60 teams – a bold and courageous move in the pursuit of promoting and developing secondary school netball in Queensland. In 2018 the carnival further expanded to 64 teams. This saw our membership grow from 480 participants to 640. For the first time ever, in 2020 the carnival was not held due to the COVID-19 pandemic. In 2021, the carnival expanded to include a boys division starting with 5 teams expanding the overall number of teams to 69. The 2023 Carnival will see a full boys division of 18 teams taking the Carnival to a total of 82 teams from 68 schools. In addition, Coaches and Managers, Umpires, Coordinators, First Aid and Executive staff; this makes the QUniversity QISSN Carnival one of the biggest school-based carnivals in the country.

The richness of QISSN's history is evident in its success and growth as a popular carnival for secondary school girls and now also for boys. Other measures of its prosperity include the fact that many of the schools that competed in the inaugural carnival will be attending the 2023 carnival for the twenty second successive year, a true measure of the longevity, commitment and enjoyment of carnival. Regular member schools cite the atmosphere of the carnival and the spirit in which games are contested as characteristics that excite schools about participating in this annual competition.

Over 8,000 girls have participated in QISSN in its previous 21 carnivals, with a number of previous participants including;

- Lara Nilsson, Clairvaux Mackillop College,
- Candice Adams, Marymount College
- Ameliaranne Wells, St Luke's Anglican School
- Gemma Mimi, Carmel College

going on to represent the Queensland Firebirds in the national netball competition, post school.

2016 saw the introduction of securing Ms Vicky Wilson OAM and Ms Tracey Bruce – both involved previously in State and National team selections, development and coaching; as official selectors for the All Stars and Rising Stars teams. We are very fortunate to have the continued support of Vicky and Tracy as selectors again for this year's carnival and they look forward to identifying the future stars and representatives of our great game!

This year, St James's College, Brisbane will host the twenty-third QUniversity QISSN Carnival. We welcome the 82 teams that will compete for the QISSN Cup and are excited to see the boys division continuing to grow. We hope the 2023 carnival continues the fine tradition established in previous years. We thank our many previous and new sponsors for their support and look forward to forging continued partnerships in the pursuit of growth, recognition and excellence in sport and providing equity in netball.

2022 ALL STARS AND RISING STARS

Players' Oath

You are my opposition, but you are not my enemy,
For your resistance gives me strength,
May we look upon our defeats as a learning experience of life,
Whilst fully appreciating the joys that come with victory.
Although our goals may differ,
It is in the spirit of the game that we come together for the same purpose.
We must believe in our dreams for this will bring success,
Dream, Believe, Succeed.

Umpires' Oath

In the name of all the umpires,
I promise that we shall officiate in this QISSN Carnival with complete impartiality respecting and abiding by the rules which govern netball, in the true spirit of sportspersonship.

Supporters' Oath

I promise that we shall support this QISSN Carnival with respect of fair play and the rules which govern netball in the true spirit of the game.

CQUniversity QISSN SELECTORS

Vicki Wilson, OAM and Australian netball icon, will be in attendance for the duration of the 2023 Brisbane Carnival. Vicki, will be a QISSN All Stars Team selector and more importantly great motivator to our young athletes. Vicki's netball career commenced at the age of 7 at her local netball Club and saw her rise to achieve at national and international levels as a player, captain and coach. Having won a gold medal at the Commonwealth Games in 1998 and three gold medals at the Netball World Championships (1991, 1995, 1999) Vicki went on to coach the Queensland Firebirds. Recently Vicki has been the Assistant Coach to the New Zealand Silver Ferns and the Coach of Fiji. We know Vicki is keen to share her stories of playing and coaching netball, and looks forward to meeting our competing athletes

Tracey Bruce former Queensland Firebird Wing Attack and Centre, Queensland Academy of Sport Netball Coach 2009 and both Queensland and Australian school girl netball representative player will be a selector at the QISSN 2023 carnival. Tracey played in the Queensland Primary Schools Team in 1980 and the Queensland 15 Girls Team in 1982 and Australian Girls Team in the same year. She also played in the Queensland Open School Girls Team in 1983 to 1986 and both the Queensland and Australian 17 and under team in 1985 and again in 1986. She continued to represent both Queensland and Australia in the 19 and under, 21 and under and Open teams until 1999. In 1991 and again in 1992 she was awarded an Australian Institute of Sport scholarship. We warmly welcome Tracey and acknowledge the expertise she will bring to our carnival

Academy is here to make it easier for you.

We've learnt a lot in our almost four decades of business and we continue to evolve and shape our services and products by listening to you.

Whilst every school is unique, many schools face the same difficulties; Be it School Photography, Yearbooks, Brochures, Stationery Printing, Graduation Certificates, Pull Up Banners, Uniform Cards, ID Cards or even Student Attendance & Record Keeping, Academy can help!

ACADEMY is a name that is synonymous with School Photography and that's understandable, we are proud to have been in the business for 40 years!

There are many other suppliers out there desperate for your business, but you need to know that Academy is different, we are committed to spending time with you to build a relationship.

Relationships are the very reason we sponsor and support QISSN. If you don't already use Academy we hope that you might consider supporting us!

As our current clients will attest to, we listen to your needs, Academy will never take you for granted and we will deliver the exceptional level of service that your school absolutely deserves.

Age Eligibility

To play at a QISSN carnival players must be enrolled in secondary school at your college and must be turning 19 years or less by 31 December in the year of play. Students turning 20 years or more during the year of play are ineligible.

Alcohol Policy

QISSN recognises that consumption of alcohol is not appropriate during the conduct of sporting activities, especially when children and young people are involved.

Consumption of alcohol is therefore prohibited within the boundaries of the carnival while any student is present.

Anti-Discrimination Policy

QISSN does not tolerate any form of discrimination. Complaints or suspicions of discrimination will be dealt with promptly and seriously, with a view to alleviating issues with care and concern for all involved.

Anti-Harassment Policy

QISSN does not tolerate any form of harassment. Complaints or suspicions of harassment will be dealt with promptly and seriously, with a view to alleviating issues with care and concern for all involved.

Braces on Teeth

QISSN advises any participants that have braces on their teeth to consult their orthodontist or other relevant medical practitioner before participating in netball activities to ensure that they do not pose a risk to themselves or other players.

Concussion Policy

If a concussion is suspected, a standard primary survey and cervical spine precautions should be used. Once safe to do so, the player must be removed from play and assessed in a quiet, safe environment. The player must be monitored closely and taken to seek medical attention if not already provided. If the player remains asymptomatic, they can return to play after obtaining a written clearance from a medical doctor. Once returned to play, the player must be monitored for evolving signs of a concussion.

A player may only return to the field of play after being cleared by a medical practitioner. If a doctor is not present at the match the player must remain out

of play until they have had a chance to be medically assessed.

If a diagnosis of concussion is made the player must be removed from play until such time medical clearance is provided.

Complaint Handling Policy

All allegations of a serious or criminal nature will be reported immediately to the police or relevant agency or authority. Under no circumstances will QISSN conduct its own investigations into any serious allegations or allegations of a criminal nature.

For complaints which are not of a serious or criminal nature, QISSN will follow these guidelines:

- Details of the complaint will be documented in writing on the form on page 17 and given to a member of the QISSN Executive Committee.
- The details of the complaint will be conveyed to the person/people complained about (respondent(s)) in full. The respondent(s) must be given sufficient information to enable them to properly respond to the complaint.
- The respondent(s) will be interviewed and given the opportunity to respond.
- The respondent(s) response to the complaint will be documented in writing.
- If there is a dispute over facts, statements from witnesses and other relevant evidence will be obtained to assist in a determination.
- The association will make a finding as to whether the complaint is:
 - Substantiated (there is sufficient evidence to support the complaint); or
 - Unsubstantiated (there is sufficient evidence to show that the complaint is unfounded); or
 - Mischievous, vexatious or knowingly untrue.

A report documenting the complaint and summarising the investigation process and key points that were found to be substantiated, inconclusive, unsubstantiated and/or mischievous will be prepared along with the recommendations for future actions.

Strict confidentiality, impartiality, fairness and due process must be maintained at all times.

Heat Policy

The QISSN Executive Committee may stop, cancel or postpone training or competition if it is deemed by the committee that the temperature is too high for participation in netball. It is recommended that all participants drink sufficient amounts of water before, during and after exercise at any time to remain hydrated. **Injury and Incident Policy**

All incidents and injuries occurring within QISSN carnival or during events in which QISSN is involved, must be reported to the QISSN Executive on the Incident Report Form attached (Appendix E).

Jewellery Policy

Participants must not wear jewellery or any other object or article of clothing that poses a threat to themselves or any other player, except for a medical bracelet (which must be taped).

All piercings are prohibited, even if taped. Any players with piercings taped or un-taped will not be allowed to take to the court.

No gloves or taping of nails.

Pre-game Umpire Check

Umpires acknowledge they have received their game allocation by email or text and are OK to fulfil their rostered games (Failure of an umpire to fulfil their allotted games will incur a \$33 per game fee for the school as instructed by QISSN)

Umpires report to the umpire's room upon arrival at the venue at least 30 minutes prior to the start of their first game and sign an attendance sheet, and umpires will need to sign for each game they umpire.

Umpires will move from the umpire's room approximately 10 minutes prior to the scheduled start to their allocated court with the umpire they are umpiring with and will remain with the other umpire for the entirety of the game and will return to the umpire's room upon completion of the game.

Umpires will be responsible for ensuring the court and surrounds are safe for the game to commence by inspecting the court and surrounds. With player and spectator movement around courts, court conditions can change from game to game.

Safety On / Around Courts

To ensure the safety of all the following guidelines are expected to be followed by ALL players, officials, parents and general spectators when entering the court floor:

BAGS

Allowed

Team kit bags and must be stored safely away from the sideline.

Personal handbags that must remain either on the individuals shoulder or lap throughout the entire game.

Not Allowed

School bags, back packs or similar are not allowed inside on the court floor due to limited space.

SEATING and VIEWING

Allowed

Please remember priority is given to teams and officials and they WILL NOT share bench space with spectators.

Viewing for spectators on the court floor is ONLY AVAILABLE to those who manage to get a seat.

Not Allowed

There is no standing or sitting on the ground between courts or in the main walkway.

QISSN carnivals will be played under the Rules of Netball issued by the International Netball Federation unless otherwise stated.

Carnival Officials

The carnival will be officiated by the QISSN President and Host School Convenor. The QISSN Executive Officer will assist the QISSN President in this process. Disputes will require completion of the official QISSN Grievance Form by the Team Manager. Carnival officials' decision will be final.

Code of Conduct

QISSN is committed to ensuring the safety, welfare and wellbeing of all involved in the carnival is maintained at all times. The Netball Queensland Part A Codes of Behaviour has been adopted and will be enforced throughout the carnival.

Teams

Teams this year will consist of up to 12 nominated players. Due to current covid impacts, some concessions will be permitted regarding players. Teams with players who are directly impacted by covid due to either testing positive or complying with the isolation rule will be permitted to use players from other schools if mutually agreeable. All player changes MUST be recorded on the score sheets.

Blood Rule

An umpire is required to call time when no 'on court' player has called time and the umpire observes that a player is bleeding or there is blood on the court, ball or any other player. A bleeding player must be replaced immediately. Before any player may retake the court (after a goal has been scored):

- The flow of blood must be stopped; and
- Any wound must be cleaned or covered; and
- Any bloodstained clothing must be cleaned or removed; and
- The ball and court must be cleaned before any play restarts, if necessary

Concussion Rule

During any game, a player who suffers from a concussion is not permitted to play for the duration of the day until a written clearance from a doctor is provided to the QISSN Executive. Please refer to the Concussion Policy in the Policy and Procedures section of this handbook.

Injury

During any game, injured players must leave the court and they can be replaced immediately. Players may change positions after an injury occurs.

No injury time except for the Division 1 Grand Final when the International Netball Federation Rules of Netball will apply.

Games

All games, excluding the Division 1 Grand Final will be 2 x 12 minute halves with 2 minutes between halves and a 4 minute changeover time between games.

The Division 1 Grand Final will be played 4 x 12 minute quarters with a 2 minute break for 1/4 and 3/4 quarter time and a 4 minute break for half time

Equal Points

If two or more teams have gained equal points at the completion of the Divisional Games, placings for Quarter Finals shall be decided by the best for and against ratio.

Extra Time

In the Quarter Finals, Semi Finals and Grand Finals (except Division 1), if there is a tie at the end of full time then there will immediately be 2 x 3 minute halves played with no break between halves, with a change of ends. Rolling substitutions will continue as per guidelines below (normal injury protocols also apply). If the game is still drawn at the completion of extra time the game will continue until one team has a two-goal advantage.

Rolling Subs

Rolling substitutions to apply to all fixtures. The substitute player must stand close at their team's bench to indicate a substitution is to take place. The player must be wearing the bib of the position they are taking.

Before leaving the substitution area, the player must tag hands with the player being replaced ensuring all offside rules are observed and neither player should interfere with the game or umpire. There is no limit to the number of rolling substitutions in a game.

Division 1 Extra Time

In the case of a draw in the Div 1 Grand Final there will be 2 x 6 minute halves with players to change ends at the completion of the first half of extra time and the game continues. Rolling substitutions will continue as per guidelines above (normal injury protocols also apply) and if the game is still drawn at the completion of extra time the game will continue until one team has a two-goal advantage.

ALL-STAR / RISING STAR SELECTION AND MVPs - Numbering of players

Please use the marker provided to number your players as per their number in the program. For the ease of selectors and for when coaches are selecting MVPs at the end of each game, please write the player's number on both calves, and both upper arms.

Most Valuable Player

Coaches/Managers from each team are to nominate one player from their own team AND one player from the opposing team as the Most Valuable Players from that game. A tally of votes will be kept and the player from each team with the most votes at the end of the carnival will receive the Most Valuable Player Award for their team.

Player of the Carnival

The award for Player of the Carnival shall be decided by the Selectors.

Points

Points shall be awarded as follows:

- Win by 5 goals or more **5 points**
- Win by less than 5 goals **4 points**
- Win on forfeit **5 points** with a given score of 15-0
- Draw **3 points**
- Loss by less than 5 goals **2 points**
- Loss by 5 goals or more **1 point**
- Loss on forfeit **0 points** with a given score of 0-15

Umpires at QISSN

All umpires at QISSN have a National C Badge qualification or higher. A roving Umpire Mentor will be on the games floor each day to assess umpires, coach umpires and give feedback where required.

Umpires will be allocated their schedules prior to the start of each day and the Umpire schedules have been taken into account in game allocation. The Umpires will be reallocated pool games as determined by the Umpire Mentor. Umpires will be required to see the Umpire Admin Convenor for scheduling/signing in and any other administrative requirements as determined by the Mentor.

Captains may approach the umpires at half time or after the game to ask questions relating to the rules of netball or the interpretation by the umpires on court.

Any player/official found guilty of disputing the Umpire's decision or otherwise misconducting her/himself, may be liable to be disqualified, suspended, or fined for such time and/or amount as may be decided upon by the Carnival Officials.

Score Cards

Score sheets will be used alongside Netball Connect. Score Sheets will be available on each scorer's bench.

Paper Copies of the score sheet are required to be handed to the information desk by the competing schools immediately following the match

Dates
SUNDAY 25TH JUNE – Friday 30TH JUNE
Host School
St James College, Brisbane
Opening Ceremony
Nissan Arena 590 Mains Road, Nathan, QLD 4111
Carnival
590 Mains Road, Nathan, QLD 4111
2024 CQUniversity Carnival
St Margaret Mary's College, Townsville

WE SEE YOU GETTING AHEAD

WITH START UNI NOW

Kickstart your degree with Start Uni Now (SUN), a CQUniversity initiative that allows you to study university-level units while in Years 10*, 11 and 12.

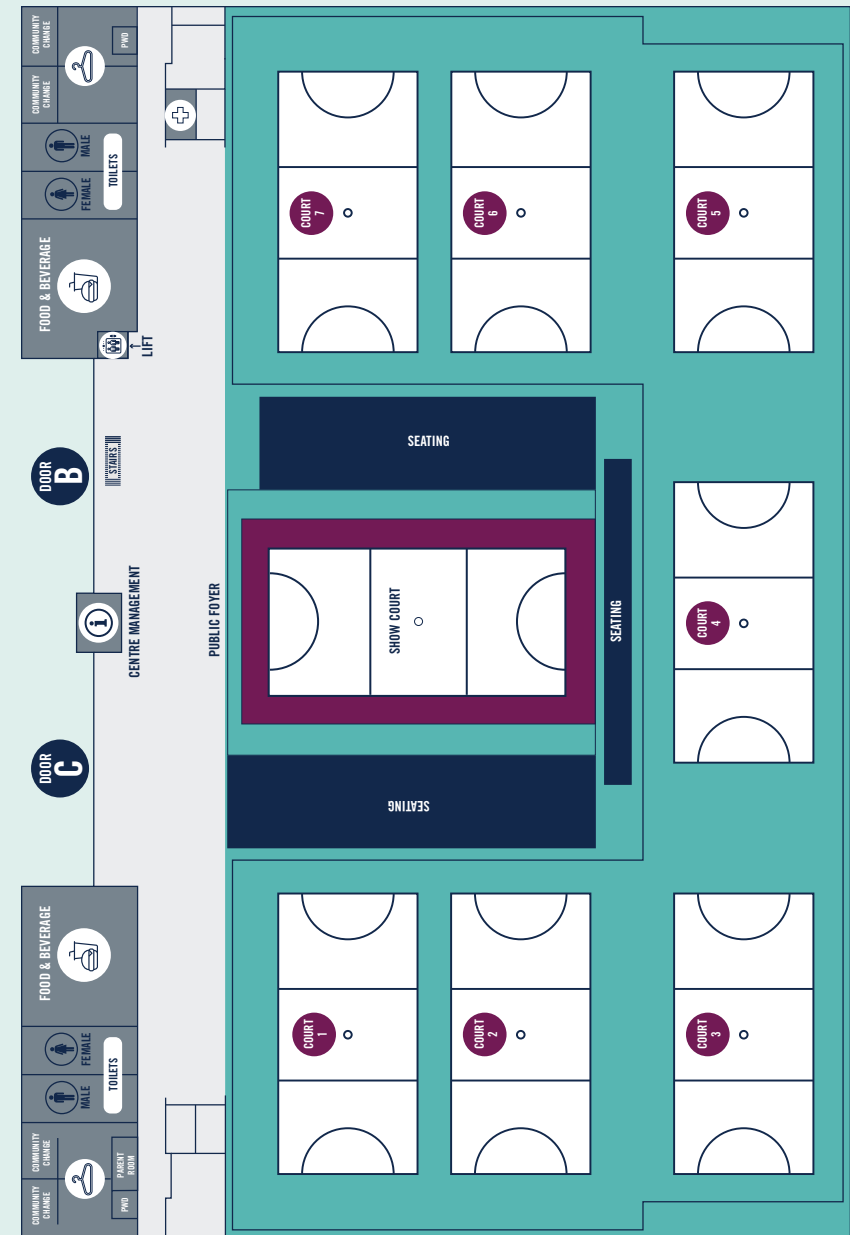

You'll get an insight into the expectations of university study, and successful completion of SUN study may make you eligible for direct entry^ into your chosen course and credit towards your degree.

Find out more
www.cqu.edu.au/sun

*Year 10 students are eligible for Term 3 enrolment only.
^Conditions apply. Some courses are not eligible for direct entry. Visit cqu.edu.au/sun for full details.

BE WHAT YOU WANT TO BE

Virtual Group Photography

It's an easy choice to make for...
a safer and easier photo day experience

Special offers for new customers
Book now for 2024

BENEFITS OF OUR VIRTUAL PHOTOGRAPHY

- A safer and easier process, no group gatherings required
- Minimise contact risk to staff and students
- Social distancing can be maintained throughout the school photo day process
- Absentees can be photographed at a later date and included in the group photo
- Sporting and specialty group photos can be created without additional photo sessions
- Photos captured in convenient location, avoiding inclement weather, wind, heat and rain
- Individuals have the opportunity for their best expression to be used in the final product
- No limit to the number of people in a group photo, perfect for Whole School photos
- No more stands and scaffolding

Let us make your photo day safer and easier

EXPERIENCE

OPPORTUNITY

Our teachers foster a love of learning across a range of subject areas to ensure our students are challenged to be their best.

Our schools offer excellent resources, programs, and facilities to meet our students' needs. Students from Prep to Year 12 have access to the latest technology, ensuring they have the best opportunity for continued learning and improvement.

TAFE AND UNIVERSITY QUALIFICATIONS

History of Divisional Awards Naming

Division 1 Trophy

Named: QISSN Cup

Division 2 Trophy

Named: Lara Nilsson Trophy

Lara Nilsson, former student of Clairvaux MacKillop College and QISSN competitor, Brisbane went on to represent the Queensland Fusion/Firebirds as defender in 2008, 2009 and 2011. Now retired from professional netball but still living in Brisbane, Lara is a secondary maths teacher.

Division 3 Trophy

Named: Candice Adams Trophy

Candice a registered nurse now living in Melbourne, began her love of netball as a student of Marymount College, Gold Coast. During her time at school, Candice played for Marymount College in the QISSN carnival. She began her elite netball debut in the final round of the Commonwealth Bank Trophy in 2007 taking the court for the Queensland Firebirds. In 2009 Candice was involved in the Australian Institute of Sport netball program before returning home to Brisbane in 2010 to play in the Holden Cruze Cup. She was contracted to the Queensland Firebirds for the 2011 season.

Division 4 Shield

Named: Ameliaranne Wells Shield

Born in Bundaberg, Ameliaranne started playing netball from the age of 12. Playing netball at high school, Ameliaranne competed in the QISSN carnivals. She was contracted to the Queensland Firebirds from 2011 to 2014 and was a great part of their success and ANZ Championship trophy win. Since then, Ameliaranne has represented the New Zealand Silver Ferns however has withdrawn from the 2017 season as she is expecting her first baby

Division 5 Shield

Named: Beryl Friday Shield

Beryl Friday is an indigenous Australian and was a student of Gilroy Santa Maria College. She represented her school at QISSN in years 8 and 9 before enrolling at St Margaret's Anglican School. Beryl went on to play in the 17 years and under AND 19 years and under Queensland teams as well as the Australian under 21 team. Beryl played for the Queensland Firebirds in 2016 and this year played for the Northern Territory Storm in the National Netball League. She is studying teaching.

Division 6 Shield

Named: Sally Butters Shield

Sally Butters competed at the 2006 QISSN carnival representing St Rita's College who won the Division 1 QISSN Cup that year. In the same year Sally was awarded the Player of the Carnival. Sally went on to have a highly successful netball career playing in the ANZ Qld Fusion Team from 2008 – 2014. Sally now works teaching in a Brisbane secondary school and is involved in their netball academy.

Division 7 Shield

Named: Jemma Mi Mi Shield

Jemma Mi Mi competed at the QISSN carnival representing Carmel College and debuted in 2017 for the Queensland Firebirds. A former Australian touch football representative – Mi Mi can turn a game in an instant with her lightning speed and quick footwork. Jemma is currently studying a Bachelor of Clinical Exercise Physiology and then wanting to study a Masters of Education at QUT

Participating Schools

ALL SOULS ST GABRIELS SCHOOL

is a co-educational day and boarding school in the Anglican tradition. All Souls was established by the Bush Brothers of St Barnabus in 1920 as a War Memorial School. St Gabriel's was established in 1921 by the Sisters of the Sacred Advent. Both schools had a strong sporting tradition, and this has continued since the two schools joined to become All Souls St Gabriels School in 2000. All Souls St Gabriels School students have been heavily involved in netball in the North Queensland region for many years. In 2007 we joined the QISSN competition and since then QISSN has been a sought after experience for many girls at the School. We look forward to playing a week of tough and good-spirited competition this week.

AQUINAS COLLEGE is a coeducational school on the beautiful Gold Coast. As our school song suggests, we are bordered by blue water and flanked by the green of the mountains. Netball is a popular sport amongst our student population. We compete regularly against other Catholic and Independent Schools each week. This year, the team have also prepared for QISSN by competing in a local ladies competition every Thursday night. Additionally, the students will compete in Catholic Cup and the Vicki Wilson Cup.

Aquinas College players, coaches and managers wish the best of luck to the other competing teams. Have a fantastic week!

ASSISI CATHOLIC COLLEGE is a co-educational P – 12 College located at Upper Coomera on the Gold Coast. Established in 2005, the school has more than 1400 students enrolled. As a Franciscan community, Saint Francis and Saint Clare are important figures within the College. The College motto “Peace through Justice” reminds the community of the call to seek peace and justice through education in the Catholic faith, living our Gospel values and to be socially and ecologically just.

Assisi’s netball program began in 2008. The Open Team has competed at QISSN since 2009 and in 2012, the team achieved its best result finishing 4th in Division 3. In 2013, we played in a nail biting Division 4 Grand Final. This year, Assisi is bringing an enthusiastic and motivated team to the carnival and our girls are looking forward to a tough, yet fun competition.

ASSUMPTION COLLEGE WARWICK is a vibrant, and distinctively Catholic, learning community, it can trace its origins back as far back as the 1870s. Assumption College enlivens the charisms of Catherine McAuley, through the Sisters of Mercy; Edmund Rice, through the Christian Brothers; and Mary of the Assumption, as expressed through our interconnectedness to our Parish. The rich heritage which is provided by these charisms allows Assumption College to thrive within its motto of “Truth and Love”.

At Assumption College, we believe that education must be liberating, empowering, and nurturing. It is grounded in the unalienable belief that we are made in the likeness of God, and as such, are deserving of the dignity and respect afforded to all His creations. What this means is that we are committed to ensuring the academic and wellbeing success of our students through a rigorous, authentic, and responsive curriculum. Furthermore, we ensure that our dedication to exemplary teaching practice leads to the continuous improvement in our students’ learning outcomes. As such, Assumption College offers a diverse range of subjects that are uniquely tailored to the individual needs of our students and our context. Assumption College recognises that it is through a liberating education that our students can confidently thrive in any environment of which they choose to belong.

Empowerment of students is witnessed through their encouragement to enliven our motto of “Truth and Love”. A well-considered and responsive pastoral program is delivered to ensure our students are able to build authentic and life-affirming relationships with each other and those around them. Students are encouraged to experience a variety of different learning and wellbeing opportunities, to discover their individual gifts and talents. These include sporting, spiritual, cultural, and academic pursuits. Through our values of Justice, Wisdom, Generosity, and Compassion, our students are challenged to be engaged in a full and flourishing life, whilst with us and beyond.

Our dedicated staff support and challenge our students in a nurturing manner, to ensure the College caters for their holistic needs. As such, positive role modelling and a commitment to ensure a consistent implementation of all policies and procedures is maintained. As a staff, we are cognizant of the need to ensure that our students are able to recognise the significance of their human spirit and call them to live a life of service to enhance their community.

The facilities and resources of Assumption College are a testimony to our unerring commitment to being prudent stewards of the physical, human, and financial resources bestowed upon us. With this commitment, comes a responsibility to ensure that we are sustainably resourced, to enhance the learning and wellbeing outcomes of all our students. I invite you to explore Assumption College, Warwick, and witness for yourself our commitment to honouring the inherent dignity of all our community. It is through our commitment to a liberating, empowering, and nurturing educational experience, that we are able to realise the potential of all our students

CALVARY CHRISTIAN COLLEGE is an independent, dual campus, Early Years – 12 school at Carbrook and Springwood. The College offers a unique learning environment with a relentless commitment to ensuring each student's diverse needs are catered to. We commit to encouraging each child to be a fearlessly authentic learner who steps into every opportunity to grow and learn. Calvary Christian College exists to provide education that encompasses the academic as well as personal growth of the whole child, delivered through the lens of a clearly articulated Christian World view. Such education in all its fullness seeks to draw all students into the journey of discovering fully who they are.

CANTERBURY COLLEGE is co-educational independent school with an Anglican ethos. Originally named the College of the Good Shepherd, the College was opened in 1987 and is situated in Waterford along the Logan river.

Our vision is to inspire and nurture confident, optimistic and compassionate young people who are ready for the world. Our six College values: Respect, Integrity, Community, Scholarship, Compassion and Social Responsibility are pivotal in all aspects of our community.

Canterbury are proud of our Netball Academy. A strong curriculum program combined with a wide selection of co-curricular opportunities; Canterbury College Taipans Netball brings together innovation, performance, wellbeing and community.

We are honoured to be associated with QISSN and can not wait to be a part of the 2023 Carnival experience.

CARMEL COLLEGE, established in 1993, is the only co-educational Catholic Secondary College in the Redlands. In living out the College motto "Let Your Light Shine", Carmel College actively promotes a wide range of learning and teaching; active engagement in co-curricular programs – sports and arts; and numerous outreach opportunities. Current enrolment stands at over 1200 students, from Years 7 to 12. Situated in the Redland Coast we have a strong connection to the islands, which is important for our Indigenous and Torres Strait Islanders students.

Carmel College entered the QISSN competition in 2013 and successfully hosted the 2015 carnival. The College has a long tradition of netball involvement, including competing in local competitions throughout the year such as Catholic Cup, Vicki Wilson Cup, as well as participating in the Southeast Colleges Association (SECA) competition. Carmel College has developed strong players who have gone on to represent at state level and for the Queensland Firebirds. With this success in netball, we are excited that in 2023 will be entering our first boys' team into the competition. Both our girls' and boys' teams have been training hard and have had success at local school tournaments already this year. Our sporting program is based upon fair play, respect for teammates and opponents, participation, and enjoyment. This year Carmel College is excited to be competing with a young, developing team. We extend our best wishes to all teams, and hope everyone has an enjoyable week of netball and friendship.

CHISHOLM CATHOLIC COLLEGE

is a co-educational school located in Cornubia south of Brisbane. Our College is a bright and vibrant faith community. As a College community we strive to 'Live Christ's Challenge' and pursue ambition, commitment, faith, integrity, love and mercy. To 'Live Christ's Challenge' means not to be superior to others but to be superior to oneself, to recognise that the best of us lives inside and there is always more we can be.

The Chisholm Netball Academy is constantly developing and nurturing its young netballers and have seen success in a variety of competitions across South-East Queensland. We are proud of our Netball Academy and pride ourselves in our involvement in the QISSN competition as we enter our 14th year of competition. Our team this year form a determined and committed squad who are keen to make their mark.

We as a team we are striving towards our goals and look forward to taking on the strong teams in QISSN 2023.

We wish our girls and all other competing teams the best of luck.

CLAIRVAUX MACKILLOP COLLEGE

was formed in 1988, when Clairvaux College (Christian Brothers) and MacKillop College (Sisters of St Joseph) amalgamated. Located in Upper Mt Gravatt, Brisbane, Clairvaux MacKillop College is a coeducational Secondary College of almost 1350 students. We are a dynamic learning community, offering a quality faith-based education that is heavily involved in curricular and co-curricular activities. The College has a proud sporting history and our netball teams have been involved in the QISSN carnival since its inception. In 2010 Clairvaux MacKillop College hosted and won the carnival thanks to the great team spirit the College possesses. Our netballers are passionate about their game, and they are renowned for their sporting spirit both on and off the court. We look forward to the 2023 QISSN Carnival and wish all players, officials and staff the best of luck

COLUMBA CATHOLIC COLLEGE College inspires day and boarding students, in a climate of Courage, Commitment and Compassion to grow in faith, purpose and knowledge. Founded on Catholic traditions, the College encourages students to use their gifts and talents to pursue excellence and to be a “Light to the World”. Netball is a popular sport at our College. We compete in the local schools’ competition in Charters Towers and have prepared for QISSN by competing weekly in the town competition. This year, Columba is bringing a passionate and enthusiastic team to the carnival, who are looking forward to a challenging, yet fun competition.

Columba players, coaches and managers wish everyone competing the best of luck and hope you shine this week!

COOMERA ANGLICAN COLLEGE

We have a holistic approach to education by embedding well-being at the core of the curriculum. Inspiring excellence is a powerful and ambitious statement, which despite its simplicity is multi-dimensional. When applied to our understanding of well-being it requires us to provide a safe and engaging learning environment in which all members of the College community can flourish. The Coomera Anglican College Netball Academy is an elite based training environment created to encourage and nurture the best performance from all athletes. Our Programme provides students from Years 4-12, who display identified netball talent, access to additional coaching and the opportunity to participate in a developmental Netball Programme.

DOWNLANDS COLLEGE was founded by the Missionaries of the Sacred Heart, an Order of religious Priests and Brothers founded by Jules Chevalier at Issoudun, France, in 1854. Downlands College opened in 1931 and is run by the Missionaries of the Sacred Heart with a committed group of teachers and support staff. It began as a boarding school for boys with a total enrolment of 68. Today, it is fully co-educational and enrolls boys and girls as day students or boarders, from all areas of Queensland and beyond. Downlands nurtures a strong religious spirit, marked by the Gospel values of Faith and Community. The College motto is Fortes in Fide, meaning Strong in Faith. Downlands promotes a strong netball program that fosters the development of skills and game play across all year levels. QISSN has continually provided a positive experience for our teams offering the opportunity to foster team spirit and develop team dynamics.

EMMAUS COLLEGE is a P-12 school, catering for over 1550 students. Located in Jimboomba, Emmaus College is a Christian school (owned and administered by Brisbane Catholic Education) representing a unique partnership between the Anglican, Catholic, Lutheran and Uniting churches. It is a vibrant college with purposefully designed learning spaces, beautifully landscaped gardens, an innovative curriculum, and a warm and friendly atmosphere, characterised by respectful, positive relationships.

In 2023 the College has a particular focus on being courageous, of looking to the future with a hope-filled attitude that equips students through well-crafted academic, sporting, spiritual and cultural programs. Students at Emmaus appreciate and value the opportunity to develop new knowledge and skills, greater self-confidence, a clear sense of personal identity, and an understanding of their role in a globalised world.

Emmaus College, Jimboomba is thrilled to be invited to join the prestigious QISSN carnival. Our inaugural 2023 team are excited, motivated and eager to improve their skills and experience the competition and comradeship offered during this tournament. Sincere thanks and best wishes to all involved – here's to a wonderful week of Netball!

EMMAUS COLLEGE was established in 1983 as a co-educational college for students in years 11 and 12. In 1993 it merged with the nearby junior school Marian/St Stanislaus College to form the present Emmaus College (years 7 to 12), a unique merger in that it was, and still is, the only multi-campus Catholic college in Rockhampton. Emmaus College is celebrating its 30th year as a combined secondary school.

Emmaus College has a strong Netball tradition and has competed in the QISSN carnival since its foundation in 2000 where we contested the division 1 grand final in the inaugural year of 2000 & 2014. The College competes in the local schools' competition with a team that has a huge depth of talent every season.

Emmaus netball teams have enjoyed the opportunity to compete and be challenged by the outstanding netball played during the QISSN carnival. We would like to wish all competing teams the best of luck.

FRASER COAST ANGLICAN COLLEGE

College is a co-educational school with over 800 students from Kindergarten to Year 12. We enjoy a beautiful, natural environment set in the rapidly growing coastal city of Hervey Bay.

Our mission is to provide a high quality learning environment within a Christian community of the Anglican tradition which enriches the Body, Mind and Spirit of each student.

Fraser Coast Anglican College are especially proud of our student's high standards and the education we offer. We have been recognised as the number one regional school in Australia for 2022.

We have a broad range of co-curricular activities in sport and the arts, as well as an extensive outdoor education program of camps, leadership opportunities, service programs and a variety of clubs and activities that provide challenge, extension and stimulation for our students. We encourage and expect our students to participate actively in the life of the College and wider community.

2023 will be year six for Fraser Coast Anglican College to compete in QISSN. Participating in QISSN has enriched our school netball program which has enabled a Middle School and Junior School netball programs to be developed.

Our team comprises of students from years 9 to 12 who have a strong desire to represent their school in Netball while forming new and lasting friendships.

The College is excited at the opportunity to compete in QISSN and is looking forward to expanding the identity of Netball at Fraser Coast Anglican College in the years to come.

GILROY SANTA MARIA COLLEGE

Set in the cane fields of North Queensland on the outskirts of Ingham, Gilroy Santa Maria College offers outstanding educational opportunities to our students within a warm supportive and caring environment. The College is the result of a merger of two secondary Catholic schools, Santa Maria High School a girls' school run by the Sisters of Mercy and Cardinal Gilroy College a boys' school operated by the Christian Brothers. It is a co-educational school of approximately 350 students.

Gilroy has participated in the QISSN carnival since 2004, with enthusiasm in various different divisions. These young talented females have represented the college with pride and have been very fortunate to witness some of the outstanding talent that our school has to offer. We hope this year will be as successful and enjoyable as other years with the dedication of our coaches and managing staff.

GOOD SHEPHERD CATHOLIC COLLEGE

is a co-educational Catholic school in Mount Isa located approximately 180 kms from the Northern Territory border and 1800 kms from Brisbane. Originally a Marist Brothers school, this College was expanded to meet the demands of this rapidly growing mining community. Good Shepherd Catholic College maintains a proud tradition of providing opportunities for young men and women to achieve their best and encourages all students to grow academically, socially, emotionally, spiritually and physically.

This year our team has worked hard at training in an effort to perform at our maximum potential for QISSN 2023. This team has fostered strong relationships and had an opportunity to collaborate with students across all year levels. These talented young women have represented the College with pride, and through their passion of the sport netball, they have been able to develop individually and as a team. Good Shepherd Catholic College is proud to be returning for their 12th year of competition at QISSN full of the North Western Spirit!

GS LC NOOSA first participated in QISSN in 2017 and it has become a highlight in the netball calendar for our athletes to strive towards. As a Prep to 12 school, we pride ourselves on being very involved in the local sporting community and providing pathways to our athletes in their chosen sport. Our school has produced some talented netballers and past students comment that the netball program was a part of their favourite memories at the school with a number of past students returning to give up their time after graduating to coach junior teams. We have had U17 & U19 Qld State squad netball players, current U17 Australian squad players, an Australian netball player and our head Coach is a past Australian Diamond. We participate in regular local association club games from Net Set Go level to the Vicki Wilson Cup and of course, QISSN. Our current QISSN team is made up of our most talented girls from Year 10 to 12. They have bonded through their love of netball and are very excited to be part of this competition. .

HOLY SPIRIT COLLEGE is a catholic co-educational school situated in Mackay, North Queensland. Guided by our patron, the Holy Spirit, as a school we strive to achieve a positive community for all, laying the foundation for our students. Netball is the sport of choice for many students at HSC, with the emphasis on participation, team spirit and having a go!

Committed coaches and managers work with students, to help them improve their skill level, so as to achieve their best.

The QISSN carnival is the highlight of our year, and we are looking forward to experiencing a competitive week of games.

MARIST COLLEGE EMERALD is a Catholic Co-educational College situated in Emerald, Central Queensland, located three hours west of Rockhampton. The College is built in the Marist Brothers' tradition, and is characterised by a strong family and community spirit.

The College was founded in 1996 and currently has over 580 students in Years 7-12, of whom many travel from outlying country towns to attend the College. The College is a faith community teaching Gospel values, which nurture the giftedness and dignity of each person.

Marist College have been attending the QISSN Carnival since its inception. The College netball team participate in local competitions, generally competing to a high standard but do not have regular opportunities to compete against other schools. As a result, the QISSN carnival is always the highlight of the netball year and the girls always look forward to an excellent competition.

In 2023 we have a motivated and enthusiastic group representing the College in our QISSN team. The girls have been training very hard in preparation for the carnival since the beginning of the year and we look forward to competing at QISSN this year. The players and staff of Marist College Emerald would like to wish all QISSN participants the best of luck for the fun and challenging week ahead.

MARYMOUNT COLLEGE is a large, co- educational catholic school located in Burleigh Waters on the Gold Coast. Marymount provides a happy, safe and supportive environment to meet the needs of each student, in close partnership with their families. The school offers an extensive range of academic, cultural and sporting opportunities for students. The College is committed to ensuring the Gospel values of respect, care, inclusivity, forgiveness, faith, hope and love are reflected in the minds and hearts of its community members. Marymount encourages employment and academic readiness for life after school.

The College has a long and proud sporting tradition, participating in many local competitions and representative sports. Past students have further represented in their chosen sport at state, national and international levels. Marymount continually exhibits a fierce competitive spirit and skill in sport.

Marymount has been competing in QISSN for several decades and looks forward to continued success. Marymount has won the Lara Nilsson Trophy three times recently. We take great pride in the way our girls present themselves and represent our College. We strongly believe in the wholistic benefits that sport provides our students, in particular the collaboration across year levels. Our girls are keen to further develop their netball skills and enjoy the high standard of competition and comradeship offered by QISSN. Our team has worked hard at training and fostered strong relationships with one another. The QISSN Carnival is a highlight of our netball year and we look forward to competing in Brisbane this year.

MATTHEW FLINDERS ANGLICAN COLLEGE is a vibrant co-educational, independent school located in Buderim on the Sunshine Coast. Catering for 1400 students from Preparatory Year to Year 12, its focus is on fostering learning for life. The college is very proud of its strong academic record, and the breadth of opportunities offered to students in music, art and drama. Flinders also runs an extensive co-curricular program, including a strong netball program. Netball is the sport of choice for many of the female students who attend Flinders. In 2023 we have 15 teams competing in the Sunshine Coast Secondary Schools' Netball Competition from Year 7 through to Year 12. Matthew Flinders Anglican College is pleased to be making another appearance at the QISSN tournament in 2023, it is truly a highlight of the year to play in this enjoyable and challenging carnival each year.

MOUNT ALVERNIA COLLEGE has provided high quality education in the Franciscan tradition for young women for more than 60 years. Taking its name and spirit from Saint Francis of Assisi, the College actively promotes the Franciscan values of love, simplicity, joy and respect for all creation in all aspects of the College Community, whether it is in the classroom, on the sporting field, through music, or in the various outreach programs which the College supports.

The emphasis of our sporting program is on participation, co-operation, team spirit and having fun. Students of all abilities are involved and there are opportunities for talented students to be selected for representative district, regional and state teams. Committed coaches and managers work with students to help them improve and achieve their best in their chosen sports.

MT MARIA COLLEGE is a Catholic Coeducational Secondary College with approximately 1125 enrolments situated in Mitchelton, Brisbane. Although a systemic school, Mt Maria values the Marist tradition upon which the College was originally founded in 1978. Mt Maria College is proud of the fact that we are one of the foundation schools of QISSN and have not missed a Carnival since its inception in 2000, with 2023 to be recorded in history as we proudly offer Senior Boys the opportunity to represent the College at the QISSN Carnival. Our best achievements at QISSN include winning the Division 2 Lara Nilsson Trophy in 2002, Division 5 in 2012 and Division 4 in 2016, with special mention to our third placed 2022 Division 5 side. The College is always extremely proud of the students that take the court for Mt Maria College at QISSN and we look forward to a strong 2023 campaign.

OUR LADY OF THE SOUTHERN CROSS COLLEGE is a Prep- Yr12 College. Prior to 2008 St Columba's, established by the Sisters of Mercy in 1877, was the primary school and St Mary's, established by the Christian Brothers in 1962, was the secondary college. Our primary purpose is to provide quality education within the framework of the Catholic Christian tradition. The whole College community - staff, parents, pastors and students - works in partnership to achieve this end. Current enrolment stands at approximately 295 in the Senior School. Our Lady of the Southern Cross first attended the QISSN Carnival in 2017.

RYAN CATHOLIC COLLEGE is a co-education P-12 College that was established by the Catholic Diocese of Townsville in 1979 to serve the rapidly developing areas on the outskirts of the city and the corridor development of the Upper Ross area. Ryan Catholic College is now Townsville's largest Catholic College, with enrolments of approximately 2,000 students and 255 staff. The school's size means students are offered a great depth in academic, sporting and extra-curricular pursuits. The school maintains a special caring culture by supporting individual students and their families and offering students the broadest range of academic, sporting and pastoral care available. Our connection with the QISSN Netball competition began in 2008 and in our history, we have had the honour of hosting QISSN twice (2013 and 2018). This carnival provides students with the opportunity to see netball played at a high standard and foster great sportsmanship and friendship. We look forward to another great carnival and wish all players the best of luck.

SAINT MARY'S CATHOLIC COLLEGE, KINGAROY, is a P-12 co-educational Catholic College located in Kingaroy in the South Burnett Region. Netball is a popular sport in the local region, however there are limited opportunities locally for our netball team, so the school team has to commit to travel considerable distances on a regular basis to gain the level of competition required for students to perform at their best.

The College was one of the inaugural teams to participate in the QISSN competition and have been competing every year since. 2023 will see the College entering both a male and female team for the first time, some of whom are playing their first season of netball this year. For a school with just 170 students in our high school we are so proud to have two teams compete in QISSN this year.

This carnival provides students from rural regions such as ours with the opportunity to participate in a carnival where netball is played at such a high standard and we are so grateful for this opportunity. We offer our best wishes to all teams and hope they all have an enjoyable and successful week of quality netball.

SHALOM COLLEGE BUNDABERG is a co-educational day school for year 7-12 students with a student population of approximately 1600. Shalom College aims to create a loving community in which the Gospel values are practised by word and example. The college was founded in 1984 with the amalgamation of the former Mercy Sisters School, Loyola College and by the Christian Brother's College, Bundaberg. Shalom instigated the QISSN carnival with the intention of providing a week-long competition for girls in parallel with the boys' Confraternity rugby league carnival. Shalom College has had great success during the QISSN carnival taking out the Division 1 title in 2008 and 2009 and winning the Division 3 title at the 2018 carnival. After successfully hosting the 20th anniversary QISSN carnival in 2019, Shalom College's Girls and Boys QISSN teams are very much looking forward to another QISSN competition and hope to achieve more on-court success and create some memorable experiences in Brisbane in 2023.

SIENA CATHOLIC COLLEGE is a co-educational school situated at Sippy Downs on Queensland's Sunshine Coast. Opened in 1997, it caters for students in Years 7-12 and has an enrolment of 1000 students. It shares its campus with Siena Catholic Primary School, which is Prep-Year 6. Siena is named in recognition of St Catherine of Siena (1347 – 1380), described by the Dominican Sisters as "a mystic, theologian and lay woman who was one of the most socially active, most publically influential and most theologically piercing woman in the history of the Church". The College aims to educate the whole person: intellectually, physically, emotionally and spiritually. The college badge sums up the ethos that Siena seeks to establish and maintain: PRAYER, CARE and LEARNING. Within this context, the school community strives to promote and uphold Christian values and to foster and applaud the talents and potential of each student. This is our 11th year competing at QISSN and look forward to another great week of netball.

SOMERSET COLLEGE is a co-educational, independent, non-denominational Christian day school located in Mudgeeraba, Queensland, Australia. Established in 1983 the College has grown and now caters to more than 1700 students from Pre-Prep to Year 12. Somerset is unique in Queensland, being an International Baccalaureate World School offering the Primary Years Programme (PYP), the Middle Years Programme (MYP) and the Diploma Programme (DP) - an alternative to the Queensland Studies Authority programme in Years 11 and 12. The International Baccalaureate aims to develop inquiring, knowledgeable and caring young people who help to create a better and more peaceful world through inter-cultural understanding and respect. At Somerset, we develop engaged global citizens who aspire to excellence, demonstrate integrity and value difference.

SOUTHERN CROSS CATHOLIC

COLLEGE is a learning community which aspires to growth in knowledge, love and service in the presence of God.

We are a Prep to Year 12 day school offering families a co-educational pathway to life-long learning. The College was founded in 1995, following the amalgamation of the Catholic primary and secondary schools in the Moreton Bay Region. Today, the multi-campus College operates as the principal Catholic College on the Redcliffe Peninsula.

The QISSN Carnival is always a highlight of our netball year and the girls always look forward to the fun, the experience and the excellent competition.

Many thanks to the QISSN Executive for their tireless efforts, as they continue to provide the opportunity for schools to compete at such an elite level. We wish all teams the best of luck for the competition.

In 2023, St Catherine's is excited to be back after last year being awarded the coveted Captain Vivian Bullwinkle Trophy. We were extremely proud to be recognised as the team who displayed the best sportsmanship throughout the 2022 tournament.

ST CATHERINE'S CATHOLIC COLLEGE

is a P - 12 College located in the beautiful Whitsundays. The school has a long history as a Primary school, opening in 1925. In 2013, the College began the journey of offering secondary education. We are celebrating a decade of the College's secondary education in 2023. The school has always had a strong Mercy charism and with the recent opening of the Secondary College the school has also included the core values of Ignatian spirituality.

In 2018, St Catherine's Catholic College debuted at QISSN with a late entry into the Townsville Carnival. Last year we competed with our first ever boys team, who were runners up at the carnival. This year's girls team has participated in a number of QISSN carnivals, so we are looking forward to seeing them take to the court. We thank our host schools for all their effort in hosting the carnival.

The Christian Brothers established St Columban's College as a College for boys in Albion Heights in 1928. In 1996, the College, under Brisbane Catholic Education, became co-educational in reparation for the relocation to its present location in Caboolture in 1997. The College has grown greatly in its 27 years at Caboolture to a school of 1160 young men and women. We pride ourselves on being part of the Edmund Rice Education network and live the charism of Presence, Compassion and Liberation in all that we do.

St Columban's College entered the QISSN Carnival in 2010 and has experienced some great successes over the last 13 years. The College nurtures a strong and positive netball culture, competing in the

Vicki Wilson Cup and the QLD Catholic Netball Cup. St Columban's College is also a member of the TAS (The Associated Schools) Sports Competition – a Saturday sporting competition with teams from seven other schools in the Brisbane Region.

The College continues to cultivate and nurture young netballers and has a strong relationship with the local Caboolture Netball Association. We look forward to a great week of netball with high standards of competition, sporting spirit along with the creation of great friendships and camaraderie.

St Columban's College is fortunate to have such committed Coaches and Managers who make this an excellent experience for the team and the competition as a whole.

ST JAMES COLLEGE is a co-educational Catholic School (Yr 5-12) in Edmund Rice Tradition (ERA). It was established in 1868 and taken over by the Christian Brothers in 1893, becoming a co-educational college in the 1990's.

As a diverse community, with students from numerous cultural, faith and learning backgrounds, who have high hopes for the future, we 'live and breathe' cultural understanding. St James College shows its passion to see all its students on a pathway to succeed. Its range of offerings in diverse academic subjects, programs, AQTF certificates, school-based apprenticeships, sports, debating and cultural areas provides options enabling our students to reach for the stars, live the "touchstones" and achieve their dreams! Our emphasis is on gaining transferrable skills, micro-credentials, incorporating the power of problem solving, digital prowess and the human heart! This Carnival embellishes many of these skills with its teamwork, friendships and testing of resilience.

The College's globally diverse community is proud of the culture of advocacy, its weekly brekkie to our homeless community, immersion programs and its many other actions on local, national and global levels. The College has expanded its indigenous students and cultural program and has embraced a Pasifika leadership initiative, with increased numbers of students in this group. Its motto of Global Learning-Achieving Aspirations is made real with 70 percent from EALD backgrounds.

We are thrilled to be the 2023 host school and have proudly reached out to our community. After hosting in 2021 and being disrupted by Covid- 19, we are excited to fully host this time. With both the boys and girls teams participating, it has seen our netball program really develop. We thank the coaches, managers and supporters and wish the teams the best in play and camaraderie.

We hope that all teams enjoy the Carnival and remember this Carnival as a "Jimmies" Brisbane experience!

ST JAMES LUTHERAN COLLEGE is an inclusive, coeducational school situated in Hervey Bay. All students at St James Lutheran College enjoy an active sport curriculum and have many opportunities to participate in inter-house and inter-school competitions. A child's experience at school helps to lay the foundation for success in life. Catering for students from Kindergarten to Year 12, the staff of St James believe that they work in partnership with parents to provide this foundation. Students are encouraged to develop to the best of their potential in a caring environment where each child is valued as an individual. St James prides itself on providing students opportunities to express themselves and their interests through a multitude of avenues. The College prides itself on its sporting prowess and has seen many champion athletes excel during their time as a student and sportsperson at the school. We have been training and practicing diligently to compete in this competition. We are eager to play against our fellow athletes and are very excited to be in the QISSN competition.

ST JOHN FISHER COLLEGE (SJFC) is a Catholic secondary girls school located in Bracken Ridge, on the northside of Brisbane, with 640 students from year 7-12. SJFC was established as a secondary school in 1981, when it moved from Sacred Heart, Sandgate to its current home in Bracken Ridge. The College provides a holistic education in the Mercy tradition and has a strong culture of excellence in sport and performance as well as academia. The College's sporting program is inclusive and well-rounded with values that are based on fair play and respect for others. SJFC is a member of the Catholic Secondary Schoolgirls' Sport Association (CaSSSA) and has enjoyed success in many carnivals across its range of sporting competitions.

The College has experienced significant success in netball and is proud to call both former Queensland Firebird, Jacinta Messer, and current Sunshine Coast Lightning player, Mahalia Cassidy, past students. We are proud to also have former Queensland Firebird, Deanna Turner, as a SJFC staff member and QISSN team official. SJFC is delighted to be participating in QISSN locally in Brisbane this year, as we are relative newcomers to this great competition with 2018 being our inaugural year. This year we will be bringing a young and developing team of mixed ages who are very enthusiastic and talented. The girls are looking forward to the opportunity to showcase their netball ability and enjoying the experience of playing against high-quality teams. Our team officials and players extend our best wishes to all teams participating and hope everyone has an enjoyable week of strong netball, fair play and friendship.

ST JOHN'S CATHOLIC SCHOOL

is situated in Roma, approximately 470 km west of Brisbane. We are a Catholic coeducational K-12 School of approximately 810 students. St John's was established by the Sisters of Mercy in 1881. It was through the great work of the Sisters of Mercy that St John's is here today. Many years of hard work establishing the school in unforgiving conditions ensured the progress of their dream to educate children in the west. Many men and women who shared the vision of the sisters also pledged their support during these early days and much of the success of the school can be attributed to their contributions and hard work.

ST JOSEPH'S SCHOOL

is a co-educational college sited on the range in Toowoomba. Our mission statement calls us to provide liberating education inspired by Christian principles that permeate all aspects of College life.

Our approach to entering this competition is to continue to create resilient and competent players who are motivated to enjoy their participation in sport and empowered to positively influence their own development. Our team looks forward to being involved in this competition with enthusiasm and commitment.

This competition offers an opportunity for all to experience competition in a friendly environment and recognise the importance of building strong team spirit, coming together and being able to participate strongly and enjoy each other's company. It also teaches us to be humble in success and deal with adversity in failure.

The QISSN competition is held in the highest regard by both the students and staff at the College and for many it is the highlight of their College netball. We will continue to develop netball as a strong sport here at the College, for both girls and boys, and hope that we can be part of this great competition for many years to come.

ST LUKE'S is a Kindergarten to Year 12 school located some six kilometres from the centre of Bundaberg and ten minutes from the coastal growth corridor centred on Bargara. Our teams have had varying degrees of success but have always competed in the spirit of the competition. St Luke's has competed in the QISSN carnival since its inception in 2000 and our team polo shirts for 2023 reflect our schools ongoing commitment. Designed by Bec Domaille of the Taribelang Bunda, the Indigenous art on our QISSN polos tells a story of our school and our involvement in QISSN since its inception. The four parts of our school, ELC, Primary, Middle and Senior School, are joined with boomerangs representing Taribelang country. The large yarning circles represent our girls and boys QISSN teams and the smaller yarning circle, including the name of Robyn Deer, represents the founding members of QISSN and all that has followed. Many thanks to our hosting school and the large team working to put the 2023 QISSN carnival together.

In 2023, St Margaret Mary's College (Townsville), celebrates 60 years of quality Catholic girls' education. Founded by the Sisters of the Good Samaritan, the ethos of the College community is imbued with Benedictine spirituality.

Our students are guided to become young women of spirit and purpose, with the values of community, compassion and hospitality as our foundation.

School spirit at St Margaret Mary's College is extraordinarily strong and sport plays an important part in a Maggie's Education. Netball is one of the signature sports that is played across the year levels and involvement with QISSN since 2013 has seen our College achieve well. The St Margaret Mary's College Netball Program includes expert coaching and management. A hallmark of the program is the number of past players that contribute their support.

With a spirit of fun and teamwork, our players know that representing their school is a true privilege and are committed to achieving their best. St Margaret Mary's College has built a reputation as being Townsville's leading secondary netball school, representing the North Queensland Region at the Vicki Wilson Championship Finals Series on several occasions. We are excited to be here again and we look forward to being the host school for the 2024 QISSN Championships in Townsville.

We are very happy to be returning to the courts for the Queensland Independent Secondary School Netball Carnival in the June / July school holidays. St Mary's College's involvement in QISSN has grown since re-entering the competition in 2017, when we were awarded runner-up in Division 2.

Preparation for our QISSN team begins six months prior to the event. Following trials and team announcement, students begin preparations in fitness, skill, and court work. Students train together twice a week and in Term 2, play a weekly Wednesday afternoon game in Brisbane through the CaSSSA competition.

Preparation for our QISSN team is not exclusive to the court. Our off-court preparation is essential to develop resilience, growth mindset and personal & team goals. Our dedicated staff also mentor regarding nutrition, injury prevention, wellbeing, and academic commitments. St Mary's College feels honoured to be involved in QISSN, one of the largest netball competitions in the State. QISSN provides our students an opportunity to show what they capable of and the possibility of being scouted by Vicki Wilson OAM and Tracey Bruce.

In 2023, our QISSN team was assisted by current staff member Brianna Fitzgerald. Bri is a past St Mary's College student and was a member of the QISSN team in 2017. Bri not only brings her passion for netball to the team, but she is also able to share her personal experience with our students.

We look forward to an incredible QISSN tournament in 2023!

ST PATRICK'S COLLEGE has a rich history built on the Sisters of Mercy and Christian Brothers, who founded schools in the Mackay region in 1880 and 1929 respectively and we continue today to be committed to Catholic values, which are at the core of all our learning.

In 2023, St Patrick's College and Mercy College Mackay combined under the name of St Patrick's College Mackay Years 7 - 12, a dual campus concept specialising in lower and middle secondary years at our Mercy Campus in Penn Street and the Senior Years Campus located in Gregory Street in the city heart of Mackay.

The College has a strong Netball program, which focuses on building students' netball abilities and careers. We have many great successes in 2022, competitive at various carnivals throughout our region and we are proud to be one of the 12 original members of the QISSN Family. Our Netball program has been growing each year and we are very excited to see what the future holds for many of our players.

In 2022, St Patrick's College/Mercy College Mackay hosted the CQUniversity QISSN Carnival. It was a very successful competition and was a highlight for the Mackay sporting community. The opportunity to watch our team play, saw the local stadium filled to capacity. The roar from the crowd ensured a tough and competitive competition.

The St Patrick's College team are very excited for the 2023 competition, and we would like to wish all competitors the very best. May we all aim high and reach our goals. Play hard, play strong and play your best.

ST PETER CLAVER COLLEGE is a Catholic co-educational secondary college in the Western Brisbane/Ipswich corridor offering a high quality education for students in Years 7 – 12. St Peter Claver College was founded in 1976 and named after the Spanish Jesuit priest and missionary, Saint Peter Claver. The presence of the Sisters of Mercy was an important influence in the College's early years and today the College is a member of Marist Schools Australia, with a current enrolment of approximately 1100 students.

In the spirit of St Peter Claver's own life encounters, the College has an incredibly diverse and culturally rich school population with students from more than 25 different cultures; including Aboriginal and Torres Strait Islander, African and

Pacific Islander heritage. The College motto Concern, Love and Justice provides students and the Claver community with guidance and values in which to strive to live their everyday lives by.

The College's Netball Program prides itself on developing and nurturing the next generation of players, while fostering inclusive and team-focused attitudes. St Peter Claver College is a proud division 1/2 school and has had many students selected in the QISSN All Star Team in recent years. As a proud foundation member of QISSN, the Carnival is a highlight of the College's sporting calendar and this year's team is excited to give their all at the 2023 Carnival.

ST THOMAS MORE COLLEGE was founded in 1974 and presented Queensland Catholic Education with a radical alternative approach to schooling. Today the early radical practices in behaviour management and curriculum are regarded as mainstream educational practices. Situated just south of the Brisbane CBD, the College has grown from a small faith learning community to a contingent of over 1100 current students and families. The founding principles of gospel values, intellectual reason, free will, good conscience, integrity, and courage are central to our college mission. These founding principles have enabled the College to become a vibrant faith learning community based on the example set by St Thomas More. St Thomas More College has a strong culture in netball, with our 1st VII representing the College at QISSN since 2003. Every St Thomas More student who wears the Team More Dress understands the responsibility that is instilled in them since joining the College of 'Leave it better than you found it'. The College has enjoyed and benefited greatly from its involvement in QISSN and with every passing carnival we have continued to play a brand of netball that is epitomised by grit, respect, and above all love of the game.

ST URSULA'S COLLEGE, Toowoomba is an independent, Catholic, day and boarding school for girls in Years 7 to 12, which prides itself on providing an environment that not only contributes to outstanding academic results, but is a space where girls can develop into young women prepared for a wondrous future, no matter what learning pathway they choose to take.

Rich in leadership and strong in Ursuline traditions, the College provides 21st Century learning experiences in specialist facilities equipped with the latest technology, whilst catering for the individual needs and interests of all girls. Our students are encouraged to undertake their participation in sport at the College with dedication, and it is an important part of the extra-curricular activities which we offer. We are proud to say that our sports

teams continue to perform well each year, showing growth and integrity at state, district and regional levels, in both summer and winter sports.

St Ursula's College has a long, proud association with QISSN, with the College hosting the championships in 2004 and winning the competition in 2007. We look forward to continuing this association for many years to come. With our dedicated team of netballers, coaches and managers who have all worked hard to prepare for the 2023 QISSN competition, we are

looking forward to representing St Ursula's College and wish all of the teams the best of luck at this year's carnival.

SUNSHINE COAST GRAMMAR SCHOOL is a unique learning environment set on a beautiful 100-acre site with its own lakes and rainforest. Established in 1997 as an independent, co-educational, Christian based school that is committed to excellence and offers an outstanding comprehensive education, based on individual care and attention for children from Prep - Year 12. The school provides high quality academic, cultural and sporting programs in a supportive learning environment to enable students to reach their individual goals. Netball is the sport of choice for many of the female students at Grammar, with more than 150 girls across multiple year levels whereby they can play for Grammar in either the Sunshine Coast School Competition and or for Grammar Club in the SCNA competition on a Saturday. The program has an emphasis on both participation and performance as we try to cater for girls of all ability levels. Girls are given many opportunities to thrive in a team-based environment which is fun and supportive.

2023 will be the 8th year that Sunshine Coast Grammar will compete in QISSN. The team have been working hard in preparation for the competition and are very excited about the opportunity to compete again in a highly competitive competition like QISSN. We wish all teams the very best of luck.

THE CATHEDRAL COLLEGE, founded in 1991, is a Catholic Co-educational Secondary Boarding College in Rockhampton. The College Mission Statement invites students to "Come, live life in all its fullness" and we seek to help students develop their spiritual, academic, sporting and cultural dimensions.

At the Cathedral College, we have boarding accommodation for boys and girls. We have 1,330 students at the College. Of these, 185 are boarders at our two boutique boarding Residences. The College draws a rich heritage from its predecessor schools, The Range Convent High School (conducted by the Sisters of Mercy) and St Joseph's Christian Brothers' College. The College has an enviable reputation for providing an education which results in graduates who are well rounded young people.

Academic excellence is sought and achieved, yet there is a broad education provided so that all who seek our values find a suitable pathway to attaining their goals. We have high expectations of our students and respect and good manners are cornerstones of these standards.

The Cathedral College has competed in all QISSN Carnivals and our players are looking forward to a great week of netball.

Best of luck to all teams competing in this year's carnival.

THE ROCKHAMPTON GRAMMAR SCHOOL has provided over 140 years of education in Central Queensland. Founded in 1881, Rockhampton Grammar School is a non-denominational, co-education school from Early Learning to Year 12. The School is also home to a strong boarding community, with over 340 students from Year 6 to Year 12.

The Rockhampton Grammar School is proud of our exceptional teachers, who are recognised for their passion and commitment. This extends not only to our outstanding academic results as Central Queensland's best performing school, but also to a huge range of extracurricular activities including sport, music, dance, agriculture, outdoor education and much more.

The School has participated in Division 1 since the beginning of QISSN in 2000 where the School won the inaugural QISSN Cup. This carnival provides a significant highlight to our Netball programme where girls represent the School in local club and school competitions through terms 1, 2 and 3.

Thank you to all the organisers and the host school and region for providing this opportunity in 2023.

Best of luck to all teams.

TRINITY COLLEGE opened for its first one-hundred students in 1982. It was, and still is, under the auspices of the Catholic Education Office of the Brisbane Archdiocese, but it was administered in the early days by the Marist Brothers on the invitation of the Brisbane Director of Catholic Education. The Sisters of St. Joseph were also prominent on the staff of the College for the first three years. The charisms of these great Religious Orders are still evident within the College, and the virtues and values of Marcellin Champagnat and Mary MacKillop are strongly promulgated. Trinity College is a Catholic Coeducational Secondary College with a student population of 950 students and a professional staff numbering over sixty teachers. Trinity College has a strong history in netball and this will be our 11th year competing in the QISSN competition. This young team are dedicated and have been training hard in preparation for the competition. They look forward in representing the College in 2023.

XAVIER CATHOLIC COLLEGE is a coeducational, K-12 school located in Hervey Bay on the Fraser Coast. The name of the College is derived from the partnership between Saint Francis Xavier and Saint Ignatius of Loyola. Together, these two were founders of the Society of Jesus, better known as the Jesuits. The experiences, reflections and actions of Saint Ignatius and Saint Francis have influenced the positive, socially-just and reflective ethos and culture of Xavier Catholic College. As a Jesuit companion school, Xavier is a member of a network with over 2000 other Jesuit educational institutions worldwide, all which support a similar ethos as the College. A student of Xavier, above all else, aims to grow as a reflective, competent, conscientious and compassionate young person, one who also fosters an attitude of excellence and service. Xavier also prides itself on allowing students opportunities to express themselves and their interests through a multitude of avenues. Representing Xavier in Netball is a significant commitment. This commitment enables students to experience positive outcomes including improvement in skills, fitness, tactical knowledge, decision making, confidence, building social connections and leadership. We have a very clear sporting philosophy built around fair play and respect at Xavier. QISSN is an example of this, and our Xavier 2023 QISSN teams have been training diligently to compete in this great week of netball this year.

CALVARY CHRISTIAN COLLEGE is an independent, dual campus, Early Years – 12 school at Carbrook and Springwood. The College offers a unique learning environment with a relentless commitment to ensuring each student's diverse needs are catered to. We commit to encouraging each child to be a fearlessly authentic learner who steps into every opportunity to grow and learn. Calvary Christian College exists to provide education that encompasses the academic as well as personal growth of the whole child, delivered through the lens of a clearly articulated Christian World view. Such education in all its fullness seeks to draw all students into the journey of discovering fully who they are.

CARMEL COLLEGE, established in 1993, is the only co-educational Catholic Secondary College in the Redlands. In living out the College motto "Let Your Light Shine", Carmel College actively promotes a wide range of learning and teaching; active engagement in co-curricular programs – sports and arts; and numerous outreach opportunities. Current enrolment stands at over 1200 students, from Years 7 to 12. Situated in the Redland Coast we have a strong connection to the islands, which is important for our Indigenous and Torres Strait Islanders students.

Carmel College entered the QISSN competition in 2013 and successfully hosted the 2015 carnival. The College has a long tradition of netball involvement, including competing in local competitions throughout the year such as Catholic Cup, Vicki Wilson Cup, as well as participating in the Southeast Colleges Association (SECA) competition. Carmel College has developed strong players who have gone on to represent at state level and for the Queensland Firebirds. With this success in netball, we are excited that in 2023 will be entering our first boys' team into the competition.

Both our girls' and boys' teams have been training hard and have had success at local school tournaments already this year. Our sporting program is based upon fair play, respect for teammates and opponents, participation, and enjoyment. This year Carmel College is excited to be competing with a young, developing team. We extend our best wishes to all teams, and hope everyone has an enjoyable week of netball and friendship.

We have a holistic approach to education by embedding well-being at the core of the curriculum. Inspiring excellence is a powerful and ambitious statement, which despite its simplicity is multi-dimensional. When applied to our understanding of well-being it requires us to provide a safe and engaging learning environment in which all members of the College community can flourish. The Coomera Anglican College Netball Academy is an elite based training environment created to encourage and nurture the best performance from all athletes. Our Programme provides students from Years 4-12, who display identified netball talent, access to additional coaching and the opportunity to participate in a developmental Netball Programme.

HOLY CROSS COLLEGE seeks to offer a quality Catholic education that maximises the potential of every boy in our care.

The college was founded in 1891 by the Patrician Brothers. The charism of the Patrician Brothers is marked by a commitment to 'seeing the face of Christ in all we meet' in our daily lives. The school remains committed to this Patrician ideal. It translates into school life that:

Welcomes all, seeking to build a community of hospitality and inclusion

Expects high standards in academic work and student behaviour

Challenges all in the school community to develop a real spirit of justice that makes a difference to the way we live our lives.

Celebrates and sanctifies life and everything in school life that is life-giving.

With expansive grounds, heritage buildings and a long and proud sporting and academic tradition,

Holy Cross continues to serve the Sydney Catholic community as an outstanding day school for boys from Years 7–12.

MT MARIA COLLEGE is a Catholic Coeducational Secondary College with approximately 1125 enrolments situated in Mitchelton, Brisbane. Although a systemic school, Mt Maria values the Marist tradition upon which the College was originally founded in 1978. Mt Maria College is proud of the fact that we are one of the foundation schools of QISSN and have not missed a Carnival since its inception in 2000, with 2023 to be recorded in history as we proudly offer Senior Boys the opportunity to represent the College at the QISSN Carnival. Our best achievements at QISSN include winning the Division 2 Lara Nilsson Trophy in 2002, Division 5 in 2012 and Division 4 in 2016, with special mention to our third placed 2022 Division 5 side. The College is always extremely proud of the students that take the court for Mt Maria College at QISSN and we look forward to a strong 2023 campaign.

SAINT MARY'S CATHOLIC

COLLEGE, is a P-12 co-educational Catholic College located in Kingaroy in the South Burnett Region. Netball is a popular sport in the local region, however there are limited opportunities locally for our netball team, so the school team has to commit to travel considerable distances on a regular basis to gain the level of competition required for students to perform at their best.

The College was one of the inaugural teams to participate in the QISSN competition and have been competing every year since. 2023 will see the College entering both a male and female team for the first time, some of whom are playing their first season of netball this year. For a school with just 170 students in our high school we are so proud to have two teams compete in QISSN this year.

This carnival provides students from rural regions such as ours with the opportunity to participate in a carnival where netball is played at such a high standard and we are so grateful for this opportunity. We offer our best wishes to all teams and hope they all have an enjoyable and successful week of quality netball.

SHALOM COLLEGE Bundaberg is a co-educational day school for year 7-12 students with a student population of approximately 1600. Shalom College aims to create a loving community in which the Gospel values are practised by word and example. The college was founded in 1984 with the amalgamation of the former Mercy Sisters School, Loyola College and by the Christian Brother's College, Bundaberg. Shalom instigated the QISSN carnival with the intention of providing a week-long competition for girls in parallel with the boys' Confraternity rugby league carnival. Shalom College has had great success during the QISSN carnival taking out the Division 1 title in 2008 and 2009 and winning the Division 3 title at the 2018 carnival. After successfully hosting the 20th anniversary QISSN carnival in 2019, Shalom College's Girls and Boys QISSN teams are very much looking forward to another QISSN competition and hope to achieve more on-court success and create some memorable experiences in Brisbane in 2023.

SOUTHERN CROSS CATHOLIC COLLEGE is a learning community which aspires to growth in knowledge, love and service in the presence of God.

We are a Prep to Year 12-day school offering families a co-educational pathway to life-long learning. The College was founded in 1995, following the amalgamation of the Catholic primary and secondary schools in the Moreton Bay Region. Today, the multi-campus College operates as the principal Catholic College on the Redcliffe Peninsula.

The QISSN Carnival is always a highlight of our netball year, and the boys are thrilled to be a part of the competition for the first time.

Many thanks to the QISSN Executive for their tireless efforts, as they continue to provide the opportunity for schools to compete at such an elite level. We wish all teams the best of luck for the competition.

In 2023, St Catherine's is excited to be back after last year being awarded the coveted Captain Vivian Bullwinkle Trophy. We were extremely proud to be recognised as the team who displayed the best sportsmanship throughout the 2022 tournament.

St Catherine's Catholic College is a P - 12 College located in the beautiful Whitsundays. The school has a long history as a Primary school, opening in 1925. In 2013, the College began the journey of offering secondary education. We are celebrating a decade of the College's secondary education in 2023. The school has always had a strong Mercy charism and with the recent opening of the Secondary College the school has also included the core values of Ignatian spirituality.

In 2018, St Catherine's Catholic College debuted at QISSN with a late entry into the Townsville Carnival. Last year we competed with our first ever boys team, who were runners up at the carnival. This year's girls team has participated in a number of QISSN carnivals, so we are looking forward to seeing them take to the court. We thank our host schools for all their effort in hosting the carnival.

ST JAMES COLLEGE is a co-educational Catholic School (Yr 5-12) in Edmund Rice Tradition (EREA). It was established in 1868 and taken over by the Christian Brothers in 1893, becoming a co-educational college in the 1990's.

As a diverse community, with students from numerous cultural, faith and learning backgrounds, who have high hopes for the future, we 'live and breathe' cultural understanding. St James College shows its passion to see all its students on a pathway to succeed. Its range of offerings in diverse academic subjects, programs, AQTF certificates, school-based apprenticeships, sports, debating and cultural areas provides options enabling our students to reach for the stars, live the "touchstones" and achieve their dreams! Our emphasis is on gaining transferrable skills, micro-credentials, incorporating the power of problem solving, digital prowess and the human heart! This Carnival embellishes many of these skills with its teamwork, friendships and testing of resilience.

The College's globally diverse community is proud of the culture of advocacy, its weekly brekkie to our homeless community, immersion programs and its many other actions on local, national and global levels. The College has expanded its indigenous students and cultural program and has embraced a Pasifika leadership initiative, with increased numbers of students in this group. Its motto of Global Learning- Achieving Aspirations is made real with 70 percent from EALD backgrounds.

We are thrilled to be the 2023 host school and have proudly reached out to our community. After hosting in 2021 and being disrupted by Covid- 19, we are excited to fully host this time. With both the boys and girls teams participating, it has seen our netball program really develop. We thank the coaches, managers and supporters and wish the teams the best in play and camaraderie.

We hope that all teams enjoy the Carnival and remember this Carnival as a "Jimmies" Brisbane experience!

ST LUKE'S is a Kindergarten to Year 12 school located some six kilometres from the centre of Bundaberg and ten minutes from the coastal growth corridor centred on Bargara. Our teams have had varying degrees of success but have always competed in the spirit of the competition. St Luke's has competed in the QISSN carnival since its inception in 2000 and our team polo shirts for 2023 reflect our schools ongoing commitment. Designed by Bec Domaille of the Taribelang Bunda, the Indigenous art on our QISSN polos tells a story of our school and our involvement in QISSN since its inception. The four parts of our school, ELC, Primary, Middle and Senior School, are joined with boomerangs representing Taribelang country. The large yarning circles represent our girls and boys QISSN teams and the smaller yarning circle, including the name of Robyn Deer, represents the founding members of QISSN and all that has followed. Many thanks to our hosting school and the large team working to put the 2023 QISSN carnival together.

ST PATRICK'S COLLEGE has a rich history built on the Sisters of Mercy and Christian Brothers, who founded schools in the Mackay region in 1880 and 1929 respectively and we continue today to be committed to Catholic values, which are at the core of all our learning.

In 2023, St Patrick's College and Mercy College Mackay combined under the name of St Patrick's College Mackay Years 7 – 12, a dual campus concept specialising in lower and middle secondary years at our Mercy Campus in Penn Street and the Senior Years Campus located in Gregory Street in the city heart of Mackay.

The College has a strong Netball program, which focuses on building students' netball abilities and careers. 2022 was the first year that our college entered a boys team into this competition.

2022 also saw St Patrick's College/Mercy College Mackay host the CQUniversity QISSN Carnival. It was a very successful competition and was a highlight for the Mackay sporting community. The opportunity to watch our team play, saw the local stadium filled to capacity. The roar from the crowd ensured a tough and competitive competition.

The St Patrick's College team are very excited for the 2023 competition, and we would like to wish all competitors the very best. May we all aim high and reach our goals. Play hard, play strong and play your best.

ST THOMAS MORE COLLEGE was founded in 1974 and presented Queensland Catholic Education with a radical alternative approach to schooling. Today the early radical practices in behaviour management and curriculum are regarded as mainstream educational practices. Situated just south of the Brisbane CBD, the College has grown from a small faith learning community to a contingent of over 1100 current students and families. The founding principles of gospel values, intellectual reason, free will, good conscience, integrity, and courage are central to our college mission. These founding principles have enabled the College to become a vibrant faith learning community based on the example set by St Thomas More. St Thomas More College has a strong culture in netball and this year is excited to have a boys team join our girls at this year's tournament. Every St Thomas More student who pulls on the Team More dress or jersey understands the responsibility that is instilled in them since joining the College of 'Leave it better than you found it'. The College has enjoyed and benefited greatly from its involvement in QISSN and are looking forward to playing a brand of netball that is epitomised by grit, respect, and above all love of the game.

TOOWOOMBA ANGLICAN SCHOOL

is one of Australia's finest Kindergarten to Year 12 Anglican co-educational independent primary and secondary day and boarding school located in Toowoomba, Queensland, Australia. From Kindergarten right through to Year 12, our students possess character, kindness and independence. They embrace challenges, value every opportunity and thrive together in a vibrant, friendly school community. Our pathways provide a rigorous and broad range of opportunities, and we have a flexible approach to our curriculum design. We place great value on our individual students, excellent staff and supportive community, because Together We Are TAS. 2023 is an exciting year for the school as this will be the first year that Toowoomba Anglican School has been involved in the QISSN carnival. Our inaugural boys team is enthusiastically looking forward to a fantastic week of competition and a long association with the carnival in the years to come.

XAVIER CATHOLIC COLLEGE is a coeducational, K-12 school located in Hervey Bay on the Fraser Coast. The name of the College is derived from the partnership between Saint Francis Xavier and Saint Ignatius of Loyola. Together, these two were founders of the Society of Jesus, better known as the Jesuits. The experiences, reflections and actions of Saint Ignatius and Saint Francis have influenced the positive, socially-just and reflective ethos and culture of Xavier Catholic College. As a Jesuit companion school, Xavier is a member of a network with over 2000 other Jesuit educational institutions worldwide, all which support a similar ethos as the College. A student of Xavier, above all else, aims to grow as a reflective, competent, conscientious and compassionate young person, one who also fosters an attitude of excellence and service. Xavier also prides itself on allowing students opportunities to express themselves and their interests through a multitude of avenues. Representing Xavier in Netball is a significant commitment. This commitment enables students to experience positive outcomes including improvement in skills, fitness, tactical knowledge, decision making, confidence, building social connections and leadership. We have a very clear sporting philosophy built around fair play and respect at Xavier. QISSN is an example of this, and our Xavier 2023 QISSN teams have been training diligently to compete in this great week of netball this year.
