Jane Egan
Principal
Emmaus College

On behalf of the entire Emmaus College community, it is my great pleasure to warmly welcome you to the 26th Queensland Independent Secondary Schools Netball (QISSN) Carnival.

Emmaus College, located in the growing community of Jimboomba, is a Prep to Year 12 ecumenical college owned and Administrated by the Archdiocese of Brisbane. Emmaus College prides itself on fostering excellence, community, faith and opportunity for every student. We are incredibly honoured to host this prestigious carnival and to welcome more than 75 teams, their coaches, families and supporters from across Queensland and beyond to our college and local community.

This carnival represents far more than competition. QISSN is a celebration of teamwork, sportsmanship, dedication and the lifelong friendships that are formed through school sport. Over many years, this event has built a proud tradition of bringing young people together in an environment that promotes both excellence and connection, and we are thrilled to play a part in continuing that tradition in its 27th year.

Hosting an event of this scale requires an enormous amount of preparation and support, and our entire P-12 college community has enthusiastically embraced the opportunity.

WELCOME from *Emmaus College* **Jimboomba!**

Staff, students and families have generously given their time and energy, including throughout the holiday period, to ensure our visitors experience the warmth, hospitality and spirit that make Emmaus College so special.

I would like to sincerely thank all sponsors of QISSN and the many sponsors supporting individual teams. Your generosity and commitment to school sport make opportunities such as this possible, and your support of young people and community sport is greatly appreciated.

A very special thank you must also go to the Emmaus College QISSN Committee for their tireless work and dedication throughout the year. In particular, I acknowledge Adelaide Kibby (Convenor), Erin Groeneveld, Katie Simpson, Lee Pope and Wendy Spanner for their leadership and countless hours of organisation behind the scenes.

I would also like to acknowledge and thank Janelle Agius, President of QISSN, and Evie Teasdale, QISSN Executive Officer, for their ongoing leadership, support and commitment to this outstanding carnival.

To every player, coach, umpire and supporter, I wish you all the very best for a wonderful week of netball, friendship and memories.

Janelle Agius
President QISSN

Welcome to the 26th Annual Griffith University Queensland Independent Secondary Schools Netball (QISSN) Carnival. We sincerely appreciate the support from Griffith University, who have generously become our Naming Rights Sponsor through a collaborative partnership. Their involvement highlights their strong commitment to our sport and the development of our student-athletes.

We would also like to recognise our Host School, Emmaus College Jimboomba. Our heartfelt thanks and congratulations go to Principal Mrs Jane Egan, her dedicated leadership team, and the staff at Emmaus College for their ongoing support and outstanding organisation in hosting this event.

We acknowledge the many individuals who have contributed their time and effort to make this event possible – schools, parents, coaches, referees, teachers, bus drivers, and others. Players, please remember to thank those who support you throughout the week. We hope everyone creates lasting memories during this event in Brisbane.

Once again, we are proud to see the QISSN Carnival grow, now established as one of the largest independent secondary school netball events in Australia.

Last year's Carnival in Bundaberg, held across two venues, was a great success characterised by community spirit and broad participation. In 2000, the inaugural event (Bundaberg) involved sixteen schools, and it is remarkable to see how Griffith University QISSN has evolved since then.

This year, with games played at Nissan Arena, the Executive has decided to include an invitational round and to expand our divisions. We warmly welcome the new schools joining us this year.

This year, we have 100 teams representing 81 schools, including 80 girls' teams and 20 boys' teams.

As President, I would like to express my sincere gratitude to the Griffith University QISSN Committee and its dedicated staff, including our Executive Officer Evie Teasdale, for her exceptional organisation and energy.

Thank you to Umpire Director Christopher Robinson for overseeing the smooth running of matches.

I also extend my appreciation to the Executive Committee – Jane Egan, Deborah Ryan, Debbie Newton, and Nadia Tairawhiti – whose commitment has been essential to the Carnival's success.

Special thanks go to Mrs Ann Rebgetz (Life Member) for her ongoing liaison with stakeholders. The collective efforts of everyone involved have ensured QISSN remains the premier netball event on the school sporting calendar.

I want to highlight the outstanding leadership of our Host School Convenor, Adelaide Kibby, along with Lee Pope (Business Manager) and Erin Groeneveld (Marketing), as well as the entire College QISSN committee and school community.

Organising an event of this scale is only possible through the dedication of individuals and organisations that support school sport—both financially and in spirit.

We also appreciate St Laurence's College for providing an excellent venue for our Opening Ceremony.

We are particularly grateful to all our sponsors listed below, whose support helps reduce participation costs and ensures the event is accessible to all schools:

- Griffith University
- Struddys
- Queensland School Photography
- Medals and Ribbons Australia
- Brisbane Catholic Education
- Duchesne College
- Rockhampton Catholic Education
- Catholic School Parents Queensland
- Toowoomba Catholic Education
- Townsville Catholic Education
- Netball Queensland
- St Laurence's College
- And numerous local school sponsors

Their contributions are vital in supporting broad participation and enhancing the Carnival experience.

I also wish to acknowledge Peter Elmore, President of QISSRL, as we work together towards a bright future, sharing our vision to provide the best outcomes for our student-athletes and their families.

We are pleased to welcome back Vicki Wilson OAM and Tracey Bruce as selectors this year, along with support from Netball Queensland and the Queensland Firebirds.

Their involvement reinforces our commitment to nurturing talent and inspiring future top-level players.

To all players, coaches, managers, umpires, and supporters—may your week be full of excellent netball, meaningful friendships, and memorable experiences.

Enjoy the Opening Ceremony and celebrate the vibrant spirit of the 2026 Griffith University QISSN Carnival.

Wishing everyone a successful and enjoyable carnival. May your love of the game continue to inspire and enrich your lives.

History of QISSN

The Griffith University QISSN (Queensland Independent Secondary Schools Netball) Carnival in 2026 enters its twenty seventh year as a netball carnival held annually in the first week of the mid-year holidays. The inaugural QISSN Carnival was hosted by Shalom College, Bundaberg in 2000 with a modest 16 teams. Due to the ever-increasing popularity of our carnival, in late 2016 the QISSN Executive made the decision to further develop and expand the carnival from 48 to 60 teams – a bold and courageous move in the pursuit of promoting and developing secondary school netball in Queensland.

In 2018 the carnival further expanded to 64 teams. This saw our membership grow from 480 participants to 640. For the first time ever, in 2020 the carnival was not held due to the COVID-19 pandemic. In 2021, the carnival expanded to include a boys division starting with 5 teams expanding the overall number of teams to 69.

The 2026 Carnival has seen the continued expansion of the boys division of 20 teams taking the Carnival, and the introduction of an additional 16 girls teams making the 2026 the largest carnival to date with a total of 100 teams from 81 schools. In addition, Coaches and Managers, Umpires, Coordinators, First Aid and Executive staff; this makes the Griffith University QISSN Carnival one of the biggest school-based carnivals in the country.

The richness of QISSN's history is evident in its success and growth as a popular carnival for secondary school girls and now also for boys. Other measures of its prosperity include the fact that many of the schools that competed in the inaugural carnival will be attending the 2026 carnival for the twenty-sixth successive year, a true measure of the longevity, commitment and enjoyment of carnival.

Regular member schools cite the atmosphere of the carnival and the spirit in which games are contested as characteristics that excite schools about participating in this annual competition.

Over 9,000 girls and 300 boys have participated in QISSN in its previous 25 carnivals, with a number of previous participants including;

- ▶ Lara Nilsson, Clairvaux Mackillop College
- ▶ Candice Adams, Marymount College
- ▶ Amelianne Wells, St Luke's Anglican School
- ▶ Gemma Mimi, Carmel College

going on to represent the Queensland Firebirds in the national netball competition, post school.

2016 saw the introduction of securing Ms Vicky Wilson OAM and Ms Tracey Bruce – both involved previously in State and National team selections, development and coaching; as official selectors for the All Stars and Rising Stars teams.

We are very fortunate to have the continued support of Vicki and Tracey as selectors again for this year's carnival and they look forward to identifying the future stars and representatives of our great game!

This year, Emmaus College, Jimboomba will host the twenty-sixth QISSN Carnival. We welcome the 100 teams that will compete for the QISSN Cup.

We hope the 2026 carnival continues the fine tradition established in previous years. We thank our many previous and new sponsors for their support and look forward to forging continued partnerships in the pursuit of growth, recognition and excellence in sport and providing equity in netball.

Spirit of the Carnival Award – GILROY SANTA MARIA, INGHAM

Introducing Lola Mabbott

Year 12 Emmaus College student Lola Mabbott brings her creativity and culture to life through her artwork, "The Journey," showcased throughout the 2026 QISSN Carnival.

Her piece reflects connection, growth and the shared spirit of the Emmaus community.

Artist statement:

This painting is called "The Journey". The meaning behind it is the journey through school to primary school, and finally to high school.

And how everyone's journey is very different. Whether you have been at Emmaus from kindy to high school or joined later, Emmaus has not only helped with our education but also helping everyone on their own journey to success. Emmaus is also really invested in the community and bringing people together, so in the gaps of the big circles I put little groups of people with dots connecting each of them signifying the connection Emmaus has to their community.

The school also aims to have a warm and welcoming spirit which inspired my choice of colours by using warm and inviting tones to not only capture the viewers eyes but also tell the viewer a story about Emmaus and what it is all about, the person you become, and the people you meet along the way.

Acknowledgement of Country

As we gather here today, we acknowledge the Traditional Custodians of this land, the Turrbal and Yuggera Peoples, and recognise their continuing connection to land, waters and community. We pay our respects to Elders past, present and emerging, and extend that respect to all Aboriginal and Torres Strait Islander peoples attending QISSN this week.

As we come together for the QISSN Carnival, we recognise that this land is part of a much broader Country, connecting communities across Queensland. We honour the rich history, culture and strength of First Nations peoples, and acknowledge the important role sport plays in bringing people together, building respect, and celebrating shared achievement.

May this Carnival reflect not only determination and excellence, but also unity, fairness and respect for one another and for the land on which we play.

PLAYERS' OATH

You are my opposition, but you are not my enemy,
 For your resistance gives me strength,
 May we look upon our defeats as a learning experience of life,
 Whilst fully appreciating the joys that come with victory.
 Although our goals may differ,
 It is in the spirit of the game that we come together for the same purpose.
 We must believe in our dreams for this will bring success,
 Dream, Believe, Succeed.

UMPIRES' OATH

In the name of all the umpires,
 I promise that we shall officiate in this QISSN Carnival with complete impartiality respecting
 and abiding by the rules which govern netball, in the true spirit of sportspersonship.

SUPPORTERS' OATH

I promise that we shall support this QISSN Carnival with respect of fair play
 and the rules which govern netball in the true spirit of the game.

VICKI WILSON, OAM

Vicki Wilson, OAM and Australian netball icon, will be in attendance for the duration of the 2026 Brisbane carnival. Vicki, will be a QISSN All Stars Team selector and more importantly great motivator to our young athletes. Vicki's netball career commenced at the age of 7 at her local netball Club and saw her rise to achieve at national and international levels as a player, captain and coach.

Having won a gold medal at the Commonwealth Games in 1998 and three gold medals at the Netball World Championships (1991, 1995, 1999) Vicki went on to coach the Queensland Firebirds. Recently Vicki has been the Assistant Coach to the New Zealand Silver Ferns and the Coach of Fiji. We know Vicki is keen to share her stories of playing and coaching netball, and looks forward to meeting our competing athletes.

TRACEY BRUCE

Tracey Bruce former Queensland Firebird Wing Attack and Centre, Queensland Academy of Sport Netball Coach 2009 and both Queensland and Australian school girl netball representative player will be a selector at the 2026 Brisbane carnival. Tracey played in the Queensland Primary Schools Team in 1980 and the Queensland 15 Girls Team in 1982 and Australian Girls Team in the same year.

She also played in the Queensland Open School Girls Team in 1983 to 1986 and both the Queensland and Australian 17 and under team in 1985 and again in 1986. She continued to represent both Queensland and Australia in the 19 and under, 21 and under and Open teams until 1999. In 1991 and again in 1992 she was awarded an Australian Institute of Sport scholarship. We warmly welcome Tracey and acknowledge the expertise she will bring to our carnival.

AGE ELIGIBILITY

QISSN is an U/18 age Carnival. To play at a QISSN carnival, players must be enrolled in secondary school at your college and must be turning 18 years or less by 31 December in the year of play. Students turning 19 years or more during the year of play are ineligible. The Executive reserves the right, for very particular pastoral reasons, to grant an exemption to this rule.

ALCOHOL POLICY

QISSN recognises that consumption of alcohol is not appropriate during the conduct of sporting activities, especially when children and young people are involved.

Consumption of alcohol is therefore prohibited within the boundaries of the carnival while any student is present.

ANTI-DISCRIMINATION POLICY

QISSN does not tolerate any form of discrimination. Complaints or suspicions of discrimination will be dealt with promptly and seriously, with a view to alleviating issues with care and concern for all involved.

ANTI-HARASSMENT POLICY

QISSN does not tolerate any form of harassment. Complaints or suspicions of harassment will be dealt with promptly and seriously, with a view to alleviating issues with care and concern for all involved.

BRACES ON TEETH

QISSN advises any participants that have braces on their teeth to consult their orthodontist or other relevant medical practitioner before participating in netball activities to ensure that they do not pose a risk to themselves or other players.

CONCUSSION POLICY

QISSN follows the guidance of the community netball guidelines. The new guidelines, which are designed to protect the health and wellbeing of all participants, are in alignment with the recent Australian Institute of Sport's Concussion and Brain Health Position Statement.

If a concussion is suspected, a standard primary survey and cervical spine precautions should be used. Once safe to do so, the player must be removed from play and assessed in a quiet, safe environment. The player must be monitored closely and taken to seek medical attention if not already provided. If a doctor is not present at the match the player must remain out of play until they have had a chance to be medically assessed.

If a diagnosis of concussion is made the earliest that a player that has sustained a concussion can

return to play is on the 21st day post the concussion incident provided they get medical clearance.

If a diagnosis of concussion is not made, the player may return to play only once medical clearance from a certified medical GP, stating they do not have a concussion is provided to the QISSN Executive Officer.

DUTY OF CARE

QISSN is committed to providing a safe, inclusive and child-safe carnival environment. Each participating school retains full duty of care for the welfare and supervision of their students, including medical and behavioural management and ensuring all players comply with eligibility requirements. QISSN may intervene where safety, compliance or conduct warrants.

CHILD SAFE STANDARDS

QISSN adheres to:

- the National Principles for Child Safe Organisations, and
- the Netball Queensland Part A Codes of Behaviour

All adults must behave in a manner consistent with child safety requirements.

QISSN reserves the right to remove any person whose behaviour breaches safeguarding expectations.

CHILD SAFETY AND WELLBEING POLICY

QISSN operates in accordance with the guidelines established by the Queensland Family and Child Commission, including the 10 standards and principles.

Our child safety policy is publicly accessible on our website and is regularly reviewed and updated to promote a safe and supportive environment for all.

All members and volunteers are responsible for promoting the safety, well-being and empowerment of all children.

COMPLAINT HANDLING POLICY

All allegations of a serious or criminal nature will be reported immediately to the police or relevant agency or authority. Under no circumstances will QISSN conduct its own investigations into any serious allegations or allegations of a criminal nature.

For complaints which are not of a serious or criminal nature, QISSN will follow these guidelines:

- Details of the complaint will be documented in writing via the QISSN Grievance Form and given to a member of the QISSN Executive Committee. Forms can be found in the Team Stack App and are available at the information desk.
- The details of the complaint will be conveyed to the person/people complained about (respondent(s)) in full. The respondent(s) must be given sufficient information to enable them to properly respond to the complaint.
- The respondent(s) will be interviewed and given the opportunity to respond.
- The respondent(s) response to the complaint will be documented in writing.
- If there is a dispute over facts, statements from witnesses and other relevant evidence will be obtained to assist in a determination.
- The association will make a finding as to whether the complaint is:
 - Substantiated (there is sufficient evidence to support the complaint); or
 - Unsubstantiated (there is sufficient evidence to show that the complaint is unfounded); or
 - Mischievous, vexatious or knowingly untrue.

A report documenting the complaint and summarising the investigation process and key points that were found to be substantiated, inconclusive, unsubstantiated and/or mischievous will be prepared along with the recommendations for future actions. Strict confidentiality, impartiality, fairness and due process must be maintained at all times.

HEAT POLICY

The QISSN Executive Committee may stop, cancel or postpone training or competition if it is deemed by the committee that the temperature is too high for participation in netball. It is recommended that all participants drink sufficient amounts of water before, during and after exercise at any time to remain hydrated.

INJURY POLICY

Injury and Incident Policy All incidents and injuries occurring within QISSN carnival or during events in which QISSN is involved, must be reported to the QISSN Executive on the Incident Report Form attached (Appendix E).

JEWELLERY POLICY

Participants must not wear jewellery or any other object or article of clothing that poses a threat to

themselves or any other player, except for a medical bracelet (which must be taped). All piercings are prohibited, even if taped. Any players with piercings taped or un-taped will not be allowed to take to the court. No gloves or taping of nails.

PRE-GAME UMPIRE CHECK

Umpires acknowledge they have received their game allocation by email or text and are OK to fulfill their rostered games (Failure of an umpire to fulfill their allotted games will incur a \$33 per game fee for the school as instructed by QISSN) Umpires report to the umpire's room upon arrival at the venue at least 30 minutes prior to the start of their first game and sign an attendance sheet, and umpires will need to sign for each game they umpire.

Umpires will move from the umpire's room approximately 10 minutes prior to the scheduled start to their allocated court with the umpire they are umpiring with and will remain with the other umpire for the entirety of the game and will return to the umpire's room upon completion of the game.

Umpires will be responsible for ensuring the court and surrounds are safe for the game to commence by inspecting the court and surrounds. With player and spectator movement around courts, court conditions can change from game to game.

SAFETY ON/AROUND COURTS

To ensure the safety of all the following guidelines are expected to be followed by ALL players, officials, parents and general spectators when entering the court floor:

• BAGS**✓ ALLOWED**

Team kit bags **MUST** be stored safely away from the side-line. Personal handbags **MUST** remain either on the individual's shoulder or lap throughout the entire game.

✗ NOT ALLOWED

School bags, back packs or similar are **NOT ALLOWED** inside on the court floor due to limited space.

• SEATING AND VIEWING**✓ ALLOWED**

Please remember priority is given to teams and officials. They **WILL NOT** share bench space with spectators. Viewing for spectators on the court floor is **ONLY AVAILABLE** to those who manage to get a seat.

✗ NOT ALLOWED

There is **NO STANDING OR SITTING** on the ground between courts or in the main walkway.

Queensland Independent Secondary Schools Netball Inc.
admin@qissn.com.au

QISSN carnivals will be played under the Rules of Netball issued by the International Netball Federation unless otherwise stated.

CARNIVAL OFFICIALS

The carnival will be officiated by the QISSN President and Host School Convenor. The QISSN Executive Officer will assist the QISSN President in this process. Disputes will require completion of the official QISSN Grievance Form by the Team Manager. Carnival officials' decision will be final.

CODE OF CONDUCT

QISSN is committed to ensuring the safety, welfare and wellbeing of all involved in the carnival is maintained at all times. The Netball Queensland Part A Codes of Behaviour has been adopted and will be enforced throughout the carnival.

TEAMS

Teams this year will consist of up to 12 nominated players. Players must be registered prior to the Carnival. All player changes MUST be recorded on the score sheets, in Netball Connect and with the organising committee. Swapping of players after the carnival has commenced is not permitted.

BLOOD RULE

An umpire is required to call time when no 'on court' player has called time and the umpire observes that a player is bleeding or there is blood on the court, ball or any other player.

A bleeding player must be replaced immediately. Before any player may retake the court (after a goal has been scored):

- The flow of blood must be stopped; and
- Any wound must be cleaned or covered; and
- Any bloodstained clothing must be cleaned or removed; and
- The ball and court must be cleaned before any play restarts, if necessary

CONCUSSION RULE

QISSN follows the guidance of the community netball guidelines. The new guidelines, which are designed to protect the health and wellbeing of all participants, are in alignment with the recent Australian Institute of Sport's Concussion and Brain Health Position Statement.

If a concussion is suspected, a standard primary survey and cervical spine precautions should be used. Once safe to do so, the player must be removed from play and assessed in a quiet, safe

environment. The player must be monitored closely and taken to seek medical attention if not already provided.

If a doctor is not present at the match, the player must remain out of play until they have had a chance to be medically assessed.

If a diagnosis of concussion is made the earliest that a player that has sustained a concussion can return to play is on the 21st day post the concussion incident provided they get medical clearance.

If a diagnosis of concussion is not made, the player may return to play only once medical clearance from a certified medical GP, stating they do not have a concussion is provided to the QISSN Executive Officer.

INJURY

During any game, injured players must leave the court and they can be replaced immediately. Players may change positions after an injury occurs. No injury time except for the Division 1 Grand Final when the International Netball Federation Rules of Netball will apply.

GAMES

All games, excluding the Division 1 Grand Final will be 2 x 12 minute halves with 2 minutes between halves and a 4 minute changeover time between games. The Division 1 Grand Final will be played 2 x 15 minute halves with a 3 minute break for half time.

EQUAL POINTS

If two or more teams have gained equal points at the completion of the Divisional Games, placings for Quarter Finals shall be decided by the best for and against ratio.

EXTRA TIME

In the Quarter Finals, Semi Finals and Grand Finals (except Division 1), if there is a tie at the end of full time then there will immediately be 2 x 3 minute halves played with no break between halves, with a change of ends.

Rolling substitutions will continue as per guidelines below (normal injury protocols also apply). If the game is still drawn at the completion of extra time the game will continue until one team has a two-goal advantage.

ROLLING SUBS

Rolling substitutions to apply to all fixtures. The substitute player must stand close at their team's bench to indicate a substitution is to take place. The player must be wearing the bib of the position they are taking.

Before leaving the substitution area, the player must tag hands with the player being replaced ensuring all offside rules are observed and neither player should interfere with the game or umpire. There is no limit to the number of rolling substitutions in a game.

DIVISION 1 EXTRA TIME

In the case of a draw in the Div 1 Grand Final there will be 2 x 4-minute halves with players to change ends at the completion of the first half of extra time and the game continues.

Rolling substitutions will continue as per guidelines above (normal injury protocols also apply) and if the game is still drawn at the completion of extra time the game will continue until one team has a two-goal advantage.

ALL-STAR/RISING STAR SELECTION AND MVP'S - NUMBERING OF PLAYERS

Please use the marker provided to number your players as per their number in the program.

For the ease of selectors and for when coaches are selecting MVPs at the end of each game, please write the player's number on both calves, and both upper arms.

MOST VALUABLE PLAYER

Coaches/Managers from each team are to nominate one player from their own team AND one player from the opposing team as the Most Valuable Players from that game.

A tally of votes will be kept and the player from each team with the most votes at the end of the carnival will receive the Most Valuable Player Award for their team.

PLAYER OF THE CARNIVAL

The award for Player of the Carnival shall be decided by the Selectors.

POINTS

Points shall be awarded as follows:

- Win by 5 goals or more 5 points
- Win by less than 5 goals 4 points
- Win on forfeit 5 points with a given score of 15-0
- Draw 3 points
- Loss by less than 5 goals 2 points
- Loss by 5 goals or more 1 point
- Loss on forfeit 0 points with a given score of 0-15

UMPIRES AT QISSN

All umpires at QISSN have a National C Badge qualification or higher. A roving Umpire Mentor will be on the games floor each day to assess umpires, coach umpires and give feedback where required.

Umpires will be allocated their schedules prior to the start of each day and the Umpire schedules have been taken into account in game allocation. The Umpires will be reallocated pool games as determined by the Umpire Mentor. Umpires will be required to see the Umpire Admin Convenor for scheduling/sign in and any other administrative requirements as determined by the Mentor.

Captains may approach the umpires at half time or after the game to ask questions relating to the rules of netball or the interpretation by the umpires on court.

Any player/official found guilty of disputing the Umpire's decision or otherwise misconducting her/himself, may be liable to be disqualified, suspended, or fined for such time and/or amount as may be decided upon by the Carnival Officials.

SCORE CARDS

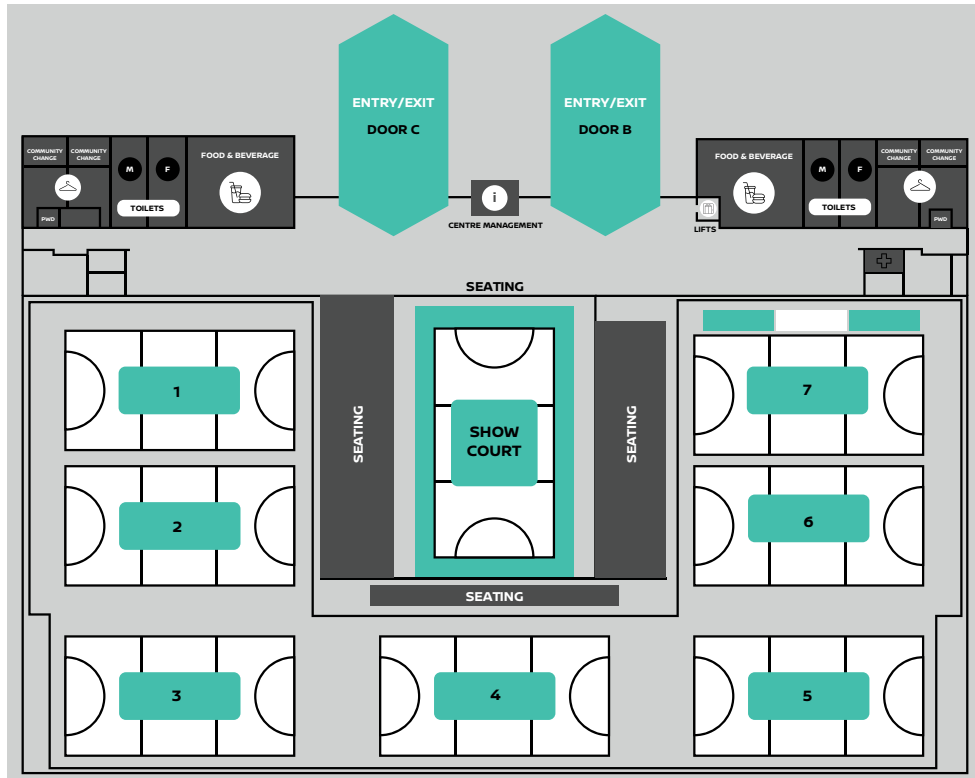

Score sheets will be used alongside Netball Connect. Score Sheets will be available on each scorer's bench. Paper Copies of the score sheets are required to be handed to the information desk by the competing schools immediately following the match.

Score sheets are to be completed in full, including MVP Selections, and signed by both teams. Any dispute in the final score recorded on the scoresheet or in the Netball Connect App must be made within 15 minutes of the end of the game.

Disputes submitted outside this timeframe will not be accepted.

STRONG VOICE FOR FAMILIES IN CATHOLIC SCHOOLS**

Proudly supporting the next generation!

Townsville Catholic Education is proud to partner with QISSN 2026 and support one of Queensland's premier school sporting events.

Across 29 Catholic schools, we are committed to helping young people thrive academically, spiritually, socially and physically.

Best wishes to all teams for a successful carnival!

DIVISION 1 TROPHY

Named: QISSN Cup

DIVISION 2 TROPHY

Named: Lara Nilsson Trophy

Lara Nilsson, former student of Clairvaux MacKillop College and QISSN competitor, Brisbane went on to represent the Queensland Fusion/Firebirds as defender in 2008, 2009 and 2011. Now retired from professional netball but still living in Brisbane, Lara is a secondary maths teacher.

DIVISION 3 TROPHY

Named: Candice Adams Trophy

Candice a registered nurse now living in Melbourne, began her love of netball as a student of Marymount College, Gold Coast. During her time at school, Candice played for Marymount College in the QISSN carnival. She began her elite netball debut in the final round of the Commonwealth Bank Trophy in 2007 taking the court for the Queensland Firebirds. In 2009 Candice was involved in the Australian Institute of Sport netball program before returning home to Brisbane in 2010 to play in the Holden Cruze Cup. She was contracted to the Queensland Firebirds for the 2011 season.

DIVISION 4 SHIELD

Named: Ameliaranne Wells Shield

Born in Bundaberg, Ameliaranne started playing netball from the age of 12. Playing netball at high school, Ameliaranne competed in the QISSN carnivals. She was contracted to the Queensland Firebirds from 2011 to 2014 and was a great part of their success and ANZ Championship trophy win. Since then, Ameliaranne has represented the New Zealand Silver Ferns however has withdrawn from the 2017 season as she is expecting her first baby.

DIVISION 5 SHIELD

Named: Beryl Friday Shield

Beryl Friday is an indigenous Australian and was a student of Gilroy Santa Maria College. She represented her school at QISSN in years 8 and 9 before enrolling at St Margaret's Anglican School. Beryl went on to play in the 17 years and under AND 19 years and under Queensland teams as well as the Australian under 21 team. Beryl played for the

Queensland Firebirds in 2016 and this year played for the Northern Territory Storm in the National Netball League. She is studying teaching.

DIVISION 6 SHIELD

Named: Sally Butters Shield

Sally Butters competed at the 2006 QISSN carnival representing St Rita's College who won the Division 1 QISSN Cup that year. In the same year Sally was awarded the Player of the Carnival. Sally went on to have a highly successful netball career playing in the ANZ Qld Fusion Team from 2008 - 2014. Sally now works teaching in a Brisbane secondary school and is involved in their netball academy.

DIVISION 7 SHIELD

Named: Jemma Mi Mi Shield

Jemma Mi Mi competed at the QISSN carnival representing Carmel College and debuted in 2017 for the Queensland Firebirds. A former Australian touch football representative - Mi Mi can turn a game in an instant with her lightning speed and quick footwork. Jemma is currently studying a Bachelor of Clinical Exercise Physiology and then wanting to study a Masters of Education at QUT.

An education to believe in

With more than 140 schools covering the city, coast and country, we are excited to welcome every student and every family to our communities. Here, wellbeing, friendships and values, last a lifetime.

The **ALL HALLOWS' SCHOOL** Netball Program is committed to developing confident, skilled, and resilient Netballers through quality coaching, structured pathways, and strong team culture.

Entering the QISSN competition is an exciting milestone and marks our first year competing at this level.

This opportunity provides our players with exposure to high quality interschool competition while proudly representing All Hallows' and continuing to grow netball within our school community.

ALL SOULS ST GABRIELS SCHOOL is a co-educational day and boarding school in the Anglican tradition.

In 1920, All Souls School for boys was established by the Bush Brotherhood of St Barnabas as a memorial to those who fell in the First World War, while St Gabriel's School for girls was founded in 1921 by the Sisters of the Society of the Sacred Advent. In 1991, the two schools merged on the All Souls campus to form All Souls St Gabriels School as it is known today.

Students of All Souls St Gabriels School have a long and proud history of involvement in netball across the North Queensland region.

Since joining the QISSN competition in 2007, the event has become a highly valued and anticipated opportunity for many students. The School looks forward to a week of competitive and spirited netball.

Nestled on the Gold Coast, **AQUINAS COLLEGE** is a vibrant coeducational school serving the community since 1964.

Netball thrives at Aquinas, with our teams preparing for the Queensland Independent Secondary Schools Netball (QISSN) competition through local fixtures and development opportunities against other Catholic schools.

Throughout the year, our students also compete in the Catholic Cup and the Vicki Wilson Carnival, building match fitness, combinations and confidence on court.

At Aquinas, our dedicated Netball Excellence Program supports students in Years 7 - 10 to develop core skills, game sense and leadership, and provides the opportunity to train and play netball as an elective subject.

These experiences help our students represent the College with pride, sportsmanship and teamwork at every level.

The Aquinas College community extends its best wishes to all teams, players, coaches and managers, for a successful week of competition, and we look forward to an exciting and memorable week ahead as our students connect with schools from across Queensland.

ASSISI CATHOLIC COLLEGE is a co-educational P- 12 College located at Upper Coomera on the Gold Coast. Established in 2005, the school has more than 1600 students enrolled. As a Franciscan community, Saint Francis and Saint Clare are important figures within the College.

The College motto, Peace through Justice, reminds the community of the call to seek peace and justice through education in the Catholic faith, living our Gospel values and to be socially and ecologically just.

Assisi's netball program began in 2008. The Open Team has competed at QISSN since 2009. In 2013, we played in a very competitive Division 4 Grand Final and in 2024 had our greatest success by winning a nail-biting Div 6 Grand Final by one goal.

This year, Assisi is bringing an enthusiastic and motivated team to the carnival, and our girls are looking forward to a tough, yet fun competition

ASSUMPTION COLLEGE is proud to continue its long-standing association with the Queensland Independent Secondary Schools Netball (QISSN) Carnival, an event that celebrates excellence, teamwork and school spirit. From the inaugural year of the carnival, Assumption has been a committed participant and supporter, and we are excited to once again stand alongside schools from across Queensland in what has become a highlight of the sporting calendar. At Assumption, sport plays a vital role in the formation of the whole person. We believe that participation in events such as QISSN offers far more than competition alone. It provides young people with opportunities to grow in resilience, leadership, discipline and mutual respect; values that sit at the heart of our educational mission. Netball, in particular, reflects the importance of collaboration and trust, reminding us that success is achieved when individuals work together for the good of the team. Grounded in a strong Catholic tradition, Assumption College is committed to nurturing students who are confident, compassionate and committed to serving others. Our involvement in QISSN reflects this commitment, as we encourage our students to compete with integrity, humility and gratitude, recognising the dignity and potential of every athlete, official and supporter they encounter. Over many years, the QISSN Carnival has fostered enduring friendships, memorable experiences and a shared sense of belonging across school communities. Assumption values the spirit of connection that defines this carnival and is grateful for the dedication of organisers, coaches, officials and volunteers who make it possible year after year. As we gather once again, Assumption College looks forward to continuing its strong partnership with QISSN, celebrating both sporting excellence and the deeper values that unite us. We wish all teams the very best and hope this year, the carnival is marked by enthusiasm, fairness and moments that will be remembered long after the final whistle.

BLACKHEATH & THORNBURGH COLLEGE was originally founded in Charters Towers in 1919 as Thornburgh College for boys and later Blackheath College for girls was inspired in 1920 under the leadership and guidance of the same passionate Presbyterian and Methodist Church representatives.

In 1984 the two Colleges merged and 107 years on from our foundation, we are now a co- educational, non-denominational, independent day and boarding school that cares for approximately 480 students from Kindy to Year 12. The city of Charters Towers boasts three major industries: gold mining, grazing and education. The College is located on one 10 acre campus with boarding facilities for both boys and girls.

The College offers both an academic and vocational curriculum for senior students with a significant number of Year 12 students moving onto university and a range of other recognised career pathways. Co-Curricular activities have always played a significant role at the school with students excelling in a number of sports. The College's core values prepare our students for further education, employment and for life!

Blackheath girls have enjoyed the opportunity to participate in the QISSN carnival since 2001 and is always a highlight on the sporting calendar for our First Netball Team.

The **CHANEL COLLEGE** motto, TO LIVE JUSTLY, is taken from the Old Testament prophet Micah (6:8). The motto sums up the aim for which the college was founded in 1966 and exists today.

Chanel College has been attending the annual QISSN carnival for the last sixteen years and are very much looking forward to returning in 2026.

For a relatively small co-educational college in Gladstone, Chanel College has a strong netball tradition, dominating Town and Inter-School competitions and consistently competing in the Vicki Wilson Cup and other regional Carnivals. We aim to ensure we provide all players with the best opportunity to ensure that netball at the College has a strong future.

With a host of talent from Local and Regional representative teams, we are hoping to further improve on our performance in 2026.

Chanel College and indeed the whole community of Gladstone are behind the Chanel College QISSN Netball team and looking forward to the teams' success in 2026.

CHISHOLM CATHOLIC COLLEGE is a co-educational school located in Cornubia, south of Brisbane. Our College is a bright and vibrant faith community.

As a College community we strive to Live Christ, Challenge, and pursue ambition, commitment, faith, integrity, love and mercy. To Live Christ, Challenge, means not to be superior to others but to be superior to oneself, to recognise that the best of us lives inside and there is always more we can be.

The Chisholm Netball Academy is constantly developing and nurturing its young netballers and have seen success in a variety of competitions across South East Queensland. We are proud of our Netball Academy and pride ourselves in our involvement in the QISSN competition as we enter our 17th year of competition.

This years' team is a supportive, spirited and highly talented group who genuinely enjoy playing alongside one another. Their positive energy and sense of humour have helped build strong connections within the squad, creating an environment where everyone feels valued and confident to perform at their best.

Beyond the laughs, this is a focused and capable team who have worked hard to refine their skills and prepare for the challenge ahead. They are excited to test themselves against quality opposition at QISSN 2026 and to represent with pride, sportsmanship and unity.

We wish our girls every success and extend our best wishes to all teams competing in what promises to be a memorable tournament.

For 150 years, **COLUMBA CATHOLIC COLLEGE** has provided an outstanding educational experience, supporting young people to be the best they can be. Columba is a vibrant, co-educational Prep to Year 12 Catholic College that partners closely with families to meet the academic, spiritual and personal needs of every student.

With an on-site Kindergarten operated by Townsville Catholic Kindergartens, Columba offers a seamless and nurturing educational journey from the early years through to senior schooling. This comprehensive Prep to Year 12 setting provides students with access to a broad range of learning opportunities and pathways aligned with current and emerging futures.

Columba's co-educational environment enables students to discover their individual strengths while learning and growing alongside peers. Our twin boarding facilities, located at Mt Carmel Campus for boys and St Mary's Campus for girls, ensure the residential needs of both sons and daughters are met with care, respect and sensitivity.

The College is proud of its wrap-around boarding program, which supports students through structured weekend activities, transport to sporting and work commitments, and access to our College camping facility at Marybank. This strong sense of family, service and belonging is a hallmark of the Columba experience.

Guided by the values of Courage, Commitment and Compassion, Columba Catholic College inspires day and boarding students to grow in faith, purpose and knowledge. Grounded in Catholic tradition, the College community encourages each student to use their gifts and talents in the pursuit of excellence and to be a true "Light to the World."

EMMAUS COLLEGE is an ecumenical, co-educational college committed to excellence in education in a contemporary Christian context, serving students from Prep to Year 12.

Established in 2002 by the Catholic community in partnership with the Anglican, Lutheran and Uniting churches in Jimboomba, our college is built on foundations of faith and community spirit. Named after the 'Road to Emmaus' in the Gospel of Luke, our college reflects the belief that wisdom and understanding can grow from every interaction and encounter with God and with each other.

In 2026, Emmaus College is focusing on the theme of Faith, encouraging students to look to the future with optimism, supported by well-rounded academic, sporting, spiritual, and cultural programs.

At Emmaus, we are helping students on their quests of developing new knowledge and skills, greater self-confidence, a personal and national identity, and an understanding of their role in a globalised world.

Emmaus College was thrilled to debut in the prestigious QISSN carnival in 2023 and have celebrated success winning our division grand finals in both 2024 and 2025. We are delighted to be the 2026 QISSN Carnival Host school and look forward to a fantastic week of netball!

EMMAUS COLLEGE was established in 1983 as a co-educational school for students in Years 11 and 12. In 1993, it merged with the nearby junior school, Marian/St Stanislaus College, to form the present-day Emmaus College, catering for students in Years 7 to 12. This was a unique merger, as it remains the only multi-campus Catholic college in Rockhampton. Emmaus College has now proudly celebrated over 30 years as a combined secondary school.

Emmaus College has a strong netball tradition and has competed in the QISSN carnival since its inception in 2000. The College reached the Division 1 Grand Final in both the inaugural year and again in 2014. It also competes in the local schools competition each season, consistently fielding teams with impressive depth and talent.

Emmaus netball teams have greatly valued the opportunity to compete and be challenged by the high standard of play at the QISSN carnival. We would like to wish all participating teams the very best of luck. We also extend our thanks to Emmaus College Jimboomba for hosting the 2026 carnival.

The College is committed to ensuring the Gospel values of respect, care, inclusivity, forgiveness, faith, hope and love are reflected in the minds and hearts of its community members. Marymount encourages employment and academic readiness for life after school.

The College has a long and proud sporting tradition, participating in many local competitions and representative sports. Past students have further represented in their chosen sport at state, national and international levels. Marymount continually exhibits a fierce competitive spirit and skill in sport.

Marymount has been competing in QISSN for several decades and looks forward to continued success. Marymount has won the Lara Nilsson Trophy three times. We take great pride in the way our girls present themselves and represent our College. We strongly believe in the holistic benefits that sport provides our students, in particular the collaboration across year levels. Our girls are keen to further develop their netball skills and enjoy the high standard of competition and comradeship offered by QISSN. Our team has worked hard at training and fostered strong relationships with one another. The QISSN Carnival is a highlight of our netball year and we look forward to competing in Brisbane this year.

MT MARIA COLLEGE MITCHELTON is a Catholic coeducational secondary college located in Mitchelton, Brisbane, with an enrolment of approximately 1168 students. While a systemic school, Mt Maria proudly embraces the Marist tradition upon which the College was founded in 1978, valuing participation, community, and the holistic development of every student.

A long standing and proud member of QISSN, Mt Maria College has participated in every Carnival since its inception in 2002. The College's Senior Girls QISSN representation has been a cornerstone of our Netball program, achieving sustained success. Notable achievements include Division 2 champions in 2002, Division 5 champions in 2012, Division 4 champions in 2016, and a strong third place finish in Division 5 in 2022.

Beyond these results, Mt Maria College is especially proud of the depth of talent across its girls netball program. With strong participation numbers, committed coaching, and a pathway from junior to senior levels, the program continues to develop skilled, resilient, and team, and team focused athletes. The depth of talent on offer to select from has ensured Mt Maria remains competitive year after year, while also fostering leadership, sportsmanship, and a strong sense of pride in representing the College.

Mt Maria College is extremely proud of all students who represent the College at QISSN and looks forward to continuing this tradition of growth, commitment, and competitive excellence at the 2026 QISSN Carnival.

RYAN CATHOLIC COLLEGE is a co-education P-12 College that was established by the Catholic Diocese of Townsville in 1979 to serve the rapidly developing areas on the outskirts of the city and the corridor development of the Upper Ross area.

Ryan Catholic College is now Townsville's largest Catholic College, with enrolments of approximately 2,000 students and over 250 staff.

The school's size means students are offered a great depth in academic, sporting and extracurricular pursuits.

The school maintains a special caring culture by supporting individual students and their families and offering students the broadest range of academic, sporting and pastoral care available.

Our connection with the QISSN Netball competition began in 2008 and in our history, we have had the honour of hosting QISSN twice (2013 and 2018).

This carnival provides students with the opportunity to see netball played at a high standard and foster great sportsmanship and friendship. We look forward to another great carnival and wish all players the best of luck.

SAINT MARY'S CATHOLIC COLLEGE, Kingaroy, is a P-12 co-educational school in the South Burnett region and was one of the inaugural participants in the QISSN competition.

Netball is a popular sport locally, but limited opportunities, especially for boys, mean the teams regularly travel considerable distances to compete at the required level.

The College is proud to have entered both boys' and girls' teams in recent years. Despite being a small school, Saint Mary's continues to field enthusiastic teams, with many players now returning for their fourth year of netball in 2026.

The QISSN carnival is valued for providing rural students with the chance to play high-standard netball, and the College extends best wishes to all participating teams for an enjoyable and successful week.

SHELDON COLLEGE is an independent, co-educational, non-denominational College situated in Redland City. Committed to a philosophy of Love, Laughter and Learning, we educate children from 15 months of age to Year 12, on a picturesque, 56 acre campus. We are a learning community where every student can achieve and experience the 'Extraordinary'; where aspiration and the traditional values of respect and service, combine with progressive thinking to define the way we work and the outcomes we achieve. In 2026, the College is proud to be recognised by the Australian Education Awards as an Excellence Awardee for Best Co-Curricular Program, for Primary School of the Year – Non-Government, and for Principal of the Year – Non-Government .

Sheldon College has a rich history with Netball, dating back to our involvement as a club within the Metropolitan Districts Netball Association, before a move to the Redlands Netball Association and then into Saturday interschool sport. Our teams also compete in significant carnivals such as Netball Queensland's Vicki Wilson competitions and Primary Schools Cup. In 2025, the College commenced an ongoing strategic partnership with then brand-new HART Premier League Netball club, the Redlands Coast Eagles, making Sheldon College the Home of the Eagles and boosting netball development opportunities within the school. 2026 marks Sheldon College's first involvement in QISSN.

SIENA CATHOLIC COLLEGE is a co-educational secondary school located in Sippy Downs on Queensland's Sunshine Coast. Established in 1997, the College caters for students in Years 7 - 12 and has an enrolment of approximately 900 students.

At Siena, we are guided by the Four Pillars of Dominican life: Prayer | Study | Community | Service. These pillars shape who we are and inspire us to live out our calling each day.

Prayer is how we encounter Jesus, through liturgy, Scripture, contemplation and meditation, placing ourselves in the presence of God.

Study deepens our understanding of truth, guiding us to grow in our love of God and of others.

Community fosters a spirit of encouragement and belonging, where we support one another and work towards a shared purpose.

Service calls us to live out the message of Jesus through our words, actions and example.

QISSN is always a highlight of our netball calendar, and we look forward to the opportunity each year to compete, connect and represent Siena with pride.

ST ANTHONY'S CATHOLIC COLLEGE

Deeragun QISSN team proudly represents a school community grounded in faith, excellence, service and respect.

As ambassadors of our College, our athletes strive to live out our Catholic identity both on and off the court, recognising that sport is not only a competition, but a powerful opportunity for personal growth, teamwork and witness.

Central to our participation in QISSN is the belief that every individual is created in the image of God and deserves dignity, encouragement and inclusion. Our players are challenged to compete with integrity, humility and resilience, valuing effort and commitment while supporting one another through success and adversity.

In doing so, the team reflects our College's commitment to nurturing well-rounded students who demonstrate compassion, leadership and a strong sense of community.

Excellence is pursued not simply through winning, but through preparation, discipline and a willingness to continually improve. Our QISSN team understands that perseverance, respect for opponents and gracious sportsmanship are true measures of success. These values mirror our College's broader mission to form confident learners who seek to serve others and contribute positively to the world around them.

Through QISSN, St Anthony's students are given the opportunity to strengthen friendships, represent their school with pride and embody the Gospel values at the heart of our community. United by faith and purpose, our team strives to honour God through their actions and performance, reflecting the spirit of St Anthony's in all that they do.

The College has grown greatly in its 28 years at Caboolture to a school of over 1200 young men and women. We pride ourselves on being part of the Edmund Rice Education network and live the charism of Presence, Compassion and Liberation in all that we do.

St Columban's College entered the QISSN Carnival in 2010 and has experienced some great successes over the last 15 years. The College nurtures a strong and positive netball culture, competing in the Vicki Wilson Cup and the QLD Catholic Netball Cup. St Columban's College is also a member of the The Associated Schools (TAS) Sporting Competition, a Saturday sporting competition with teams from seven other schools from across the Brisbane Region, and have been Champion Netball School of TAS for the many times, over the last twenty years.

We look forward to a great week of netball with high standards of competition, sporting spirit along with the creation of great friendships and camaraderie. St Columban's College is fortunate to have such committed Coaches and Managers who make this an excellent experience for the team.

As a diverse community, with students from numerous cultural, faith and learning backgrounds, we 'live and breathe' cultural inclusion. St James College shows its passion to see all its students on a pathway to succeed. We offer a range of diverse academic subjects, AQTF certificates, school-based apprenticeships, sports, debating and cultural experiences.

The College's globally diverse community is proud of our culture of advocacy, its weekly brekkie to our homeless community, immersion programs and its many other acts of service at local, national and global levels.

The College has expanded its indigenous students and cultural program and has embraced a Pasifika leadership initiative with increased numbers of students in this group. Our motto of 'Global Learning Achieving Aspirations' is lived every day at 'Jimmies'.

ST JAMES LUTHERAN COLLEGE is a community where every student is known, valued, and inspired to flourish.

Located in the heart of Hervey Bay on the Fraser Coast, we are a coeducational Kindergarten to Year 12 College committed to nurturing each child's unique potential. Through strong partnerships with families, we create a supportive environment where students are empowered to learn, grow, and serve with purpose.

At St James, education extends beyond the classroom. Our vibrant sports program reflects a community built on connection, courage, and teamwork. Whether competing in inter-house or interschool events, our students are encouraged to play with heart, support one another, and embrace both challenge and success.

Guided by our mission; Guided by Christ - Inspired to Learn - Empowered to Serve, we celebrate students who strive for excellence not only in sport, but in character.

We are proud to be part of this year's QISSN competition and thank the organisers and officials for creating this opportunity for schools to come together.

At St James, we don't just play the game, we play with purpose, pride, and team spirit.

We wish all teams the very best for the competition ahead.

ST JOHN FISHER COLLEGE (SJFC) is a Catholic secondary girls school located in Bracken Ridge, on the northside of Brisbane, with over 700 students from year 7-12. SJFC was established as a secondary school in 1981, when it moved from Sacred Heart, Sandgate to its current home in Bracken Ridge.

The College provides a holistic education in the Mercy tradition and has a strong culture of excellence in sport and performance as well as academia. The College's sporting program is inclusive and well-rounded with values that are based on fair play and respect for others. SJFC is a member of the Catholic Secondary Schoolgirls' Sport Association (CaSSSA) and has enjoyed success in many carnivals across its range of sporting competitions. The College has experienced significant success in netball and is proud to call both former Queensland Firebird, Jacinta Messer, and current Sunshine Coast Lightning player, Mahalia Cassidy, past students. We are proud to also have former Queensland Firebird, Deanna Turner, as a current SJFC staff member.

SJFC is delighted to again be able to participate in the QISSN tournament locally in Brisbane where we will be able to have plenty of family and friends supporting. In 2026, SJFC will be bringing a very enthusiastic and talented team of players from Years 10-12 who are all excited to be representing the College. QISSN has become a highlight on the school calendar for our SJFC netballers, and our girls are looking forward to the opportunity to showcase their netball ability and enjoy the experience of playing against high-quality teams.

Our SJFC team officials and players extend their best wishes to all teams participating in the 2026 QISSN tournament and hope everyone has an enjoyable week of competitive netball, fair play and friendship.

ST JOHN'S SCHOOL, Roma is a vibrant Kindergarten to Year 12 Catholic co-educational school located in the heart of Queensland's outback, around six hours west of Brisbane. As part of the Toowoomba Diocese, our school is deeply rooted in community and guided by the Mercy values of respect, justice, compassion and excellence.

Founded by the Sisters of Mercy, St John's continues to uphold their legacy of care, service and high expectations. Our students, from their very first day in Kindy through to their senior years, are nurtured to grow spiritually, academically, socially, culturally and in sport. We take pride in fostering a strong sense of belonging, where every student is known, valued and encouraged to use their gifts for the good of others.

At St John's community is everything! Our outback spirit, our Catholic identity and our commitment to each other shape students who are resilient, compassionate and ready to make a difference.

ST JOSEPH'S is pleased to join the QISSN community in 2026, competing in both the Boys' and Girls' competitions.

Established in Coomera on the Gold Coast in 2019 with 250 students across Prep to Year 4 and Year 7, the College has since grown to a P-12 college with 1400 students and graduated its first senior cohort in 2024.

St Joseph's is committed to providing a holistic education that equips students with the knowledge and skills to contribute positively as St Joseph's College Graduates.

Our inaugural participation in QISSN aligns with the introduction of our Sports Development Program and offers students the opportunity to compete at a state-wide level while strengthening team cohesion and school culture.

Our aim this year is to enjoy the competition, have fun on and off the court and put our best effort forward, looking to gain experience and form our future QISSN progression.

ST JOSEPH'S COLLEGE, a co-educational school nestled on the picturesque Toowoomba Range, remains steadfast in its mission to provide a liberating education grounded in Christian values that enrich all areas of College life. Our participation in the QISSN competition reflects this commitment, as we continue to support the growth of resilient, skilled, and passionate players who embrace every opportunity to develop both on and off the court.

The QISSN competition provides an inclusive platform where students can engage in friendly yet spirited competition within a supportive and welcoming environment. It fosters team camaraderie, unity, and sportsmanship, teaching our players the importance of approaching both success and adversity with grace, humility, and determination.

Highly regarded among St Joseph's College students and staff, QISSN is often seen as the pinnacle of the netball experience. It challenges participants to set personal goals, push their limits, and build the resilience required to navigate both achievement and setbacks, a valuable lessons that extend far beyond the court.

We are very happy to be returning to the courts for the Queensland Independent Secondary School Netball Carnival in the June-July school holidays. **ST MARY'S COLLEGE'S** involvement in QISSN has been a proud part of our College's Sport Program, since re-entering the competition in 2017.

Preparation for our QISSN team begins more than six months prior to the event. Following multiple trials and the team announcement, students begin preparations in fitness, skill, and court work. Students train together at least twice a week and in Term 2, play weekly Wednesday afternoon games in Brisbane through the CaSSSA competition. This, alongside our involvement in QC Cup and Vicki Wilson Cup, prove our level of dedication and readiness to take on the conquest that is QISSN!

Preparation for our QISSN team isn't exclusive to the court. Our off-court preparation is essential to develop resilience, growth mindset and personal & team goals. Our dedicated staff also mentor regarding nutrition, injury prevention, wellbeing, and academic commitments. We also work closely with elite athlete mentor Ali Briggishaw, as well as external professionals such as Sport Psychologist, Chris Haddock.

St Mary's College feels honoured to be involved in QISSN, one of the largest netball competitions in the State. QISSN provides our students an opportunity to show what they capable of and the possibility of being scouted by the board of selectors.

We look forward to an incredible QISSN tournament in 2026!

ST MICHAEL'S COLLEGE, Merrimac is a co-educational Catholic secondary school on the Gold Coast, offering a holistic education for students in Years 7-12. Guided by the Christ-centred values of Belonging, Excellence and Love, our College fosters a supportive and inclusive community where every student is known, valued and challenged to achieve their personal best.

At St Michael's, excellence is pursued across all aspects of College life, including learning and teaching, cultural pursuits, sporting endeavours and community partnerships.

Sport plays a vital role in the life of the College, promoting teamwork, resilience and sportsmanship, while providing opportunities for all students to participate and develop their potential.

This is why we are so thrilled be returning to the QISSN courts in 2026. Netball is a sport beloved by many in our community and we are honoured to be part of such a large competition, which is a major highlight of each year.

ST PATRICK'S COLLEGE is a co-educational secondary Catholic school steeped in a rich history dating back to the 1800's.

The Sisters of Mercy came to Gympie in 1879 and the Christian Brothers in 1904 to teach in schools already established by the Catholic community. Over the years both orders conducted boarding schools. The girls' boarding facility closed in 1969 and the boys in 1978. St Patrick's College opened in January 1983 as a Catholic Co-Educational College for students from Years 8-12, an amalgamation of the two schools. Since 2015, St Patrick's College has catered for students from Years 7-12.

St Patrick's College is proud to be returning to the Queensland Independent Secondary Schools Netball (QISSN) Carnival in 2026. Having previously been part of the competition over 20 years ago, the College is excited to once again provide this opportunity for our student athletes. Participation in QISSN provides a valuable opportunity for our students to challenge themselves, build friendships and demonstrate the values of sportsmanship both on and off the court.

We look forward to the week of competition and wish all participating schools the very best.

ST PETER CLAVER COLLEGE is a Catholic co-educational secondary college in the Western Brisbane/Ipswich corridor offering a high-quality education for students in Years 7 - 12. St Peter Claver College was founded in 1976 and named after the Spanish Jesuit priest and missionary, Saint Peter Claver. The presence of the Sisters of Mercy was an important influence in the College's early years and today the College is a member of Marist Schools Australia, with a current enrolment of approximately 1100 students.

In the spirit of St Peter Claver's own life encounters, the College has an incredibly diverse and culturally rich school population with students from more than 25 different cultures: including Aboriginal and Torres Strait Islander, African and Pacific Islander heritage. The College motto of Concern, Love and Justice provides students and the Claver community with guidance and values in which to strive to live their everyday lives by.

The College's Netball Program prides itself on developing and nurturing the next generation of players, while fostering inclusive and team-focused attitudes. St Peter Claver College is a proud division 1/2 school and has had many students selected in the QISSN All Star Team in recent years.

ST THOMAS MORE COLLEGE was founded in 1974 and presented Queensland Catholic Education with a radical alternative approach to schooling.

Today the early radical practices in behaviour management and curriculum are regarded as mainstream educational practices. Situated just south of the Brisbane CBD, the College has grown from a small faith learning community to a contingent of over 1100 current students and families.

The founding principles of gospel values, intellectual reason, free will, good conscience, integrity, and courage are central to our college mission. These founding principles have enabled the College to become a vibrant faith learning community based on the example set by St Thomas More.

St Thomas More College has a strong culture in netball, which extended to our Boys VII first representing the College at QISSN since 2023. Every St Thomas More student who wears the Team More Shirt understands the responsibility that is instilled in them since joining the College of 'Leave it better than you found it'.

The College has enjoyed and benefited greatly from its involvement in QISSN and with every passing carnival we have continued to play a brand of netball that is epitomised by grit, respect, and above all, love of the game.

THE CATHEDRAL COLLEGE, founded in 1991, is a Catholic Co-educational Secondary Boarding College in Rockhampton. The College Mission Statement invites students to “Come, live life in all its fullness” and we seek to help students develop their spiritual, academic, sporting and cultural dimensions.

At The Cathedral College, we have boarding accommodation for boys and girls. We have 1,370 students at the College. Of these, 190 are boarders at our two boutique boarding Residences. The College draws a rich heritage from its predecessor schools, The Range Convent High School (conducted by the Sisters of Mercy) and St Joseph’s Christian Brothers College. The College has an enviable reputation for providing an education which results in graduates who are well rounded young people.

Academic excellence is sought and achieved, yet there is a broad education provided so that all who seek our values find a suitable pathway to attaining their goals. We have high expectations of our students and respect and good manners are cornerstones of these standards.

The Cathedral College has competed in all QISSN Carnivals and our players are looking forward to a great week of netball.

Best of luck to all teams competing in this year’s carnival.

THE ROCKHAMPTON GRAMMAR SCHOOL has provided over 140 years of education in Central Queensland. Founded in 1881, The Rockhampton Grammar School is a non-denominational, co-education school from Early Learning to Year 12. The school is also home to a strong boarding community, with over 340 students from Year 6 to Year 12.

The Rockhampton Grammar Schools is proud of our exceptional teachers, who are recognised for their passion and commitment. This extends not only to our outstanding academic results as Central Queensland’s best performing school, but also to a vast range of extracurricular activities including sport, music, dance, agriculture, outdoor education, and much more.

The school has competed for the top division since the beginning of QISSN in 2000 where the School won the inaugural QISSN Cup. This carnival provides a significant highlight for our schools’ netball programme, with our school teams also playing in local club and school competitions throughout terms 1, 2 and 3.

Thank you to all the organisers, the host school and region for providing this opportunity in 2026. Best of luck to all teams.

TOWOOMBA ANGLICAN SCHOOL

is regarded as one of Australia's finest Kindergarten to Year 12 Anglican co-educational independent primary and secondary day and boarding school located in Toowoomba, Queensland, Australia.

From Kindergarten right through to Year 12, our students possess character, kindness and independence. They embrace challenges, value every opportunity and thrive together in a vibrant, friendly school community.

Our pathways provide a rigorous and broad range of opportunities, and we have a flexible approach to our curriculum design. We place great value on our individual students, excellent staff and supportive community, because Together We Are TAS.

2026 is an exciting year for the school as we celebrate our 115th year as a school and this will be the first year that Toowoomba Anglican School has been involved in the QISSN carnival in both the Girls' and Boys' Divisions. Our inaugural girls' team is enthusiastically looking forward to a fantastic week of competition and a long association with the carnival in the years to come, whilst our boys' team return after their initial experience in 2023.

We trust that this will be the first of many trips to this amazing tournament, and hope to build our program further on the back of the opportunities this event offers.

As one of eight Grammar Schools in Queensland, **TOWNSVILLE GRAMMAR SCHOOL** has delivered outstanding academic outcomes and demonstrated educational leadership in North Queensland since 1888. The school values excellence, teamwork, and holistic development, encouraging students to succeed both in and beyond the classroom.

Grammar Netball is a strong and thriving program within the School community and remains the largest and most competitive sport at Townsville Grammar School for students from Years 2 to 12.

The Grammar One team represents the pinnacle of the Townsville Grammar School Netball program and continues to build a strong reputation for performance, teamwork, and pride.

In 2026, Grammar One enjoyed a highly successful season, winning the Vicki Wilson North Regional Cup Championship, which saw the team qualify for the Vicki Wilson State Finals. Competing on this stage provided valuable experience and reflected the commitment and growth of the program. The team trains with intent and professionalism with athletes demonstrating strong work ethic, accountability, and a genuine team first mindset.

Training sessions focus on skill development, tactical understanding, and creating a cohesive unit that supports one another both on and off the court. 2026 is the first year the School is participating at QISSN.

Grammar One will continue to build on its foundations, driven by pride in representing Townsville Grammar School and a collective commitment to excellence.

TRINITY COLLEGE opened for its first one-hundred students in 1982. It was, and still is, under the auspices of the Catholic Education Office of the Brisbane Archdiocese, but it was administered in the early days by the Marist Brothers on the invitation of the Brisbane Director of Catholic Education.

The Sisters of St. Joseph were also prominent on the staff of the College for the first three years. The charisms of these great Religious Orders are still evident within the College, and the virtues and values of Marcellin Champagnat and Mary MacKillop are strongly promulgated.

Trinity College is a Catholic Coeducational Secondary College with a student population of 950 students and a professional staff numbering over sixty teachers.

Trinity College has a strong history in netball and this will be our 15th year competing in the QISSN competition.

This young team are dedicated and have been training hard in preparation for the competition. They look forward in representing the College in 2026.

XAVIER CATHOLIC COLLEGE is a coeducational, K-12 school located in Hervey Bay on the Fraser Coast.

The name of the College is derived from the partnership between Saint Francis Xavier and Saint Ignatius of Loyola. Together, these two were founders of the Society of Jesus, better known as the Jesuits.

The experiences, reflections and actions of Saint Ignatius and Saint Francis have influenced the positive, socially-just and reflective ethos and culture of Xavier Catholic College.

As a Jesuit companion school, Xavier is a member of a network with over 2000 other Jesuit educational institutions worldwide, all which support a similar ethos as the College. A student of Xavier, above all else, aims to grow as a reflective, competent, conscientious and compassionate young person, one who also fosters an attitude of excellence and service.

Xavier also prides itself on allowing students opportunities to express themselves and their interests through a multitude of avenues. Representing Xavier in Netball is a significant commitment.

This commitment enables students to experience positive outcomes including improvement in skills, fitness, tactical knowledge, decision making, confidence, building social connections and leadership. We have a very clear sporting philosophy built around fair play and respect at Xavier.

QISSN is an example of this, and our Xavier 2026 QISSN teams have been training diligently to compete in this great week of netball in Brisbane this year.

The **CHANEL COLLEGE** motto "TO LIVE JUSTLY", is taken from the Old Testament prophet Micah (6:8). The motto sums up the aim for which the college was founded in 1966 and exists today. Chanel College has been attending the annual QISSN carnival for the last sixteen years and are very much looking forward to returning in 2026.

For a relatively small co-educational college in Gladstone, Chanel College has a strong netball tradition, dominating Town and Inter-School competitions and consistently competing in the Vicki Wilson Cup and other regional Carnivals. We aim to ensure we provide all players with the best opportunity to ensure that netball at the College has a strong future.

With a host of talent from Local and Regional representative teams, we are hoping to further improve on our performance in 2026.

MT MARIA COLLEGE is a Catholic coeducational secondary college located in Mitchelton, Brisbane, with an enrolment of approximately 1168 students. While a systemic school, Mt Maria proudly upholds the Marist tradition upon which the College was founded in 1978, placing strong emphasis on community, participation, and student development.

A proud member of QISSN, Mt Maria College has participated in every Carnival since its inception in 2002. Over this time, the College has enjoyed sustained success, particularly through its Senior Girls program, claiming Division titles in 2002 (Division 2), 2012 (Division 5) and 2016 (Division 4), along with a commendable third-place finish in Division 5 in 2022.

In recent years, Mt Maria has experienced significant growth and success in the boys netball space. History was made in 2023 with the introduction of the College, inaugural Senior Boys Netball team, who finished as runners-up in Division 2. Building on this strong foundation, the boys program continued to rise, finishing 6th in Division 1 in 2024, before an outstanding campaign in 2025, where the team progressed to become Division 1 Grand Finalists.

Mt Maria College is extremely proud of all students who represent the College at QISSN and looks forward to continuing this tradition of growth, commitment, and competitive excellence at the 2026 QISSN Carnival.

This year **ST JOSEPH'S COLLEGE** celebrates an important milestone: for the first time, we have entered a boys' team in the netball competition. This team represents a new chapter in our sporting program and reflects the College's commitment to broadening participation and creating inclusive opportunities for all students.

The boys have trained hard, showing enthusiasm, teamwork, and a willingness to learn a sport that is growing in popularity among male athletes. Their dedication on and off the court captures the spirit of St Joseph's: respect, pride, and a readiness to take on new challenges.

As they make their debut, we celebrate not just the team's first appearance, but also the values it models for the whole community. By supporting students to pursue their interests regardless of tradition or expectation, the College promotes growth, confidence, and mutual respect across all sports.

Please join us in cheering on the boys' netball team as they represent St Joseph's College with heart and determination. Their first season is about more than results; it's about opening doors, building camaraderie, and inspiring future generations to play, compete, and belong.

The school has a very strong reputation of providing a safe, caring environment with a strong academic focus and a broad and well-developed, very successful co-curricular program.

St Luke's has competed in the QISSN carnival since its inception in 2000. Our teams have had varying degrees of success but have always competed in the spirit of the competition. We are excited and looking forward to competing this year, and we wish all the schools playing in the 2026 tournament all the best.

ST THOMAS MORE COLLEGE was founded in 1974 and presented Queensland Catholic Education with a radical alternative approach to schooling.

Today the early radical practices in behaviour management and curriculum are regarded as mainstream educational practices. Situated just south of the Brisbane CBD, the College has grown from a small faith learning community to a contingent of over 1100 current students and families.

The founding principles of gospel values, intellectual reason, free will, good conscience, integrity, and courage are central to our college mission. These founding principles have enabled the College to become a vibrant faith learning community based on the example set by St Thomas More.

St Thomas More College has a strong culture in netball, which extended to our Boys VII first representing the College at QISSN since 2023. Every St Thomas More student who wears the Team More Shirt understands the responsibility that is instilled in them since joining the College of 'Leave it better than you found it'.

The College has enjoyed and benefited greatly from its involvement in QISSN and with every passing carnival we have continued to play a brand of netball that is epitomised by grit, respect, and above all, love of the game.

**TOOWOOMBA
ANGLICAN SCHOOL**
Est. 1911

TOOWOOMBA ANGLICAN SCHOOL is regarded as one of Australia's finest Kindergarten to Year 12 Anglican co-educational independent primary and secondary day and boarding school located in Toowoomba, Queensland, Australia.

From Kindergarten right through to Year 12, our students possess character, kindness and independence. They embrace challenges, value every opportunity and thrive together in a vibrant, friendly school community.

Our pathways provide a rigorous and broad range of opportunities, and we have a flexible approach to our curriculum design. We place great value on our individual students, excellent staff and supportive community, because Together We Are TAS.

2026 is an exciting year for the school as we celebrate our 115th year as a school and this will be the first year that Toowoomba Anglican School has been involved in the QISSN carnival in both the Girls' and Boys' Divisions. Our inaugural girls' team is enthusiastically looking forward to a fantastic week of competition and a long association with the carnival in the years to come, whilst our boys' team return after their initial experience in 2023.

We trust that this will be the first of many trips to this amazing tournament, and hope to build our program further on the back of the opportunities this event offers.

As one of eight Grammar Schools in Queensland, **TOWNSVILLE GRAMMAR SCHOOL** has delivered outstanding academic outcomes and demonstrated educational leadership in North Queensland since 1888. The school values excellence, teamwork, and holistic development, encouraging students to succeed both in and beyond the classroom.

Grammar Netball is a strong and thriving program within the school community and remains the largest and most competitive sport at Townsville Grammar School.

The Grammar Boys team reflects the continued growth and development of boy's netball at Townsville Grammar School. The program has now been established for three years, with teams competing in the Regional Vicki Wilson competition, demonstrating the school's commitment to supporting participation in Australia's fastest growing men's sport.

The team trains twice each week, showing strong commitment, discipline, and work ethic. These athletes take pride in representing their school, not only in netball but across multiple sporting codes, and consistently demonstrate respect, teamwork, and school spirit both on and off the court.

This year marks the boys' first participation at QISSN, representing an exciting milestone for the program. Townsville Grammar School is proud of the progress and development of the boy's netball pathway and looks forward to seeing the team compete on this stage, continuing to build foundations and represent the school with pride and integrity.
