2025 QISSN
Carnival**

President's Welcome

Janelle Agius
President QISSN

Welcome to the 25th Annual CQU Queensland Independent Secondary Schools Netball (QISSN) Carnival.

This year we are blessed to be visiting Bundaberg – home of the majestic loggerhead turtle and rich in aviation and farming history, nestled in the heart of the Wide Bay–Burnett region.

It is a great honour to see our Carnival return to where it all began, proudly hosted by Shalom College. A heartfelt thank you and congratulations to Principal Mr Dan McMahon and the dedicated leadership and committee of Shalom College for their unwavering commitment and support to this wonderful event.

As Dan McMahon, has wisely reminded us in previous years: “Whatever part you will play in your team, don’t leave anything in reserve. Also, be grateful. So many people have worked hard to give you this opportunity – your parents, your coaches, your bus drivers, and many others. Say thank you sometime this week. We hope that you make wonderful memories of this week.”

Historically QISSN has bought great recognition to hosting communities.

In 2018 Shalom College was awarded an Australia Day Community Award for its hosting of CQU QISSN and CQU QISSRL.

In 2023, St James College, as hosts, was recognised for its diversity, challenging stereotypes, hosting, and playing as the “Netball School of the Year” by Netball Queensland – this was due to QISSN!

St James College has also been recognised in the Queensland Government Reconciliation Awards, and again, this recognition is facilitated through the QISSN/Host School partnership with Struddys and Indigenous Designs as part of the RAP approach.

It highlights the outstanding contribution of the CQU QISSN event in community engagement and the significant economic benefits it brings to regional and city communities.

On behalf of everyone at QISSN, we extend our deepest gratitude to Ann Rebgetz for an incredible 21 years of dedicated leadership and unwavering commitment. Your visionary guidance, tireless efforts, and passion have been the cornerstone of our organisation’s growth and success. Your legacy will inspire us for years to come. Thank you for your extraordinary service and for steering QISSN with such grace and determination. I personally wish to congratulate you on becoming a life member of QISSN and thank you for your support as I take over the presidency role in 2025.

Once again, we are proud to see the QISSN Carnival expand, now standing as one of the largest independent secondary school netball carnivals in Australia.

The 2024 Carnival in Townsville was a tremendous success, marked by community spirit and diverse involvement.

In 2000, sixteen schools participated in the inaugural event, and at the time no one could imagine that CQU QISSN would grow into what it is today with 76 Teams, representing 65

schools — including 64 girls' teams and 12 boys' teams.

As President, I want to express my deepest thanks to the CQU QISSN Committee and its dedicated staff, Evie Teasdale, our Executive Officer, for her exceptional organisation and energy.

To Umpire Director Christopher Robinson, thank you for your work in ensuring smooth operations on the court.

To Lisa Castro who works behind the scene in the financial management of QISSN.

To our Executive Committee—Dan McMahon, Deborah Ryan, Nadia Tairawhiti and Debbie Newton—your commitment has been vital to the Carnival's success.

Their tireless efforts have ensured that QISSN remains the premier netball event on schools sporting calendars.

I would like to particularly acknowledge the outstanding leadership of Host School Convenor Naida Tairawhiti and the college committee and school community for their exceptional organisation.

Events of this scale are only possible through the dedication of individuals and organisations who support school sport—not only in spirit but also financially.

We are especially grateful to all our CQU QISSN sponsors:

- CQU (naming rights sponsor)
- Struddys
- QLD School Photography
- Medals and Ribbons Australia
- Brisbane Catholic Education
- Toowoomba Catholic Education
- Rockhampton Catholic Education
- Townsville Catholic Education
- Cairns Catholic Education
- Catholic School Parents Queensland
- Netball Queensland
- And our generous local school sponsors

Their contributions help significantly reduce participation costs and make the Carnival accessible to all schools.

I would also like to acknowledge Peter Elmore, President of QISSRL, as we work together a strengthened future of the shared vision of QISSN and QISSRL to provide the best outcomes for our student-athletes and their families.

We are also delighted to welcome back Vicki Wilson OAM and Tracey Bruce as Selectors this year, along with the support of Netball Queensland and the Queensland Firebirds. Their involvement further strengthens our mission of fostering talent and inspiring future professional athletes.

To all players, coaches, managers, umpires, and supporters—may you enjoy a week full of exceptional netball, lasting friendships, and unforgettable memories.

Embrace the excitement of the Opening Ceremony and the vibrant spirit of the 2025 Bundaberg CQU QISSN.

May you all enjoy this carnival.

Dan McMahon
Principal
Shalom College

WELCOME to beautiful Bundaberg!

Welcome to Bundaberg. The Shalom College community are delighted to welcome QISSN back to its home! Twenty-five years ago, the Principal of Shalom College at the time, Mr Pat Wall invited schools to participate in a Netball Carnival to run alongside the 2000 QISSRL Carnival that Shalom was hosting. Sixteen schools participated in that inaugural event and no one at the time had any idea that QISSN would grow to what it is today. You players are a part of one of the most pre-eminent Netball Carnivals to be held in Australia this year. Enjoy and savour this experience. This is a demanding and competitive carnival but it is always marked by the highest quality of sportsmanship and cooperation.

QISSN is a wonderful sporting environment. All players are encouraged to give their best and have a go.

Wayne Gretzky, world famous Ice Hockey player rightly pointed out once that, 'I've missed 100% of the shots I never took.' Make your mark this week and take your shot with your team and your teammates. You won't get this opportunity again. Whatever part you will play in your team, don't leave anything in reserve.

Also, be grateful. So many people have worked hard to give you this opportunity - your parents, your coaches, your bus drivers and so many others. Say 'thank you' sometime this week. On behalf of this community, we hope that you make wonderful memories this week and that you might return, often, to beautiful Bundaberg.

Carnivals like this one could not occur without the support of groups who get behind girls' sport and are prepared to invest financially in your opportunities. We are very grateful to all our sponsors and especially our QISSN Corporate Sponsors, CQUniversity along with Struddys, Queensland School Photography, Catholic Dioceses Offices of Brisbane, Toowoomba, Rockhampton, Townsville and Cairns, Catholic School Parents QLD and our incredible local Platinum Sponsors the Bundaberg Regional Council, Rockhampton Catholic Education, Bundaberg Broadcasters,

The Waves Sports Club, Rum City Foods, Tony Madden Architects and Coronis Bundaberg. All our sponsors make a considerable contribution to assist our schools in reducing the costs for you to play. Please give them your support where possible.

SUNDAY 29th JUNE

3:30pm – 4:45pm	Opening Ceremony	Shalom College - Sports Centre
5:00pm – 5:15pm	Team Captains Briefing	Shalom College - Sports Centre
5:00pm – 5:30pm	Team Managers Meeting	Shalom College - Loyola Centre

History of QISSN

The QCUUniversity QISSN (Queensland Independent Secondary Schools Netball) Championships in 2025 enters its twenty sixth year as a netball carnival held annually in the first week of the mid-year holidays. The inaugural QISSN Carnival was hosted by Shalom College, Bundaberg in 2000 with a modest 16 teams. Due to the ever-increasing popularity of our carnival, in late 2016 the QISSN Executive made the decision to further develop and expand the carnival from 48 to 60 teams – a bold and courageous move in the pursuit of promoting and developing secondary school netball in Queensland. In 2018 the carnival further expanded to 64 teams. This saw our membership grow from 480 participants to 640. For the first time ever, in 2020 the carnival was not held due to the COVID-19 pandemic. In 2021, the carnival expanded to include a boys division starting with 5 teams expanding the overall number of teams to 69. The 2025 Carnival will see a the continued expansion of the boys division of 12 teams taking the Carnival to a total of 76 teams from 65 schools. In addition, Coaches and Managers, Umpires, Coordinators, First Aid and Executive staff; this makes the CQUniversity QISSN Carnival one of the biggest school-based carnivals in the country.

The richness of QISSN's history is evident in its success and growth as a popular carnival for secondary school girls and now also for boys. Other measures of its prosperity include the fact that many of the schools that competed in the inaugural carnival will be attending the 2025 carnival for the twenty third successive year, a true measure of the longevity, commitment and enjoyment of carnival. Regular member schools cite the atmosphere of the carnival and the spirit in which games are contested as characteristics that excite schools about participating in this annual competition.

Over 9,000 girls and 300 boys have participated in QISSN in its previous 24 carnivals, with a number of previous participants including;

- *Lara Nilsson*
Clairvaux Mackillop College
- *Candice Adams,*
Marymount College
- *Ameliaranne Wells,*
St Luke's Anglican School
- *Gemma Mimi,*
Carmel College

going on to represent the Queensland Firebirds in the national netball competition, post school.

2016 saw the introduction of securing Ms Vicky Wilson OAM and Ms Tracey Bruce – both involved previously in State and National team selections, development and coaching; as official selectors for the All Stars and Rising Stars teams. We are very fortunate to have the continued support of Vicki and Tracey as selectors again for this year's carnival and they look forward to identifying the future stars and representatives of our great game!

This year, Shalom College, Townsville will host the twenty-fifth QISSN Carnival. We welcome the 76 teams that will compete for the QISSN Cup. We hope the 2025 carnival continues the fine tradition established in previous years. We thank our many previous and new sponsors for their support and look forward to forging continued partnerships in the pursuit of growth, recognition and excellence in sport and providing equity in netball.

QISSN ALL STARS TEAM - WOMEN'S

PLAYERS' OATH

You are my opposition, but you are not my enemy,
For your resistance gives me strength,
May we look upon our defeats as a learning experience of life,
Whilst fully appreciating the joys that come with victory.
Although our goals may differ,
It is in the spirit of the game that we come together for the same purpose.
We must believe in our dreams for this will bring success,
Dream, Believe, Succeed.

UMPIRES' OATH

In the name of all the umpires,
I promise that we shall officiate in this QISSN Carnival with complete impartiality respecting
and abiding by the rules which govern netball, in the true spirit of sportspersonship.

SUPPORTERS' OATH

I promise that we shall support this QISSN Carnival with respect of fair play
and the rules which govern netball in the true spirit of the game.

Vicki Wilson, OAM

Vicki Wilson, OAM and Australian netball icon, will be in attendance for the duration of the 2025 Bundaberg carnival.

Vicki, will be a QISSN All Stars Team selector and more importantly great motivator to our young athletes. Vicki's netball career commenced at the age of 7 at her local netball Club and saw her rise to achieve at national and international levels as a player, captain and coach.

Having won a gold medal at the Commonwealth Games in 1998 and three gold medals at the Netball World Championships (1991, 1995, 1999) Vicki went on to coach the Queensland Firebirds. Recently Vicki has been the Assistant Coach to the New Zealand Silver Ferns and the Coach of Fiji.

We know Vicki is keen to share her stories of playing and coaching netball, and looks forward to meeting our competing athletes

Tracey Bruce

Tracey Bruce former Queensland Firebird Wing Attack and Centre, Queensland Academy of Sport Netball Coach 2009 and both Queensland and Australian school girl netball representative player will be a selector at the QISSN 2025 carnival.

Tracey played in the Queensland Primary Schools Team in 1980 and the Queensland 15 Girls Team in 1982 and Australian Girls Team in the same year.

She also played in the Queensland Open School Girls Team in 1983 to 1986 and both the Queensland and Australian 17 and under team in 1985 and again in 1986.

She continued to represent both Queensland and Australia in the 19 and under, 21 and under and Open teams until 1999.

In 1991 and again in 1992 she was awarded an Australian Institute of Sport scholarship.

We warmly welcome Tracey and acknowledge the expertise she will bring to our carnival.

	DIV 2 (M)	Ryan Catholic College Townsville	

AGE ELIGIBILITY

QISSN is an U/18 age Carnival. To play at a QISSN carnival, players must be enrolled in secondary school at your college and must be turning 18 years or less by 31 December in the year of play. Students turning 19 years or more during the year of play are ineligible. The Executive reserves the right, for very particular pastoral reasons, to grant an exemption to this rule.

ALCOHOL POLICY

QISSN recognises that consumption of alcohol is not appropriate during the conduct of sporting activities, especially when children and young people are involved.

Consumption of alcohol is therefore prohibited within the boundaries of the carnival while any student is present.

ANTI-DISCRIMINATION POLICY

QISSN does not tolerate any form of discrimination. Complaints or suspicions of discrimination will be dealt with promptly and seriously, with a view to alleviating issues with care and concern for all involved.

ANTI-HARASSMENT POLICY

QISSN does not tolerate any form of harassment. Complaints or suspicions of harassment will be dealt with promptly and seriously, with a view to alleviating issues with care and concern for all involved.

BRACES ON TEETH

QISSN advises any participants that have braces on their teeth to consult their orthodontist or other relevant medical practitioner before participating in netball activities to ensure that they do not pose a risk to themselves or other players.

CONCUSSION POLICY

QISSN follows the guidance of the community netball guidelines. The new guidelines, which are designed to protect the health and wellbeing of all participants, are in alignment with the recent Australian Institute of Sport's Concussion and Brain Health Position Statement.

If a concussion is suspected, a standard primary survey and cervical spine precautions should

be used. Once safe to do so, the player must be removed from play and assessed in a quiet, safe environment. The player must be monitored closely and taken to seek medical attention if not already provided. If a doctor is not present at the match the player must remain out of play until they have had a chance to be medically assessed.

If a diagnosis of concussion is made the earliest that a player that has sustained a concussion can return to play is on the 21st day post the concussion incident provided they get medical clearance.

If a diagnosis of concussion is not made, the player may return to play only once medical clearance from a certified medical GP, stating they do not have a concussion is provided to the QISSN Executive Officer.

COMPLAINT HANDLING POLICY

All allegations of a serious or criminal nature will be reported immediately to the police or relevant agency or authority. Under no circumstances will QISSN conduct its own investigations into any serious allegations or allegations of a criminal nature.

For complaints which are not of a serious or criminal nature, QISSN will follow these guidelines:

- Details of the complaint will be documented in writing on the form on page 22 and given to a member of the QISSN Executive Committee.
- The details of the complaint will be conveyed to the person/people complained about (respondent(s)) in full. The respondent(s) must be given sufficient information to enable them to properly respond to the complaint.
- The respondent(s) will be interviewed and given the opportunity to respond.
- The respondent(s) response to the complaint will be documented in writing.
- If there is a dispute over facts, statements from witnesses and other relevant evidence will be obtained to assist in a determination.

The association will make a finding as to whether the complaint is:

- Substantiated (there is sufficient evidence to support the complaint);

OR

- Unsubstantiated (there is sufficient evidence to show that the complaint is unfounded);

OR

- Mischievous, vexatious or knowingly untrue.

A report documenting the complaint and summarising the investigation process and key points that were found to be substantiated, inconclusive, unsubstantiated and/or mischievous will be prepared along with the recommendations for future actions. Strict confidentiality, impartiality, fairness and due process must be maintained at all times.

HEAT POLICY

The QISSN Executive Committee may stop, cancel or postpone training or competition if it is deemed by the committee that the temperature is too high for participation in netball. It is recommended that all participants drink sufficient amounts of water before, during and after exercise at any time to remain hydrated. Injury and Incident Policy All incidents and injuries occurring within QISSN carnival or during events in which QISSN is involved, must be reported to the QISSN Executive on the Incident Report Form attached (Appendix E).

JEWELLERY POLICY

Participants must not wear jewellery or any other object or article of clothing that poses a threat to themselves or any other player, except for a medical bracelet (which must be taped). All piercings are prohibited, even if taped. Any players with piercings taped or un-taped will not be allowed to take to the court. No gloves or taping of nails.

PRE-GAME UMPIRE CHECK

Umpires acknowledge they have received their game allocation by email or text and are OK to fulfill their rostered games (Failure of an umpire to fulfill

their allotted games will incur a \$33 per game fee for the school as instructed by QISSN) Umpires report to the umpire's room upon arrival at the venue at least 30 minutes prior to the start of their first game and sign an attendance sheet, and umpires will need to sign for each game they umpire.

Umpires will move from the umpire's room approximately 10 minutes prior to the scheduled start to their allocated court with the umpire they are umpiring with and will remain with the other umpire for the entirety of the game and will return to the umpire's room upon completion of the game.

Umpires will be responsible for ensuring the court and surrounds are safe for the game to commence by inspecting the court and surrounds. With player and spectator movement around courts, court conditions can change from game to game.

SAFETY ON/AROUND COURTS

To ensure the safety of all the following guidelines are expected to be followed by ALL players, officials, parents and general spectators when entering the court floor:

BAGS

✓ ALLOWED

Team kit bags **MUST** be stored safely away from the side-line. Personal handbags **MUST** remain either on the individual's shoulder or lap throughout the entire game.

✗ NOT ALLOWED

School bags, back packs or similar are **NOT ALLOWED** inside on the court floor due to limited space.

SEATING & VIEWING

✓ ALLOWED

Please remember priority is given to teams and officials. They **WILL NOT** share bench space with spectators. Viewing for spectators on the court floor is **ONLY AVAILABLE** to those who manage to get a seat.

✗ NOT ALLOWED

There is **NO STANDING OR SITTING** on the ground between courts or in the main walkway.

Conditions of Play

QISSN carnivals will be played under the Rules of Netball issued by the International Netball Federation unless otherwise stated.

CARNIVAL OFFICIALS

The carnival will be officiated by the QISSN President and Host School Convenor. The QISSN Executive Officer will assist the QISSN President in this process. Disputes will require completion of the official QISSN Grievance Form by the Team Manager. Carnival officials' decision will be final.

CODE OF CONDUCT

QISSN is committed to ensuring the safety, welfare and wellbeing of all involved in the carnival is maintained at all times. The Netball Queensland Part A Codes of Behaviour has been adopted and will be enforced throughout the carnival.

TEAMS

Teams this year will consist of up to 12 nominated players. Players must be registered prior to the Carnival. All player changes MUST be recorded on the score sheets, in Netball Connect and with the organising committee. Swapping of players after the carnival has commenced is not permitted.

BLOOD RULE

An umpire is required to call time when no 'on court' player has called time and the umpire observes that a player is bleeding or there is blood on the court, ball or any other player. A bleeding player must be replaced immediately. Before any player may retake the court (after a goal has been scored):

- The flow of blood must be stopped; and
- Any wound must be cleaned or covered; and
- Any bloodstained clothing must be cleaned or removed; and
- The ball and court must be cleaned before any play restarts, if necessary

CONCUSSION RULE

QISSN follows the guidance of the community netball guidelines. The new guidelines, which are designed to protect the health and wellbeing of all participants, are in alignment with the recent Australian Institute of Sport's Concussion and Brain Health Position Statement.

If a concussion is suspected, a standard primary survey and cervical spine precautions should be used. Once safe to do so, the player must be removed from play and assessed in a quiet, safe environment. The player must be monitored closely and taken to seek medical attention if not already provided.

If a doctor is not present at the match, the player must remain out of play until they have had a chance to be medically assessed.

If a diagnosis of concussion is made the earliest that a player that has sustained a concussion can return to play is on the 21st day post the concussion incident provided they get medical clearance.

If a diagnosis of concussion is not made, the player may return to play only once medical clearance from a certified medical GP, stating they do not have a concussion is provided to the QISSN Executive Officer.

INJURY

During any game, injured players must leave the court and they can be replaced immediately. Players may change positions after an injury occurs. No injury time except for the Division 1 Grand Final when the International Netball Federation Rules of Netball will apply.

GAMES

All games, excluding the Division 1 Grand Final will be 2 x 12 minute halves with 2 minutes between halves and a 4 minute changeover time between games. The Division 1 Grand Final will be played 4 x 12 minute quarters with a 2 minute break for $\frac{1}{4}$ and $\frac{3}{4}$ quarter time and a 4 minute break for half time.

EQUAL POINTS

If two or more teams have gained equal points at the completion of the Divisional Games, placings for Quarter Finals shall be decided by the best for and against ratio.

EXTRA TIME

In the Quarter Finals, Semi Finals and Grand Finals (except Division 1), if there is a tie at the end of full

time then there will immediately be 2 x 3 minute halves played with no break between halves, with a change of ends. Rolling substitutions will continue as per guidelines below (normal injury protocols also apply). If the game is still drawn at the completion of extra time the game will continue until one team has a two-goal advantage.

ROLLING SUBS

Rolling substitutions to apply to all fixtures. The substitute player must stand close at their team's bench to indicate a substitution is to take place. The player must be wearing the bib of the position they are taking.

Before leaving the substitution area, the player must tag hands with the player being replaced ensuring all offside rules are observed and neither player should interfere with the game or umpire. There is no limit to the number of rolling substitutions in a game.

DIVISION 1 EXTRA TIME

In the case of a draw in the Div 1 Grand Final there will be 2 x 6 minute halves with players to change ends at the completion of the first half of extra time and the game continues. Rolling substitutions will continue as per guidelines above (normal injury protocols also apply) and if the game is still drawn at the completion of extra time the game will continue until one team has a two-goal advantage.

ALL-STAR/RISEING STAR SELECTION AND MVP'S - NUMBERING OF PLAYERS

Please use the marker provided to number your players as per their number in the program. For the ease of selectors and for when coaches are selecting MVPs at the end of each game, please write the player's number on both calves, and both upper arms.

MOST VALUABLE PLAYER

Coaches/Managers from each team are to nominate one player from their own team AND one player from the opposing team as the Most Valuable Players from that game. A tally of votes will be kept and the player from each team with the most votes at the end of the carnival will receive the Most Valuable Player Award for their team.

PLAYER OF THE CARNIVAL

The award for Player of the Carnival shall be decided by the Selectors.

POINTS

Points shall be awarded as follows:

- Win by 5 goals or more 5 points
- Win by less than 5 goals 4 points
- Win on forfeit 5 points with a given score of 15-0
- Draw 3 points
- Loss by less than 5 goals 2 points
- Loss by 5 goals or more 1 point
- Loss on forfeit 0 points with a given score of 0-15

UMPIRES AT QISSN

All umpires at QISSN have a National C Badge qualification or higher. A roving Umpire Mentor will be on the games floor each day to assess umpires, coach umpires and give feedback where required.

Umpires will be allocated their schedules prior to the start of each day and the Umpire schedules have been taken into account in game allocation. The Umpires will be reallocated pool games as determined by the Umpire Mentor. Umpires will be required to see the Umpire Admin Convenor for scheduling/sign in and any other administrative requirements as determined by the Mentor.

Captains may approach the umpires at half time or after the game to ask questions relating to the rules of netball or the interpretation by the umpires on court.

Any player/official found guilty of disputing the Umpire's decision or otherwise misconducting her/ himself, may be liable to be disqualified, suspended, or fined for such time and/or amount as may be decided upon by the Carnival Officials.

SCORE CARDS

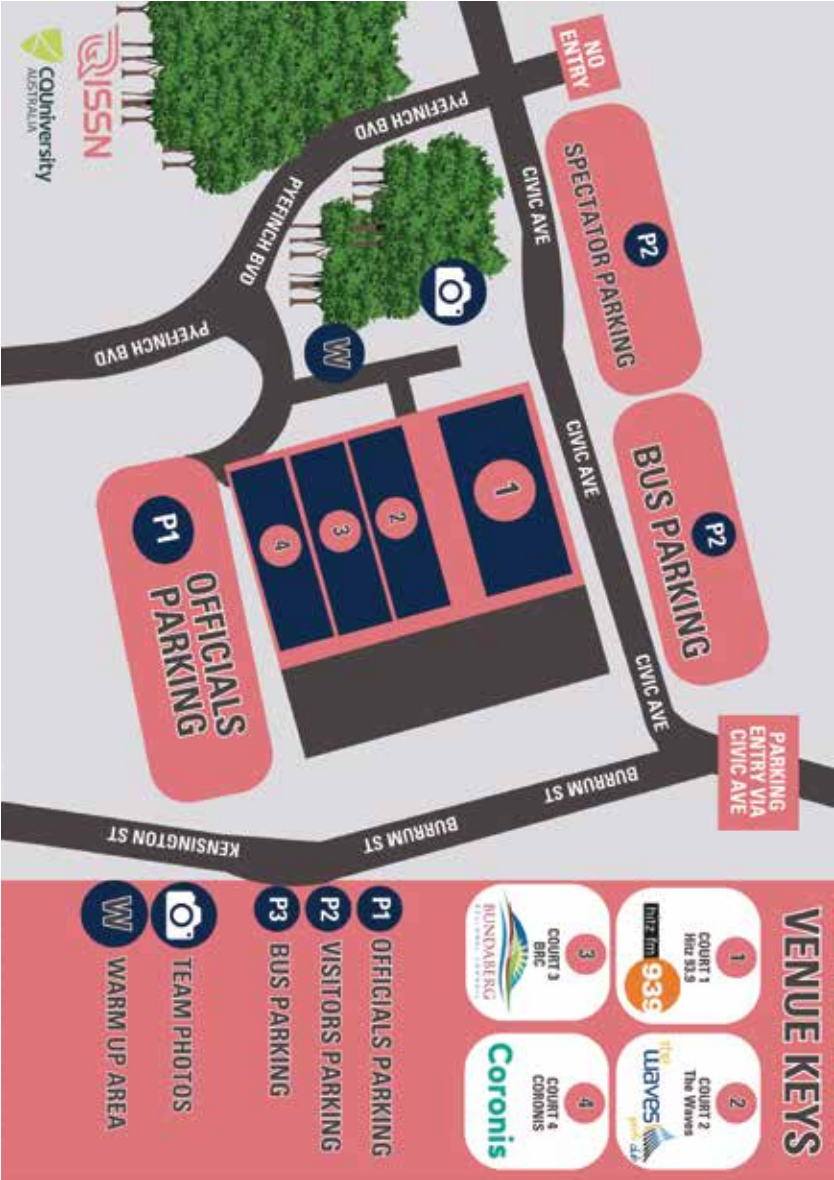

Score sheets will be used alongside Netball Connect. Score Sheets will be available on each scorer's bench. Paper Copies of the score sheets are required to be handed to the information desk by the competing schools immediately following the match. Scorecards need to be completed in full, including MVP selections and signed by both teams.

DIVISION 1 TROPHY

Named: QISSN Cup

DIVISION 2 TROPHY

Named: Lara Nilsson Trophy

Lara Nilsson, former student of Clairvaux MacKillop College and QISSN competitor, Brisbane went on to represent the Queensland Fusion/Firebirds as defender in 2008, 2009 and 2011. Now retired from professional netball but still living in Brisbane, Lara is a secondary maths teacher.

DIVISION 3 TROPHY

Named: Candice Adams Trophy

Candice a registered nurse now living in Melbourne, began her love of netball as a student of Marymount College, Gold Coast. During her time at school, Candice played for Marymount College in the QISSN carnival. She began her elite netball debut in the final round of the Commonwealth Bank Trophy in 2007 taking the court for the Queensland Firebirds. In 2009 Candice was involved in the Australian Institute of Sport netball program before returning home to Brisbane in 2010 to play in the Holden Cruze Cup. She was contracted to the Queensland Firebirds for the 2011 season.

DIVISION 4 SHIELD

Named: Amelianne Wells Shield

Born in Bundaberg, Amelianne started playing netball from the age of 12. Playing netball at high school, Amelianne competed in the QISSN carnivals. She was contracted to the Queensland Firebirds from 2011 to 2014 and was a great part of their success and ANZ Championship trophy win. Since then, Amelianne has represented the New Zealand Silver Ferns however has withdrawn from the 2017 season as she is expecting her first baby

DIVISION 5 SHIELD

Named: Beryl Friday Shield

Beryl Friday is an indigenous Australian and was a student of Gilroy Santa Maria College. She represented her school at QISSN in years 8

and 9 before enrolling at St Margaret's Anglican School. Beryl went on to play in the 17 years and under AND 19 years and under Queensland teams as well as the Australian under 21 team. Beryl played for the Queensland Firebirds in 2016 and this year played for the Northern Territory Storm in the National Netball League. She is studying teaching.

DIVISION 6 SHIELD

Named: Sally Butters Shield

Sally Butters competed at the 2006 QISSN carnival representing St Rita's College who won the Division 1 QISSN Cup that year. In the same year Sally was awarded the Player of the Carnival. Sally went on to have a highly successful netball career playing in the ANZ Qld Fusion Team from 2008 – 2014. Sally now works teaching in a Brisbane secondary school and is involved in their netball academy.

DIVISION 7 SHIELD

Named: Jemma Mi Mi Shield

Jemma Mi Mi competed at the QISSN carnival representing Carmel College and debuted in 2017 for the Queensland Firebirds. A former Australian touch football representative – Mi Mi can turn a game in an instant with her lightning speed and quick footwork. Jemma is currently studying a Bachelor of Clinical Exercise Physiology and then wanting to study a Masters of Education at QUT

ALL SOULS ST GABRIELS SCHOOL is a co-educational day and boarding school in the Anglican tradition. All Souls was established by the Bush Brothers of St Barnabus in 1920 as a War Memorial School. St Gabriel's was established in 1921 by the Sisters of the Sacred Advent.

Both schools had a strong sporting tradition, and this has continued since the two schools joined to become All Souls St Gabriels School in 2000. All Souls St Gabriels School students have been heavily involved in netball in the North Queensland region for many years. In 2007 we joined the QISSN competition and since then QISSN has been a sought after experience for many girls at the School. We look forward to playing a week of tough and good-spirited competition this week.

Nestled on the stunning Gold Coast, **AQUINAS COLLEGE** is a vibrant coeducational school where the beauty of blue waters meets the lush green mountains. Netball thrives here, with our enthusiastic students regularly competing against other Catholic schools. This year, our dedicated team has also been gearing up for the Queensland Independent Secondary Schools Netball (QISSN) competition by participating in local matches and welcoming touring teams from New Zealand. In addition to QISSN, our talented girls have showcased their skills in the Catholic Cup and Vicki Wilson Carnival throughout the year.

The Aquinas College community extends their best wishes to all competing teams including players, coaches and managers. Here's to an exciting and memorable week ahead!

ASSISI CATHOLIC COLLEGE is a co-educational P – 12 College located at Upper Coomera on the Gold Coast. Established in 2005, the school has more than 1500 students enrolled. As a Franciscan community, Saint Francis and Saint Clare are important figures within the College. The College motto “Peace through Justice” reminds the community of the call to seek peace and justice through education in the Catholic faith, living our Gospel values and to be socially and ecologically just.

Assisi’s netball program began in 2008. The Open Team has competed at QISSN since 2009. In 2013, we played in a very competitive Division 4 Grand Final and last year in 2024 had our greatest success by winning a nail-biting Div 6 Grand Final by one goal. This year, Assisi is bringing an enthusiastic and motivated team to the carnival and our girls are looking forward to a tough, yet fun competition.

ASSUMPTION COLLEGE WARWICK is a vibrant, and distinctively Catholic, learning community, it can trace its origins back as far back as the 1870s. Assumption College enlivens the charisms of Catherine McAuley, through the Sisters of Mercy; Edmund Rice, through the Christian Brothers; and Mary of the Assumption, as expressed through our interconnectedness to our Parish. The rich heritage which is provided by these charisms allows Assumption College to thrive within its motto of “Truth and Love”.

We participated in our first QISSN Carnival in its inaugural year and it has been the highlight of our netball season at the college. Assumption College’s players and staff would like to wish all QISSN participants the best of luck for the upcoming week.

BLACKHEATH & THORNBURGH

COLLEGE was originally founded in Charters Towers in 1919 as Thornburgh College for boys and later Blackheath College for girls was inspired in 1920 under the leadership and guidance of the same passionate Presbyterian and Methodist Church representatives.

In 1984 the two Colleges merged and 106 years on from our foundation, we are now a co-educational, non-denominational, independent day and boarding school that cares for approximately 450 students from Kindy to Year 12. The city of Charters Towers boasts three major industries: gold mining, grazing and education. The College is located on one 10 acre campus with boarding facilities for both boys and girls.

The College offers both an academic and vocational curriculum for senior students with a significant number of Year 12 students moving onto university and a range of other recognised career pathways. Co-curricular activities have always played a significant role at the school with students excelling in a number of sports. The College's core values prepare our students for further education, employment and for life!

Blackheath girls have enjoyed the opportunity to participate in the QISSN carnival since 2001 and is always a highlight on the sporting calendar for our First Netball Team.

CALVARY CHRISTIAN COLLEGE,

Townsville, is a community where students are encouraged to excel academically, spiritually, and athletically. From our Early Learning Centre to Year 12, we foster an environment where every student has the opportunity to thrive and grow to their full potential. With state-of-the-art facilities and innovative learning spaces, our mission is clear: to provide excellent opportunities for young people to flourish in all aspects of their lives. Central to our ethos is the integration of faith into everything we do, ensuring that students not only succeed academically but also develop strong character and values.

At Calvary Christian College, we understand the importance of a well-rounded education, which is why we offer a diverse range of sporting opportunities. Our commitment to nurturing students' confidence, talents, skills, and friendships extends to the realm of sports, where we believe participation is key to holistic development. As part of our dedication to sporting excellence, we proudly offer Netball Excellence as a Junior Elective. This program allows students to pursue their passion for netball while maintaining a focus on academic studies, emphasizing the essential elements of the sport and paving the way for successful performance both on and off the court.

CANTERBURY COLLEGE is co-educational Anglican school of 1600 students from ELC to Year 12 and over 300 staff, located in Logan. Our vision is to inspire and nurture confident, optimistic and compassionate young people who are World Ready. Canterbury is a member of The Associated Schools (TAS), greater Brisbane's premier coeducational interschool sporting competition for independent schools.

Canterbury is proud of our Netball Academy. A strong curriculum program combined with a wide selection of co-curricular opportunities, Canterbury College Taipans Netball brings together innovation, performance, wellbeing, and community. We are honoured to be associated with QISSN and cannot wait to be a part of the 2024 Carnival experience.

CARMEL COLLEGE, established in 1993, is the only co-educational Catholic Secondary College in the Redlands. In living out the College motto "Let Your Light Shine", Carmel College actively promotes a wide range of learning and teaching; active engagement in co-curricular programs – sports and arts; and numerous outreach opportunities. Current enrolment stands at over 1200 students, from Years 7 to 12. Situated in the Redland Coast we have a strong connection to the islands, which is important for our Indigenous and Torres Strait Islanders students.

Carmel College entered the QISSN competition in 2013 and successfully hosted the 2015 carnival. The College has a long tradition of netball involvement, including competing in local competitions throughout the year such as Catholic Cup, Vicki Wilson Cup, as well as participating in the Southeast Colleges Association (SECA) competition. Carmel College has developed strong players who have gone on to represent at state level and for the Queensland Firebirds. With this success in netball, we are excited to be entering our boys' team in their third year of QISSN. This comes off the back of a successful 2023 and 2024, which saw the boys make the Grand Final and narrowly losing to be awarded second place on both occasions. Our sporting program is based upon fair play, respect for teammates and opponents, participation, and enjoyment.

This year Carmel College is excited to be competing with a young, developing team. We extend our best wishes to all teams, and hope everyone has an enjoyable week of netball and friendship.

THE CHANEL COLLEGE motto 'To Live Justly' is taken from the Old Testament prophet Micah (6:8). The motto sums up the aim for which the college was founded in 1966 and exists today. Chanel College has been attending the annual QISSN carnival for the last sixteen years and are very much looking forward to returning in 2025.

For a relatively small co-educational college in Gladstone, Chanel College has a strong netball tradition, dominating Town and Inter-School competitions and consistently competing in the Vicki Wilson Cup and Sully's Carnival. We aim to ensure we provide all players with the best opportunity to ensure that netball at the College has a strong future.

With a host of talent from Local and Regional representative teams, we are hoping to further improve on our performance in 2024. Chanel College and indeed the whole community of Gladstone are behind the Chanel College QISSN Netball team and looking forward to the team's success in 2025.

CHISHOLM CATHOLIC COLLEGE is a co-educational school located in Cornubia, south of Brisbane. Our College is a bright and vibrant faith community.

As a College community we strive to 'Live Christ's Challenge' and pursue ambition, commitment, faith, integrity, love and mercy. To 'Live Christ's Challenge' means not to be superior to others but to be superior to oneself, to recognise that the best of us lives inside and there is always more we can be.

The Chisholm Netball Academy is constantly developing and nurturing its young netballers and have seen success in a variety of competitions across South-East Queensland. We are proud of our Netball Academy and pride ourselves in our involvement in the QISSN competition as we enter our 16th year of competition.

Our team this year form a determined and committed squad who are keen to make their mark. We as a team we are striving towards our goals and look forward to taking on the strong teams in QISSN 2025.

We wish our girls and all other competing teams the best of luck.

CLAIRVAUX MACKILLOP COLLEGE was formed in 1988, when Clairvaux College (Christian Brothers) and MacKillop College (Sisters of St Joseph) amalgamated. Located in Upper Mt Gravatt, Brisbane, Clairvaux MacKillop College is a coeducational Secondary College of almost 1350 students.

We are a dynamic learning community, offering a quality faith-based education that is heavily involved in curricular and co-curricular activities. The College has a proud sporting history and our netball teams have been involved in the QISSN carnival since its inception.

In 2010 Clairvaux MacKillop College hosted and won the carnival thanks to the great team spirit the College possesses. Our netballers are passionate about their game, and they are renowned for their sporting spirit both on and off the court.

We look forward to the 2024 QISSN Carnival and wish all players, officials and staff the best of luck.

COLUMBA CATHOLIC COLLEGE inspires day and boarding students, in a climate of Courage, Commitment and Compassion to grow in faith, purpose and knowledge.

Founded on Catholic traditions, the College encourages students to use their gifts and talents to pursue excellence and to be a "Light to the World".

Netball is a popular sport at our College. We compete in the local schools' competition in Charters Towers and have prepared for QISSN by competing weekly in the town competition.

This year, Columba is bringing a passionate and enthusiastic team to the carnival, who are looking forward to a challenging, yet fun competition. Columba players, coaches and managers wish everyone competing the best of luck and hope you shine this week!

DOWNLANDS COLLEGE was founded by the Missionaries of the Sacred Heart, an Order of religious Priests and Brothers founded by Jules Chevalier at Issoudun, France, in 1854.

Downlands College opened in 1931 and is run by the Missionaries of the Sacred Heart with a committed group of teachers and support staff. It began as a boarding school for boys with a total enrolment of 68. Today, it is fully coeducational and enrolls boys and girls as day students or boarders, from all areas of Queensland and beyond. Downlands nurtures a strong religious spirit, marked by the Gospel values of Faith and Community.

The College motto is Fortes in Fide, meaning Strong in Faith. Downlands promotes a strong netball program that fosters the development of skills and game play across all year levels. QISSN has continually provided a positive experience for our teams offering the opportunity to foster team spirit and develop team dynamics.

Emmaus College Jimboomba

EMMAUS COLLEGE is a P-12 school serving over 1,560 students, located in Jimboomba. As a Christian school, owned and administered by Brisbane Catholic Education, it represents a unique partnership between the Anglican, Catholic, Lutheran, and Uniting churches. The college is known for its vibrant community, purposefully designed learning spaces, beautifully landscaped grounds, innovative curriculum, and its warm, friendly atmosphere, all characterized by respectful and positive relationships.

In 2025, Emmaus College is focusing on the theme of Hope—encouraging students to look to the future with optimism, supported by well-rounded academic, sporting, spiritual, and cultural programs. Students are given the opportunity to develop new knowledge and skills, build self-confidence, form a strong sense of personal identity, and deepen their understanding of their place in a globalized world.

Emmaus College was thrilled to debut in the prestigious QISSN carnival in 2023 and, in 2024, achieved an outstanding victory, winning the Division 7 Shield. Our 2025 team is excited and motivated to further hone their skills while embracing the competition and camaraderie that QISSN offers. Here's to another fantastic week of netball!

EMMAUS COLLEGE was established in 1983 as a co-educational college for students in years 11 and 12.

In 1993 it merged with the nearby junior school Marian/St Stanislaus College to form the present Emmaus College (years 7 to 12), a unique merger in that it was, and still is, the only multi-campus Catholic college in Rockhampton.

Emmaus College has a strong Netball tradition and has competed in the QISSN carnival since its foundation in 2000 where we contested the division 1 grand final in the inaugural year of 2000 & 2014.

The College competes in the local schools' competition with a team that has a huge depth of talent every season.

Emmaus netball teams have enjoyed the opportunity to compete and be challenged by the outstanding netball played during the QISSN carnival. We would like to wish all competing teams the best of luck.

FRASER COAST ANGLICAN COLLEGE

is a co-educational school with over 920 students from Kindergarten to Year 12. We enjoy a beautiful, natural environment set in the rapidly growing coastal city of Hervey Bay.

Our mission is to provide a high quality learning environment within a Christian community of the Anglican tradition which enriches the Body, Mind and Spirit of each student.

Fraser Coast Anglican College are especially proud of our students' high standards and the education we offer. We have been recognised as the number one regional school in Australia for 2022.

We have a broad range of co-curricular activities in sport and the arts, as well as an extensive outdoor education program of camps, leadership opportunities, service programs and a variety of clubs and activities that provide challenge, extension and stimulation for our students. We encourage and expect our students to participate actively in the life of the College and wider community.

2025 will be the eighth year that Fraser Coast Anglican College competes in QISSN. Participating in QISSN annually has enriched our school netball program.

Our team comprises of students from years 8 to 12 who have a strong desire to represent their school in Netball while forming new and lasting friendships.

The College is excited at the opportunity to compete in QISSN and is looking forward to expanding the identity of Netball at Fraser Coast Anglican College in the years to come.

Gilroy Santa Maria College, Ingham

Set in the cane fields of North Queensland on the outskirts of Ingham, **GILROY SANTA MARIA COLLEGE** offers outstanding educational opportunities to our students within a warm supportive and caring environment.

The College is the result of a merger of two secondary Catholic schools, Santa Maria High School a girls' school run by the Sisters of Mercy and Cardinal Gilroy College a boys' school operated by the Christian Brothers. It is a co-educational school of approximately 320 students.

Gilroy has participated in the QISSN carnival since 2004, with enthusiasm in various different divisions. These young talented females have represented the college with pride and have been very fortunate to witness some of the outstanding talent that our school has to offer.

We hope this year will be as successful and enjoyable as other years with the dedication of our coaches and managing staff.

GOOD SHEPHERD CATHOLIC COLLEGE

is a co-educational Catholic school in Mount Isa located approximately 180 kms from the Northern Territory border and 1800 kms from Brisbane.

Originally a Christian Brothers school, Good Shepherd Catholic College maintains a proud tradition of providing opportunities for young men and women to achieve their best and encourages all students to grow academically, socially, emotionally and spiritually.

This year our team has worked hard in an effort to perform at our maximum potential for QISSN 2025. This team has fostered strong relationships and offers the opportunity for students to collaborate and connect across year levels. These talented young women have represented the College with pride, and through their passion of netball, they have been able to develop individually and as a team. Good Shepherd Catholic College is proud to be returning to QISSN, full of the spirit of the North West!

GOOD SHEPHERD LUTHERAN COLLEGE

is a Prep to Year 12 College located in beautiful Noosa on the Sunshine Coast. Established in 1986 by the Lutheran Church, the College is part of Lutheran Education Queensland.

The College boasts state-of-the-art facilities including a Health and Physical Education Centre equipped with a high-performance gym, swimming pool, tennis courts and basketball courts. Good Shepherd is also home to Little Lambs Early Learning Centre which caters for pre-kindy and kindy placements for children aged 3 to 5 years old. Travel to the College is made easy as the College operates its own private bus service, offering safe travel from hinterland regions.

Good Shepherd prides itself on offering a Christian education in a caring environment, with the main focus being on the development of the whole child. Each student is recognised as an individual and is offered a comprehensive education which allows them to reach their potential as both learners and the leaders of tomorrow.

Through the team of skilled and dedicated teaching and non-teaching professionals, they are able to offer the students a wide variety of opportunities in the areas of academic, culture, sports and the arts.

QISSN is a highlight for our senior students, where they gain experiences, friendships & lifelong memories. This year marks our 8th year competing in QISSN, and we eagerly anticipate a challenging and enjoyable carnival.

MARIST COLLEGE EMERALD is a Catholic Co-educational College situated in Emerald, Central Queensland, located three hours west of Rockhampton. The College is built in the Marist Brothers' tradition and is characterised by a strong family and community spirit.

The College was founded in 1996 and currently has over 600 students in Years 7-12, of whom many travel from outlying country towns to attend the College. The College is a faith community teaching Gospel values, which nurture the giftedness and dignity of each person.

Marist College have been attending the QISSN Carnival since its inception. The College netball team participate in local competitions, generally competing to a high standard but do not have regular opportunities to compete against other schools. As a result, the QISSN carnival is always the highlight of the netball year and the girls always look forward to an excellent competition.

In 2025 we have a motivated and enthusiastic group representing the College in our QISSN team. The girls have been training very hard in preparation for the carnival since the beginning of the year and we look forward to competing at QISSN this year. The players and staff of Marist College Emerald would like to wish all QISSN participants the best of luck for the fun and challenging week ahead.

MARYMOUNT COLLEGE is a large, co-educational Catholic school located in Burleigh Waters on the Gold Coast. Marymount provides a happy, safe and supportive environment to meet the needs of each student, in close partnership with their families. The school offers an extensive range of academic, cultural and sporting opportunities for students. The College is committed to ensuring the Gospel values of respect, care, inclusivity, forgiveness, faith, hope and love are reflected in the minds and hearts of its community members. Marymount encourages employment and academic readiness for life after school.

The College has a long and proud sporting tradition, participating in many local competitions and representative sports. Past students have further represented in their chosen sport at state, national and international levels. Marymount continually exhibits a fierce competitive spirit and skill in sport.

Marymount has been competing in QISSN for several decades and looks forward to continued success. Marymount has won the Lara Nilsson Trophy three times. We take great pride in the way our girls present themselves and represent our College. We strongly believe in the wholistic benefits that sport provides our students, in particular the collaboration across year levels. Our girls are keen to further develop their netball skills and enjoy the high standard of competition and comradeship offered by QISSN. Our team has worked hard at training and fostered strong relationships with one another. The QISSN Carnival is a highlight of our netball year and we look forward to competing in Bundaberg this year.

MATTHEW FLINDERS ANGLICAN

COLLEGE is a vibrant co-educational, independent school located at Buderim on the Sunshine Coast. Catering for 1400 students from the Preparatory Year to Year 12, its focus is on fostering learning for life. The College is very proud of its strong academic record, and the breadth of opportunities offered to students in music, art and drama. Flinders also runs an extensive co-curricular program, including a strong netball program.

Netball is the sport of choice for many of the female students who attend Flinders. In 2025 we have 15 teams competing in the Sunshine Coast Secondary Schools' Netball Competition from Year 7 through to Year 12. Matthew Flinders Anglican College is pleased to be making another appearance at the QISSN tournament in 2025, it is truly a highlight of the year to play in this enjoyable and challenging week-long carnival each year.

MOUNT ALVERNIA COLLEGE has provided high quality education in the Franciscan tradition for young women for more than 60 years.

Taking its name and spirit from Saint Francis of Assisi, one of the best-known saints in history, the College actively promotes the Franciscan values of love, simplicity, joy and respect for all creation in all aspects of the College Community, whether it is in the classroom, on the sporting field, in the music centre or in the various outreach programs which the College supports.

The emphasis of our sporting program is on participation, co-operation, team spirit and having fun. Students of all abilities are involved and there are opportunities for talented students to be selected for representative, district, regional and state teams.

Committed coaches and managers work with students to help them improve and achieve their best in their chosen sports.

MT MARIA COLLEGE is a Catholic coeducational secondary institution located in Mitchelton, Brisbane, boasting 1200 student enrolments. Although a systemic school, the college holds a deep appreciation for the Marist tradition, which has been at its core since its establishment in 1978.

Proudly affiliated with QISSN, Mt Maria College has been a consistent participant in the Carnival since its inception in 2002.

Over the years, the College's Senior Girls team has achieved notable success, claiming Divisions wins in 2002, 2012, and 2016.

In 2023, history was made as Mt Maria introduced its inaugural Senior Boys Netball team to the competition, impressively securing the runner-up position in Division 2.

The College is always extremely proud of the students that take the court for Mt Maria College at QISSN and we look forward to a strong 2025 campaign.

OUR LADY OF THE SOUTHERN CROSS COLLEGE is a Prep-Year 12 College located in Dalby, one hour west of Toowoomba. Prior to 2008, St Columba's, established by the Sisters of Mercy in 1877, was the primary school and St Mary's, established by the Christian Brothers in 1962 was the secondary college.

Our primary purpose is to provide quality education within the framework of the Catholic Christian tradition. The whole college community - staff, students, parents and parish work in partnership to achieve this end. Current enrolment stands at at 295 students in the secondary section of the college.

Our Lady of the Southern Cross College first attended the QISSN Carnival in 2017. In 2023 we had our most successful year, winning nine out of ten games. In 2024, we have moved up to Division 5/6 and we remain in this division and look forward once more to the challenge of the QISSN Carnival.

RYAN CATHOLIC COLLEGE is a co-education P-12 College that was established by the Catholic Diocese of Townsville in 1979 to serve the rapidly developing areas on the outskirts of the city and the corridor development of the Upper Ross area.

Ryan Catholic College is now Townsville's largest Catholic College, with enrolments of approximately 2,000 students and over 250 staff. The school's size means students are offered a great depth in academic, sporting and extra-curricular pursuits.

The school maintains a special caring culture by supporting individual students and their families and offering students the broadest range of academic, sporting and pastoral care available.

Our connection with the QISSN Netball competition began in 2008 and in our history, we have had the honour of hosting QISSN twice (2013 and 2018). This carnival provides students with the opportunity to see netball played at a high standard and foster great sportsmanship and friendship.

We look forward to another great carnival and wish all players the best of luck.

SHALOM COLLEGE Bundaberg is a co-educational day school for year 7-12 students with a student population of approximately 1600. Shalom College aims to create a loving community in which the Gospel values are practised by word and example. The college was founded in 1984 with the amalgamation of the former Mercy Sisters School, Loyola College and by the Christian Brother's College, Bundaberg.

Shalom instigated the QISSN carnival with the intention of providing a week-long competition for girls in parallel with the boys' Confraternity rugby league carnival.

Shalom College has had good success during the QISSN carnival taking out the Division 1 title in 2008 and 2009, winning the Division 3 title in 2018 and the Division 4 title in 2023.

We are excited to be hosting the 25th QISSN carnival this year and our Girls and Boys QISSN teams hope to achieve on court and off court successes and memories.

SIENA CATHOLIC COLLEGE is a co- educational school situated at Sippy Downs on Queensland's Sunshine Coast. Opened in 1997, it caters for students in Years 7-12 and has an enrolment of approximately 900 students. At Siena, we strive to live by the Four Pillars of Dominican life - Prayer | Study | Community | Service. These four Pillars, when lived, enable us to do the work to which we have been called. Prayer is how we encounter Jesus in liturgy, in Scripture, in contemplation and in meditation. It is about placing ourselves in the presence of God.

Study gives us a deeper understanding of God. Through study, we come to know truth, which should fill every aspect of our lives, guiding us to love of God and love of neighbour. Community provides us with a place of encouragement and support, where we are truly present to others and where we are united in a common purpose. Service is how we communicate the truth and love of Jesus to others, through word, action and example.

QISSN is always the highlight in our netball season which we look forward to competing in each year.

SOUTHERN CROSS CATHOLIC COLLEGE

is a learning community which aspires to growth in knowledge, love and service in the presence of God.

We are a Prep to Year 12 day school offering families a co-educational pathway to life-long learning. In 2025, Southern Cross Catholic College (SCCC) celebrates 30 years as the principal Catholic college on the Redcliffe Peninsula. The College is built on the foundations of seven primary and secondary Catholic schools which amalgamated to form the College we know today. This year we also celebrate 20 years of competing at the QISSN Carnival.

The QISSN Carnival is always the highlight of our netball year and the girls always look forward to the fun, the experience and the excellent competition.

Many thanks to the QISSN Executive for their tireless efforts, as they continue to provide the opportunity for schools to compete at such an elite level. We wish all teams the best of luck.

The Christian Brothers established **ST COLUMBAN'S COLLEGE** as a boys College in Albion Heights in 1928. In 1996, the College, under Brisbane Catholic Education, became co-educational in preparation for the relocation to its present location in Caboolture in 1997.

The College has grown greatly in its 28 years at Caboolture to a school of 1160 young men and women. We pride ourselves on being part of the Edmund Rice Education network and live the charism of Presence, Compassion and Liberation in all that we do.

St Columban's College entered the QISSN Carnival in 2010 and has experienced some great successes over the last 13 years. The College nurtures a strong and positive netball culture, competing in the Vicki Wilson Cup and the QLD Catholic Netball Cup. St Columban's College is also a member of the 'The Associated Schools' (TAS) Sporting Competition – a Saturday sporting competition with teams from seven other schools from across the Brisbane Region – and have been Champion Netball School of TAS for the last nine years.

We look forward to a great week of netball with high standards of competition, sporting spirit along with the creation of great friendships and camaraderie. St Columban's College is fortunate to have such committed Coaches and Managers who make this an excellent experience for the team. We thank the QISSN committee and host schools who work extremely hard to host this premiere netball sporting competition every year.

ST JAMES COLLEGE is a co-educational Catholic School (Yr 5-12) in Edmund Rice Tradition (EREA). It was established in 1868 and taken over by the Christian Brothers in 1893, becoming a co-educational college in the 1990's.

As a diverse community, with students from numerous cultural, faith and learning backgrounds, who have high hopes for the future, we 'live and breathe' cultural understanding. St James College shows its passion to see all its students on a pathway to succeed. Its range of offerings in diverse academic subjects, programs, AQTF certificates, school-based apprenticeships, sports, debating and cultural areas provides options enabling our students to reach for the stars, live the "touchstones" and achieve their dreams! Our emphasis is on gaining transferrable skills, micro-credentials, incorporating the power of problem solving, digital prowess and the human heart! This Carnival embellishes many of these skills with its teamwork, friendships and testing of resilience.

The College's globally diverse community is proud of the culture of advocacy, its weekly brekkie to our homeless community, immersion programs and its many other actions on local, national and global levels.

The College has expanded its indigenous students and cultural program and has embraced a Pasifika leadership initiative, with increased numbers of students in this group. Its motto of Global Learning-Achieving Aspirations is made real with 70 percent from EALD backgrounds.

We are thrilled to be the 2023 host school and have proudly reached out to our community. After hosting in 2021 and being disrupted by Covid- 19, we are excited to fully host this time. With both the boys and girls teams participating, it has seen our netball program really develop. We thank the coaches, managers and supporters and wish the teams the best in play and camaraderie.

ST JAMES LUTHERAN COLLEGE,

located in the heart of Hervey Bay, is a coeducational and inclusive school catering for students from Kindergarten to Year 12. Committed to nurturing every child, the College partners with families to lay a strong foundation for lifelong success. The College offers a rich and diverse curriculum, with a strong emphasis on fostering individual potential in a supportive and caring environment.

Students at St James are encouraged to explore their passions and talents through a wide range of opportunities, including an active sports program. With inter-house and interschool competitions as key elements of the sporting program, the College is cultivating a love of sport where students share the joy and connection that comes from team participation. Many students have achieved notable success as both athletes and scholars during their time at St James.

As a close neighbour to the host town of Bundaberg, St James Lutheran College is proud to showcase the unique beauty and vibrancy of the Fraser Coast region to other teams. This opportunity not only highlights our stunning local area but also reinforces the sense of connection and community among the schools participating in QISSN.

The College is honoured to be part of this year's QISSN competition, celebrating sportsmanship, teamwork, and excellence. We extend our heartfelt thanks to the organisers and officials for their hard work and dedication in bringing this event to life. Thank you also to Shalom College for once again hosting this special event and making this tournament a highlight for all involved.

Finally, we wish all teams the very best for the competition and look forward to an exciting week of camaraderie, skill display and development while sharing our passion for the game.

ST JOHN FISHER COLLEGE (SJFC) is a Catholic secondary girls school located in Bracken Ridge, on the northside of Brisbane, with 680 students from year 7-12. SJFC was established as a secondary school in 1981, when it moved from Sacred Heart, Sandgate to its current home in Bracken Ridge.

The College provides a holistic education in the Mercy tradition and has a strong culture of excellence in sport and performance as well as academia. The College's sporting program is inclusive and well-rounded with values that are based on fair play and respect for others. SJFC is a member of the Catholic Secondary Schoolgirls' Sport Association (CaSSSA) and has enjoyed success in many carnivals across its range of sporting competitions. The College has experienced significant success in netball and is proud to call both former Queensland Firebird, Jacinta Messer, and current Sunshine Coast Lightning player, Mahalia Cassidy, past students. We are proud to also have former Queensland Firebird, Deanna Turner, as a current SJFC staff member.

SJFC is delighted to again be travelling to Townsville to participate in QISSN this year where our school first joined this premier competition in our inaugural year in 2018. This year we will be bringing a developing team of mixed ages who are very enthusiastic and talented. The girls are looking forward to the opportunity to showcase their netball ability and enjoying the experience of playing against high-quality teams.

Our SJFC team officials and players extend their best wishes to all teams participating and hope everyone has an enjoyable week of strong netball, fair play and friendship.

ST JOHN'S CATHOLIC SCHOOL

is situated in Roma, approximately 470 km west of Brisbane. We are a Catholic coeducational K-12 School of approximately 820 students. St John's was established by the Sisters of Mercy in 1881. It was through the great work of the Sisters of Mercy that St John's is here today. Many years of hard work establishing the school in unforgiving conditions ensured the progress of their dream to educate children in the west.

Many men and women who shared the vision of the sisters also pledged their support during these early days and much of the success of the school can be attributed to their contributions and hard work.

ST JOSEPH'S COLLEGE, a co-educational institution nestled on the picturesque range in Toowoomba, is guided by a mission to offer liberating education founded on Christian principles that permeate every facet of College life.

This competition remains our focus on cultivating resilient and skilled players who are driven to revel in their sporting endeavours while also being equipped to positively influence their personal growth. Our team eagerly anticipates engaging in this competition with enthusiasm and unwavering dedication.

This competition provides a platform for all participants to engage in friendly competition within a welcoming setting, fostering the development of strong team camaraderie, unity and the ability to embrace both success and setbacks. It highlights the importance of facing challenges gracefully, whether in success or defeat.

The QISSN competition is highly esteemed by the students and staff at St Joseph's College, with many viewing it as the pinnacle of their netball experience. It provides them with the opportunity to push themselves, set goals and learn how to navigate both success and failure, ultimately contributing to their personal growth and development.

ST LUKE'S is a Kindergarten to Year 12 school located some six kilometres from the centre of Bundaberg and ten minutes from the coastal growth corridor centred on Bargara.

St Luke's is a well-presented campus on a 32.5 hectare site and as a K-12 school enables students to complete all their schooling on the one campus.

The school has a very strong reputation of providing a safe, caring environment with a strong academic focus and a broad and well-developed, very successful co-curricular program.

St Luke's has competed in the QISSN carnival since its inception in 2000. Our teams have had varying degrees of success but have always competed in the spirit of the competition. We are excited and looking forward to competing this year, and we wish all the schools playing in the 2025 carnival all the very best.

For generations, **ST MARGARET MARY'S COLLEGE** (Townsville), has educated thousands of young women. Founded by the Sisters of the Good Samaritan, our students are guided to become young women of spirit and purpose, with the values of community, compassion and hospitality as our foundation.

School spirit at St Margaret Mary's College is extraordinarily strong and sport plays an important part in a Maggie's Education. Netball is one of the signature sports that is played across the year levels and involvement with QISSN since 2013 has seen our College achieve well. The St Margaret Mary's College Netball Program includes expert coaching and management. A hallmark of the program is the number of past players that contribute their support.

With a spirit of fun and teamwork, our players know that representing their school is a true privilege and are committed to achieving their best. St Margaret Mary's College has built a reputation as being Townsville's leading secondary netball school, representing the North Queensland Region at the Vicki Wilson Championship Finals Series on several occasions.

We are very happy to be returning to the courts for the Queensland Independent Secondary School Netball Carnival in the June-July school holidays. **ST MARY'S COLLEGE'S** involvement in QISSN has grown since re-entering the competition in 2017.

Preparation for our QISSN team begins six months prior to the event. Following multiple trials and the team announcement, students begin preparations in fitness, skill, and court work. Students train together twice a week and in Term 2, play weekly Wednesday afternoon games in Brisbane through the CaSSSA competition. This alongside our involvement in QC Cup and Vicki Wilson Cup, both of which prove

Preparation for our QISSN team isn't exclusive to the court. Our off-court preparation is essential to develop resilience, growth mindset and personal & team goals. Our dedicated staff also mentor regarding nutrition, injury prevention, wellbeing, and academic commitments. We also work closely with elite athlete mentor Ali Briggishaw, as well as external professionals such as Sport Psychologists.

St Mary's College feels honoured to be involved in QISSN, one of the largest netball competitions in the State. QISSN provides our students an opportunity to show what they capable of and the possibility of being scouted by the board of selectors.

We look forward to an incredible QISSN tournament in 2025.

ST PETER CLAVER COLLEGE is a Catholic co-educational secondary college in the Western Brisbane/Ipswich corridor offering a high-quality education for students in Years 7–12. St Peter Claver College was founded in 1976 and named after the Spanish Jesuit priest and missionary, Saint Peter Claver. The presence of the Sisters of Mercy was an important influence in the College's early years and today the College is a member of Marist Schools Australia, with a current enrolment of approximately 1100 students.

In the spirit of St Peter Claver's own life encounters, the College has an incredibly diverse and culturally rich school population with students from more than 25 different cultures, including Aboriginal and Torres Strait Islander, African and Pacific Islander heritage. The College motto Concern, Love and Justice provides students and the Claver community with guidance and values in which to strive to live their everyday lives by.

The College's Netball Program prides itself on developing and nurturing the next generation of players, while fostering inclusive and team-focused attitudes. St Peter Claver College is a proud division 1/2 school and has had many students selected in the QISSN All Star Team in recent years. As a proud foundation member of QISSN, the Carnival is a highlight of the College's sporting calendar and this year's team is excited to give their all at the 2025 Carnival in Bundaberg.

ST THOMAS MORE COLLEGE was founded in 1974 and presented Queensland Catholic Education with a radical alternative approach to schooling. Today the early radical practices in behaviour management and curriculum are regarded as mainstream educational practices. Situated just south of the Brisbane CBD, the College has grown from a small faith learning community to a contingent of over 1100 current students and families.

The founding principles of gospel values, intellectual reason, free will, good conscience, integrity, and courage are central to our college mission. These founding principles have enabled the College to become a vibrant faith learning community based on the example set by St Thomas More.

St Thomas More College has a strong culture in netball, with our 1st VII representing the College at QISSN since 2003. Every St Thomas More student who wears the Team More Dress understands the responsibility that is instilled in them since joining the College of 'Leave it better than you found it'.

The College has enjoyed and benefited greatly from its involvement in QISSN and with every passing carnival we have continued to play a brand of netball that is epitomised by grit, respect, and above all love of the game.

ST URSULA'S COLLEGE is a Catholic, day and boarding school, for girls Years 7 to 12 which prides itself on providing an environment that not only contributes to outstanding academic results but is a space where girls can develop into young women prepared for a wondrous future, no matter what learning pathway they choose to take.

Rich in leadership and strong in Ursuline traditions, the College provides 21st Century learning experiences in specialist facilities equipped with the latest technology, whilst catering for the individual needs and interests of all girls. Our students are encouraged to undertake their participation in sport at the College with dedication, and it is an important part of the extra-curricular activities which we offer. We are proud to say that our sports teams continue to perform well each year, showing growth and integrity at state, district, and regional levels, in both summer and winter sports.

St Ursula's College has a long, proud association with QISSN, with the College hosting the championship in 2004 and winning the competition in 2007. We look forward to continuing this association for many years to come. With our resolute team of netballers, coaches and managers who have all worked hard to prepare for QISSN competition, we are looking forward to representing St Ursula's College and wish all the teams the best of luck at this year's carnival.

ST URSULA'S COLLEGE, Yeppoon, is the only Catholic, all girls Day and Boarding Secondary College within Central Queensland. We strive to cultivate an environment of belonging, so that each and every member of our community knows they are respected and welcome. Student enrolments of 600 across Years 7-12 equate to Core classes of approximately 20 to 25 students to one teacher.

Complemented by an enriching and relevant curriculum; varied pathways; and extensive co-curricular opportunities in sport, cultural and community service areas, the holistic educational experience offered by St Ursula's College has been designed to enable today's young women to become tomorrow's leaders.

Located in Yeppoon, and only a 30-minute car ride to Rockhampton, St Ursula's Netball teams enjoy participation in Rockhampton District Secondary Schools Netball Competition.

The College has been competing in this competition for many years. We are eager to perform well, represent our college with pride and, ultimately, share our passion for the game that unites us.

SUNSHINE COAST GRAMMAR SCHOOL

is a unique learning environment set on a beautiful 100-acre site with its own lakes and rainforest. Established in 1997 as an independent, co-educational, Christian based school that is committed to excellence and offers an outstanding comprehensive education, based on individual care and attention for children from Prep - Year 12. The school provides high quality academic, cultural and sporting programs in a supportive learning environment to enable students to reach their individual goals.

Grammar Netball houses more than 150 students and 26 teams, competing in two competitions annually, totalling over 380 games played by our netball cohort. In addition to these local competitions Grammar netballers are offered unforgettable student experiences through national and international tours and tournaments, allowing netball to be the driver for valuable student experiences and community immersion within and outside of Queensland. The recent launch of the Grammar Netball Academy offers a genuine performance pathway, including specialised coaching, technical, tactical, and physical skill development for Grammar netballers.

2025 will be the 10th year that Sunshine Coast Grammar will compete in QISSN. The team have been working hard in preparation for the competition and are very excited about the opportunity to compete again in a highly competitive competition. We wish all teams the very best of luck.

The Cathedral College, Rockhampton

THE CATHEDRAL COLLEGE, founded in 1991, is a Catholic Co-educational Secondary Boarding College in Rockhampton. The College Mission Statement invites students to “Come, live life in all its fullness” and we seek to help students develop their spiritual, academic, sporting and cultural dimensions.

At the Cathedral College, we have boarding accommodation for boys and girls. We have 1,360 students at the College. Of these, 185 are boarders at our two boutique boarding Residences. The College draws a rich heritage from its predecessor schools, The Range Convent High School (conducted by the Sisters of Mercy) and St Joseph’s Christian Brothers’ College. The College has an enviable reputation for providing an education which results in graduates who are well rounded young people.

Academic excellence is sought and achieved, yet there is a broad education provided so that all who seek our values find a suitable pathway to attaining their goals. We have high expectations of our students and respect and good manners are cornerstones of these standards.

The Cathedral College has competed in all QISSN Carnivals and our players are looking forward to a great week of netball. Best of luck to all teams competing in this year’s carnival.

The Rockhampton Grammar School

THE ROCKHAMPTON GRAMMAR

SCHOOL has provided over 140 years of education in Central Queensland. Founded in 1881, Rockhampton Grammar School is a non-denominational, co-education school from Early Learning to Year 12. The School is also home to a strong boarding community, with over 340 students from Year 6 to Year 12.

The Rockhampton Grammar School is proud of our exceptional teachers, who are recognised for their passion and commitment. This extends not only to our outstanding academic results as Central Queensland's best performing school, but also to a huge range of extracurricular activities including sport, music, dance, agriculture, outdoor education and much more.

The School has participated in Division 1 since the beginning of QISSN in 2000 where the School won the inaugural QISSN Cup. This carnival provides a significant highlight to our Netball programme where girls represent the School in local club and school competitions through terms 1, 2 and 3.

Thank you to all the organisers and the host school and region for providing this opportunity in 2025. Best of luck to all teams.

TRINITY COLLEGE opened for its first one-hundred students in 1982. It was, and still is, under the auspices of the Catholic Education Office of the Brisbane Archdiocese, but it was administered in the early days by the Marist Brothers on the invitation of the Brisbane Director of Catholic Education. The Sisters of St. Joseph were also prominent on the staff of the College for the first three years. The charisms of these great Religious Orders are still evident within the College, and the virtues and values of Marcellin Champagnat and Mary MacKillop are strongly promulgated.

Trinity College is a Catholic Coeducational Secondary College with a student population of 950 students and a professional staff numbering over sixty teachers.

Trinity College has a strong history in netball and this will be our twelfth year competing in the QISSN competition. This young team are dedicated and have been training hard in preparation for the competition. They look forward in representing the College in 2025.

XAVIER CATHOLIC COLLEGE is a coeducational, K-12 school located in Hervey Bay on the Fraser Coast.

The name of the College is derived from the partnership between Saint Francis Xavier and Saint Ignatius of Loyola. Together, these two were founders of the Society of Jesus, better known as the Jesuits. The experiences, reflections and actions of Saint Ignatius and Saint Francis have influenced the positive, socially-just and reflective ethos and culture of Xavier Catholic College. As a Jesuit companion school, Xavier is a member of a network with over 2000 other Jesuit educational institutions worldwide, all which support a similar ethos as the College. A student of Xavier, above all else, aims to grow as a reflective, competent, conscientious and compassionate young person, one who also fosters an attitude of excellence and service.

Xavier also prides itself on allowing students opportunities to express themselves and their interests through a multitude of avenues. Representing Xavier in Netball is a significant commitment.

This commitment enables students to experience positive outcomes including improvement in skills, fitness, tactical knowledge, decision making, confidence, building social connections and leadership.

We have a very clear sporting philosophy built around fair play and respect at Xavier. QISSN is an example of this, and our Xavier 2025 QISSN teams have been training diligently to compete in this great week of netball in Townsville this year.

Carmel College, Thornlands - BOYS

CARMEL COLLEGE, established in 1993, is the only co-educational Catholic Secondary College in the Redlands. In living out the College motto "Let Your Light Shine", Carmel College actively promotes a wide range of learning and teaching; active engagement in co-curricular programs – sports and arts; and numerous outreach opportunities. Current enrolment stands at over 1200 students, from Years 7 to 12. Situated in the Redland Coast we have a strong connection to the islands, which is important for our Indigenous and Torres Strait Islanders students.

Carmel College entered the QISSN competition in 2013 and successfully hosted the 2015 carnival. The College has a long tradition of netball involvement, including competing in local competitions throughout the year such as Catholic Cup, Vicki Wilson Cup, as well as participating in the Southeast Colleges Association (SECA) competition. Carmel College has developed strong players who have gone on to represent at state level and for the Queensland Firebirds. With this success in netball, we are excited to be entering our boys' team in their third year of QISSN. This comes off the back of a successful 2023 and 2024, which saw the boys make the Grand Final and narrowly losing to be awarded second place on both occasions. Our sporting program is based upon fair play, respect for teammates and opponents, participation, and enjoyment.

This year Carmel College is excited to be competing with a young, developing team. We extend our best wishes to all teams, and hope everyone has an enjoyable week of netball and friendship.

THE CHANEL COLLEGE motto 'To Live Justly' is taken from the Old Testament prophet Micah (6:8). The motto sums up the aim for which the college was founded in 1966 and exists today. Chanel College has been attending the annual QISSN carnival for the last sixteen years and are very much looking forward to returning in 2025.

For a relatively small co-educational college in Gladstone, Chanel College has a strong netball tradition, dominating Town and Inter-School competitions and consistently competing in the Vicki Wilson Cup and Sully's Carnival. We aim to ensure we provide all players with the best opportunity to ensure that netball at the College has a strong future.

With a host of talent from Local and Regional representative teams, we are hoping to further improve on our performance in 2024. Chanel College and indeed the whole community of Gladstone are behind the Chanel College QISSN Netball team and looking forward to the team's success in 2025.

Holy Spirit College, Mackay - BOYS

HOLY SPIRIT COLLEGE is a Catholic co-educational school situated in Mackay, North Queensland. Guided by our patron, the Holy Spirit, as a school we strive to achieve a positive community for all, laying the foundation for our students. Netball is the sport of choice for many students at HSC, with the emphasis on participation, team spirit and having a go!

Committed coaches and managers work with students, to help them improve their skill level, so as to achieve their best.

The QISSN carnival is the highlight of our year, and we are looking forward to the fun-filled experiences associated with a competitive week of games.

LINDISFARNE ANGLICAN GRAMMAR SCHOOL is a coeducational school in the beautiful hinterland of the southern Gold Coast and Northern New South Wales region.

Our Purpose is to encourage, develop and empower young people of character through netball; and for netball to strengthen students' connection with and pride in the school.

Our Vision is that our Netball Program is the program of choice for student netballers across the southern Gold Coast , Tweed Coast and northern New South Wales region.

Our netball values align with the School's values, defining our character and guiding how we all behave when it matters most. We work collectively to achieve the purpose of Netball at Lindisfarne aligned with the values of compassion, wisdom and respect.

Lindisfarne Anglican Grammar School presents a Netball program that aims to inspire students and attract future netball athletes from the Gold Coast to the Northern Rivers region. Through Lindisfarne Netball Club and the Inter school representative pathway, we aim to develop both recreational and competitive players for the School at local, regional and state levels in netball.

Lindisfarne players, coaches and managers wish the best of luck to the other competing teams. Have a fantastic week!

MT MARIA COLLEGE is a Catholic coeducational secondary institution located in Mitchelton, Brisbane, boasting 1200 student enrolments. Although a systemic school, the college holds a deep appreciation for the Marist tradition, which has been at its core since its establishment in 1978.

Proudly affiliated with QISSN, Mt Maria College has been a consistent participant in the Carnival since its inception in 2002.

Over the years, the College's Senior Girls team has achieved notable success, claiming Divisions wins in 2002, 2012, and 2016.

In 2023, history was made as Mt Maria introduced its inaugural Senior Boys Netball team to the competition, impressively securing the runner-up position in Division 2.

The College is always extremely proud of the students that take the court for Mt Maria College at QISSN and we look forward to a strong 2025 campaign.

SAINT MARY'S CATHOLIC COLLEGE is a P-12 co-educational college located in the South Burnett region. This is our third year of entering both a boys and girls team into the QISSN competition.

Netball is a popular sport in the local region, however there are limited opportunities locally, especially for boys netball. So we very much look forward to the competition provided in the QISSN carnival.

2025 will see the College entering a team of players who are mostly playing their third year of netball and are looking forward to returning to play in the QISSN competition. We offer our best wishes to all teams and hope everyone has an enjoyable week of netball.

SOUTHERN CROSS CATHOLIC COLLEGE

is a learning community which aspires to growth in knowledge, love and service in the presence of God.

We are a Prep to Year 12 day school offering families a co-educational pathway to life-long learning. In 2025, Southern Cross Catholic College (SCCC) celebrates 30 years as the principal Catholic college on the Redcliffe Peninsula. The College is built on the foundations of seven primary and secondary Catholic schools which amalgamated to form the College we know today. This year we also celebrate 20 years of competing at the QISSN Carnival.

The QISSN Carnival is always the highlight of our netball year and the girls always look forward to the fun, the experience and the excellent competition.

Many thanks to the QISSN Executive for their tireless efforts, as they continue to provide the opportunity for schools to compete at such an elite level. We wish all teams the best of luck.

ST LUKE'S is a Kindergarten to Year 12 school located some six kilometres from the centre of Bundaberg and ten minutes from the coastal growth corridor centred on Bargara.

St Luke's is a well-presented campus on a 32.5 hectare site and as a K-12 school enables students to complete all their schooling on the one campus. The school has a very strong reputation of providing a safe, caring environment with a strong academic focus and a broad and well-developed, very successful co curricular program.

St Luke's has competed in the QISSN carnival since its inception in 2000. Our teams have had varying degrees of success but have always competed in the spirit of the competition. We are excited and looking forward to competing this year, and we wish all the schools playing in the 2025 tournament all the best.

ST CATHERINE'S CATHOLIC COLLEGE

is a P - 12 College located in the beautiful Whitsundays. The school has a long history as a Primary school, opening in 1925. In 2013, the College began the journey of offering secondary education. The school has always had a strong Mercy charism and with the recent opening of the Secondary College the school has also included the core values of Ignatian spirituality.

In 2018, St Catherine's Catholic College debuted at QISSN with a late entry. We have a younger girls team in 2024 and we are looking forward to seeing them develop over the week. We thank our host schools for all their effort in organising the carnival.

ST JAMES COLLEGE is a co-educational Catholic School (Yr 5-12) in Edmund Rice Tradition (EREA). It was established in 1868 and taken over by the Christian Brothers in 1893, becoming a co-educational college in the 1990's.

As a diverse community, with students from numerous cultural, faith and learning backgrounds, who have high hopes for the future, we 'live and breathe' cultural understanding. St James College shows its passion to see all its students on a pathway to succeed. Its range of offerings in diverse academic subjects, programs, AQTF certificates, school-based apprenticeships, sports, debating and cultural areas provides options enabling our students to reach for the stars, live the "touchstones" and achieve their dreams! Our emphasis is on gaining transferrable skills, micro-credentials, incorporating the power of problem solving, digital prowess and the human heart! This Carnival embellishes many of these skills with its teamwork, friendships and testing of resilience.

The College's globally diverse community is proud of the culture of advocacy, its weekly brekkie to our homeless community, immersion programs and its many other actions on local, national and global levels.

The College has expanded its indigenous students and cultural program and has embraced a Pasifika leadership initiative, with increased numbers of students in this group. Its motto of Global Learning-Achieving Aspirations is made real with 70 percent from EALD backgrounds.

We are thrilled to be the 2023 host school and have proudly reached out to our community. After hosting in 2021 and being disrupted by Covid- 19, we are excited to fully host this time. With both the boys and girls teams participating, it has seen our netball program really develop. We thank the coaches, managers and supporters and wish the teams the best in play and camaraderie.

ST THOMAS MORE COLLEGE was founded in 1974 and presented Queensland Catholic Education with a radical alternative approach to schooling. Today the early radical practices in behaviour management and curriculum are regarded as mainstream educational practices. Situated just south of the Brisbane CBD, the College has grown from a small faith learning community to a contingent of over 1100 current students and families.

The founding principles of gospel values, intellectual reason, free will, good conscience, integrity, and courage are central to our college mission. These founding principles have enabled the College to become a vibrant faith learning community based on the example set by St Thomas More.

St Thomas More College has a strong culture in netball, with our 1st VII representing the College at QISSN since 2003. Every St Thomas More student who wears the Team More Dress understands the responsibility that is instilled in them since joining the College of 'Leave it better than you found it'.

The College has enjoyed and benefited greatly from its involvement in QISSN and with every passing carnival we have continued to play a brand of netball that is epitomised by grit, respect, and above all love of the game.

TRINITY COLLEGE opened for its first one-hundred students in 1982. It was, and still is, under the auspices of the Catholic Education Office of the Brisbane Archdiocese, but it was administered in the early days by the Marist Brothers on the invitation of the Brisbane Director of Catholic Education. The Sisters of St. Joseph were also prominent on the staff of the College for the first three years. The charisms of these great Religious Orders are still evident within the College, and the virtues and values of Marcellin Champagnat and Mary MacKillop are strongly promulgated.

Trinity College is a Catholic Coeducational Secondary College with a student population of 950 students and a professional staff numbering over sixty teachers.

Trinity College has a strong history in netball and this will be our twelfth year competing in the QISSN competition. This young team are dedicated and have been training hard in preparation for the competition. They look forward in representing the College in 2025.
